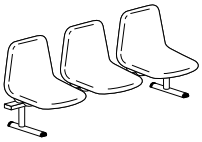
tandem ordering guide

Tandems are available in two or more seat straight units and with the addition of the unique corner table can be configured in many custom layouts. Several units can be joined to provide longer runs without an objectionable clutter of legs, and options include a wall saver and a back-to-back adapter for island applications.

1. Specify the number of seats per tandem unit, and the model numbers of the seats, specify the rail model number based on the number of seats.

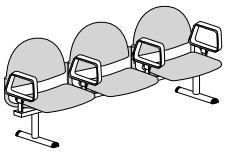
This would describe a 3-seat tandem with three Astro Thermoplastic seats.



3 ea. 56220 Seat
1 ea. 56023 Rail

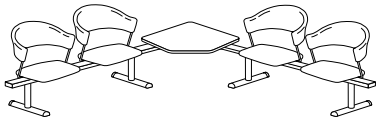
2. Arms and tablet arms are attached directly to the tandem beam, and are specified independent of the seats. For Example:

This would describe a 3-seat tandem with three Bola Conference seats and arms at the ends and between each seat.

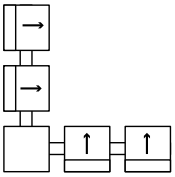


3 ea. 56448 Seat
4 ea. 56770 Arm
1 ea. 56023 Rail

3. The corner table may not be positioned at the end of a tandem unit, and requires a straight run of at least two seats on either side. For Example:



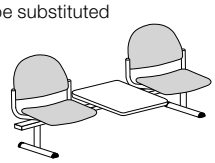
4 ea. 56260 Seat
1 ea. 56792 Table
2 ea. 56022 Rail



This would describe a corner arrangement of two 2-seat rails with Albi seats, and a corner table.

4. Intermediate tables, 56790 can be substituted in any seat position. For example:

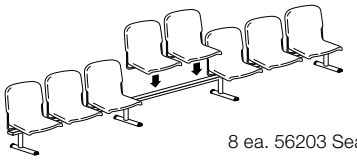
This would be a 2-seat unit with two upholstered Bola seats flanking an intermediate table.



2 ea. 56442 Seat
1 ea. 56790 Table
1 ea. 56023 Rail

See Tandem Accessories, page 59, for information on ordering Corner and Intermediate Tables, Tablets, and Rails.

5. For straight tandems longer than 6 seats, use the 2-seat module between 2 complete tandem rail units.



8 ea. 56203 Seat
2 ea. 56023 Rail
1 ea. 56027 Module

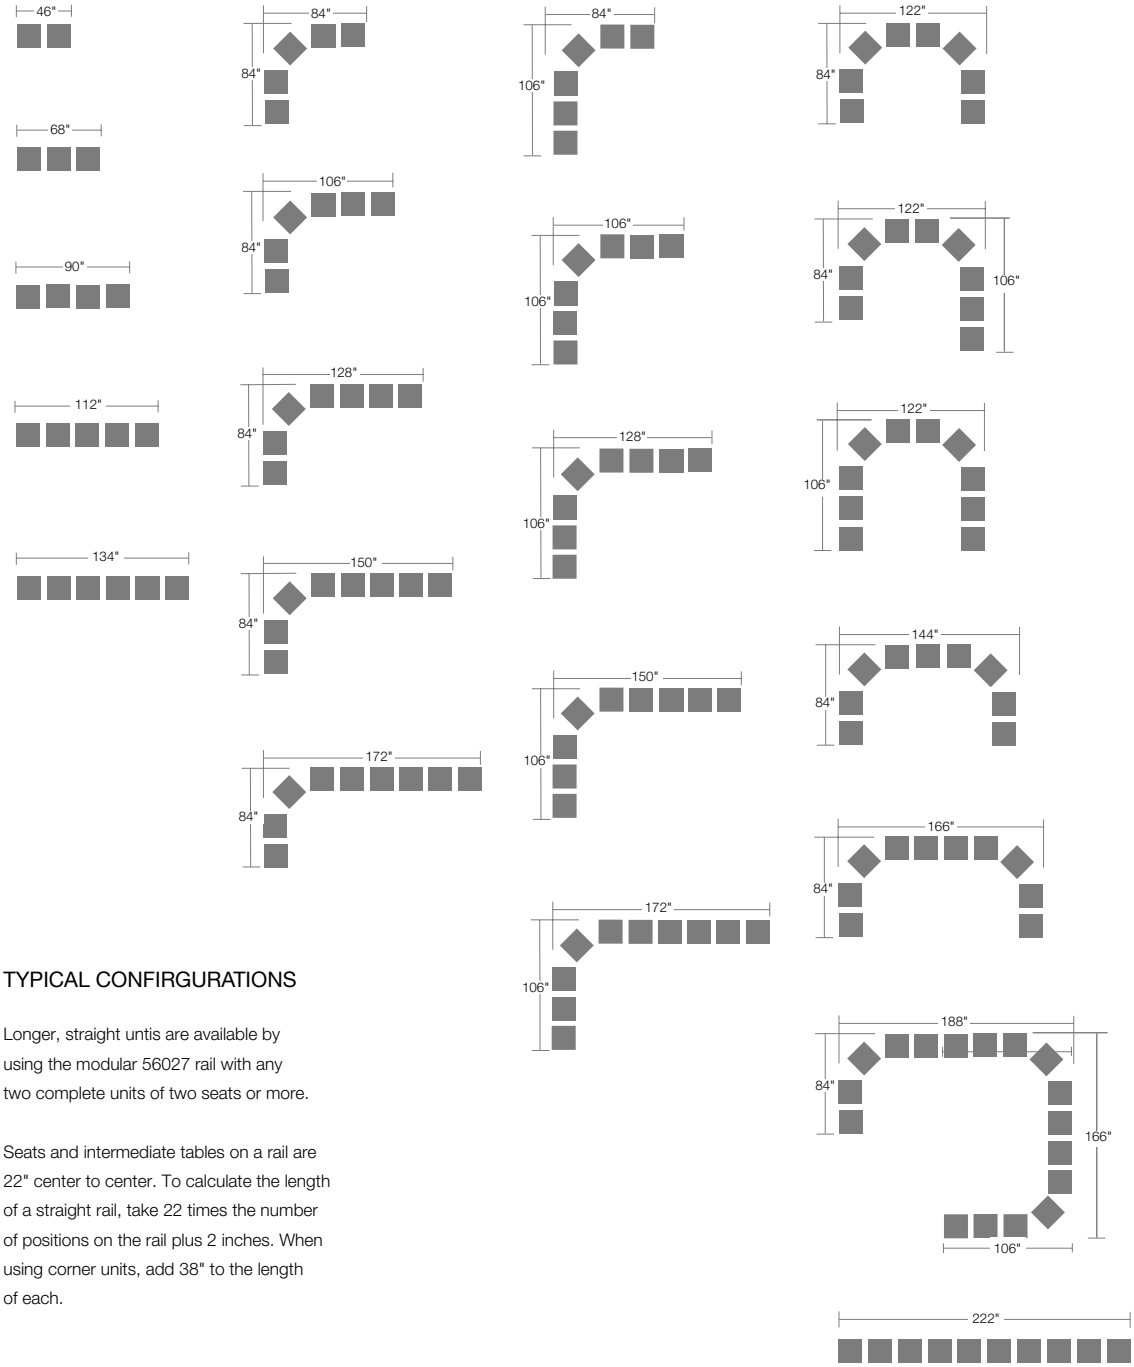
6. The Fixtures tandem system is extremely flexible and will adapt to virtually any layout. Layout and specification assistance is available at no charge, call toll free 800/821-3500. Many applications may require custom details, or special sizes or shapes; we would like to work with you to provide suitable solutions to meet those needs.

Single Position Pedestal Mounts

Single position pedestal mounts for tandem seats are available. The pedestal is a fixed unit. The -SR and -SV are a return swivel and a 360˚ swivel, respectively, which can only be used with the 56030 pedestal. The 56781 and 56785 flip-up tablets may also be used with these mounts. For example:

56220-56030, 56781 tablet. This would be an Astro Thermoplastic Seat with a flip up tablet on a fixed pedestal.

56442-56030, SR
This would be an Bola Upholstered Seat on a 56442-56030, SR swivel return and a pedestal.



TYPICAL CONFIRGURATIONS

Longer, straight untis are available by using the modular 56027 rail with any two complete units of two seats or more.

Seats and intermediate tables on a rail are 22" center to center. To calculate the length of a straight rail, take 22 times the number of positions on the rail plus 2 inches. When using corner units, add 38" to the length of each.

finishes

Fixtures Furniture's collection of everyday furniture comes to life with a coordinated collection of thermoplastic, upholstery, metal, laminate and wood veneer finishes. Created by Eva Maddox Branded Environments | Perkins & Will, the color palette was designed to complement the environment and its surroundings.

Hard finish samples can be ordered through the Customer Service department at 800/821-3500 or www.fixturesfurniture.com.

THERMOPLASTICS

The thermoplastic selection includes a collection of warm and cool neutrals, muted jewel tones and soft brights intermixed between opaque and translucent plastic.

The seat and back shells are constructed of high impact injected molded polypropylene with a lightly textured finish, pigmented throughout with your choice of non-fading colors. Please refer to page 69 for a matrix of available thermoplastic seat and back colors for each chair line. Not all colors are available on all chair lines.

Fixtures Furniture has the ability to custom match thermoplastic to a Pantone chip. A minimum of 250 pieces are required for a custom thermoplastic color. Ancillary pieces (i.e. inserts, glides, shell caps) require more than 250 pieces for custom colors. Call Customer Service for minimums, up-charges and lead times.

UPHOLSTERY

Fixtures Furniture offers an assortment of high quality fabric and vinyls selected to complement our seating products and meet the needs of contract seating. The collection meets rigorous testing requirements and can be specified on any of our chairs. As a service, Fixtures Furniture can purchase fabrics for its customers. All fabrics are subject to testing approval and upholstery quality. Some fabrics may not pass our standards.

For ease of ordering, we have pre-graded into the Fixtures Furniture line Momentum Textiles, KnollTextiles and Mayer Fabrics. See page 74 for a complete listing. Not all have been tested and approved. Consult the COM approval page at www.fixturesfurniture.com or contact the Fixtures Furniture Customer Service department at 800/821-3500 for approval.

California Flammability Code 117

All chairs manufactured by Fixtures Furniture that contain foam and upholstery materials comply with California Flammability Code 117 and BIFMA F-1-1978 unless a Customer's Own Material (COM) is used, in which instance Fixtures Furniture cannot specify its flame retardant properties.

California Technical Bulletin 133

The State of California Technical Bulletin #133 (TB133) is a flammability test for seating products used in hospitals, hotels, nursing homes, and other public venues. TB133 is law in California and is the law or under consideration in various national, other state and local regulating agencies. Each may have pass/fail criteria different from California. Special construction is required to meet TB133 criteria. Fixtures Furniture offers TB133 construction (Option-CA) on many standard products, when upholstered in most stock upholstery, as priced on each page of this Price Book. When using a customer's own material (COM), Fixtures Furniture cannot specify flame-retardant properties.

CAL 133 usually pertains to upholstered furniture, but under certain circumstances it may be required for non-upholstered products. Fixtures Furniture offers the Bola and Fetch with fire-retardant thermoplastic (Option-CF). For additional products with CAL 133 thermoplastic, please contact Customer Service.

finishes

Fabric Shield Stain Resistant Finish

Fixtures Furniture offers an optional stain-resistant finish, which can be applied to most upholstery. Fabric Shield does not change upholstery appearance. This pressure applied topical treatment helps make cleaning easier and adds antimicrobial, anti-static and ultraviolet protection characteristics to upholstery. Fabric Shield (option –FS) can withstand multiple commercial cleanings with neutral pH shampoo without loss of effectiveness. Once applied, Fabric Shield is completely safe to the user and the environment and contains no mineral spirits or combustible materials. For more information, contact the Fixtures Furniture Customer Service department at 800/821-3500 for approval.

WOOD STAIN FINISHES

Fixtures Furniture offers an assortment of stain finishes or natural beech to complement our seating line. We use only the finest rotary cut European beech veneer and guarantee no visible seams on the face.

Due to the natural properties of wood, variations of grain pattern and finish can be expected. Wood finish names describe color only, not wood species. The selected wood stain is applied to beech veneer and hardwood.

W01	natural beech	W04	medium walnut
W02	natural cherry	W05	mahogany
W03	dark cherry	W06	ebony

Fixtures Furniture has the ability to custom match wood stains. A minimum of 250 pieces are required for a custom stain. Call Customer Service for up-charges and lead times.

FRAME FINISHES

Epoxy metal finishes are applied as powder, then baked at high temperature to a hard, smooth surface. Epoxy is resistant to scratching, peeling or chipping, and abrasion, impact, chemicals and rust. Bright chrome is polished to assure a bright lustrous finish. Fixtures Furniture supplies the finest commercial chrome available for indoor furniture.

TABLET LAMINATES

Fixtures Furniture offers a selection of seven laminates for the tablet surface that coordinate with our thermoplastic, upholstery and wood veneer collections. Tablets are constructed with three-ply construction with a high-pressure laminate top surface, 5/8" thick high-density particle board core with moisture-resistant backing, and 3/4" bumper T-edge molding. The edge banding will coordinate with the laminate.

Fixtures Furniture products use a variety of tablet shapes and sizes for each individual product. Please see page 68 for the shape and size of the various tablets. Many of our chairs are available with an optional oversized or jumbo tablet. Please see options –OS and –JT in the price book for availability and up-charges.

TABLE SURFACES

Fixtures Furniture offers a selection of sixteen high pressure laminates for our table surfaces. We also offer selected "standard" laminate choices from domestic producers at no additional up-charge. For a complete list of these laminates, please visit www.fixturefurniture.com. Table surfaces coordinate with our thermoplastic, upholstery, metal and wood veneer collections. Tables are 1 ¼" balanced construction with a 1 ⅛" high-density particle board core. Laminate and backer sheet are sealed on all six sides.

Woodgrain laminates are part of the Wilsonart FineGrain Premium finish collection. FineGrain features the polish and hue of wood veneer, yet boasts the performance of a high pressure laminate.

COM APPROVAL PROCESS

Step 1—Visit www.fixturesfurniture.com or call Customer Service at 800/821-3500 to see if the fabric has been previously approved.

Step 2—If pre-approved—place your order and ship fabric to:

Fixtures Furniture COM Receiving Department
11451 Harter Dr.
Middlebury, IN 46540

Step 3—If the fabric is not pre-approved complete the form below and attach a 6" x 6" swatch* of the COM to form and mail to:

Fixtures Furniture COM Testing Department
11451 Harter Dr.
Middlebury, IN 46540

*Manufacturing guidelines require an acrylic or latex backing for many of our products. Fabrics that need to be backed will incur a $26 net service fee, plus $2 net per yard, with a minimum 6 yards. Call customer service for more information.

COM SPECIFYING PROCESS

COM yardage requirements are noted with each product, based on a 54” standard fabric roll using a solid fabric. If fabric is another width, please call Customer Service for appropriate yardage. In the event of specifying COM fabric on more than 25 chairs, please call Customer Service for appropriate yardage requirements.

In the event of specific requirements for positioning of intricate patterns or pattern repeats on seats and backrests, provide a sketch noting requirements with the order, along with materials for testing. COM yardage requirements are based on solid fabrics with no repeat. Please call customer service for appropriate yardage on fabrics with a repeat.

The customer bears responsibility for order correctness. Please fax orders to Order Entry at (816) 245-5884 or mail to:

Fixtures Furniture

Attn: Order Entry Department

1642 Crystal Avenue

Kansas City, Missouri 64126-0346

To avoid purchase order duplication, mark confirming copies "confirming copy." To avoid order delays, please ensure that your purchase order contains the following information:

- Purchase Order Number
- Correct Model Number(s)
- Quantity
- Detailed Product Description(s)
- Product Option Codes or Applicable Specifications (frame finishes, thermoplastic, fabric, glides, ganging)
- Correct Price(s)
- Ship To Address
- Contact and Phone Number
- Any Special Instructions
- Custom Descriptions and Drawings if Applicable
- Reference to any Special Quote Information or Custom Product Documentation

Each Fixtures Furniture model number can be followed with an option suffix. These suffixes may be used to specify frame finishes, thermoplastic, fabric, glides, and ganging.

PURCHASE ORDER ACKNOWLEDGEMENT

Fixtures Furniture will automatically fax purchase order acknowledgement within approximately 24 hours of order entry (or mail if no fax number is on file). Order verification may be delayed due to credit issues. Check the acknowledgement thoroughly and notify Customer Service in writing immediately of any discrepancies. Fixtures Furniture will manufacture the product as specified on the acknowledgement and cannot be responsible for errors if not notified by customers. The acknowledgement ship date reflects the estimated shipping week. This date does not constitute an essential term of agreement. Shipments may occur prior to or after the original acknowledged date.

ADDITIONS TO ORDERS

Please contact Customer Service prior to adding, changing or combining orders already acknowledged by Fixtures Furniture. Refer to the original order number when requesting a combined order. Fixtures Furniture will not accept additions to original orders if already scheduled for production and cannot hold orders once production has begun. For more efficient handling, factory approved additions to original orders will be treated as separate orders and invoices.

CUSTOM PRODUCT

Unusual specifications may require custom design and products beyond Fixtures Furniture standard products. Custom products may require additional lead times and up-charges.

Orders for custom products can not be canceled or returned. When ordered with standard product, custom product should be sent on a separate purchase order to ensure timely delivery of standard product.

Orders must meet one of the following criteria for customization beyond options in the Price List:

- Quantity production run of 25 or more pieces or $2,000 net minimum (except where noted in Price List Book)
- Custom products are a portion of a $5,000 net project order with standard product (except where noted in Price List Book)

Please contact Customer Service at 800/821-3500 for further information on custom capabilities.

terms and conditions

ELIGIBILITY

Fixtures Furniture products are sold nationally through authorized dealers and distributors. Distribution of this price list does not in itself constitute an offer to sell.

NEW ACCOUNTS

New accounts may only be established with:

- Approval of a Fixtures Furniture Sales Representative
- Approval of Fixtures Furniture Sales Management
- Purchase Order of $500 List Minimum Initial Order
- Completion or Receipt of a Blanket Certificate of Resale
- Completion of Credit Application
- Agreement to Fixtures Furniture Terms of Sale

Orders will be cash in advance until credit is established and will require a cashier's check, money order or bank approved company check. Clearance of cash in advance check or money order must occur prior to being scheduled for production.

PRICING AND SPECIFICATIONS

Prices, product specifications and packaging are subject to change without notice. This Price List supersedes any and all prior published Price Lists. Fixtures Furniture cannot be responsible for custom layout or space design of products in a required space.

CANADIAN PRICING

Pricing for Canadian customers requires the Canadian exchange rate to be added to the pricing in this price book. Fixtures Furniture updates the exchange rate at least quarterly. Please contact Fixtures Furniture for the most current pricing.

TERMS OF SALE

Net 30 days with approved credit. Fixtures Furniture reserves the right to withhold shipment and/or production of customer's order due to customer's failure to satisfy credit requirements or pay any past due invoices. Past due amounts will be subject to a 1.5% monthly interest charge plus collection costs including, but not limited to, attorney's fees and court costs.

CREDIT

Fixtures Furniture may review credit, change or cancel credit terms, and/or request advance payment at any time at its discretion.

DISPUTED ACCOUNTS

Disputed accounts must be submitted in writing within 30 days of invoice date for consideration. Lack of written dispute may result in delayed orders

GREENGUARD CERTIFICATION

Many of Fixtures Furniture products have earned the Environmental Institute's GREENGUARD Indoor Air Quality Certification for low-emitting interior products. Certified furnishings and materials are tested on a regular basis to ensure continued low emitting status.

All certified products can easily be found in the GREENGUARD Online Product Guide, and a printable certificate is available for each product in the Guide to simplify project submission and product verification. For more information or to obtain an up-to-date listing of Fixtures Furniture's Greenguard Indoor Air Certified® products visit www.fixturesfurniture.com or www.greenguard.org.

CAP AND GIZA

Fixtures Furniture's electronic catalogs and AutoCAD symbols are on 20-20 CAP and Giza Studios software systems, which is an integrated suite of applications that automates the design, specification and facilities management process.

FREIGHT

Orders will be shipped F.O.B. Origin prepaid by Fixtures Furniture within the contiguous 48 states and Canada. Fixtures Furniture retains the right to determine the routing based on cost and service. Standard ground transportation charges for shipments within the contiguous states are prepaid by Fixtures Furniture on orders of $800 list or more. A small order charge of $40 net will be added to the invoice for orders of less than $800 list.

The following charges will be reflected on the invoice as "Shipping and Handling" and may also include pre-determined additional expenses such as:

- Inside Delivery
- Upstairs Delivery
- Call Before Delivery
- Other Special Charges

Freight rates are subject to change without notice and apply to shipments in the U.S. only. Please note any special delivery needs on your purchase order. Fixtures Furniture will work with your company and the freight carrier to try and accommodate your delivery needs. Fixtures Furniture will make every effort to work with freight carriers, but cannot be responsible for delivery schedule.

Request for postponement of shipment beyond the scheduled and verified ship date may be subject to a 25% holding and handling charge. Under no circumstances will orders be held more than 10 days past the scheduled ship date. Fixtures Furniture is not responsible for freight charges relating to re-consignment, redelivery or storage of product after it has shipped from the factory.

FREIGHT RESPONSIBILITY AND CLAIMS

Carrier routing will be determined by Fixtures Furniture on all orders. When the customer selects the carrier, Fixtures Furniture is not responsible for the services provided by that carrier. Carrier is not liable after 15 days of delivery. Fixtures Furniture has made special arrangements with selected freight companies for the handling of freight damage claims. All Fixtures Furniture shipments are put on the freight line free from damage and are signed for as such by the carrier's agent. Fixtures Furniture's responsibility for the product's safe delivery ceases at this point and responsibility is assumed by the carrier. As a service, Fixtures Furniture will file freight claims for F.O.B. origin, prepaid and add shipments under the following conditions:

Any shipments received with visible carton damage or shortages must be noted as "damaged" or "short" on the bill of lading and signed by the receiving agent as well as the carrier. The damaged cartons should then be inspected immediately to determine if there is product damage. An inspection of the contents of all cartons immediately upon arrival is recommended. If there is obvious product damage to the shipment upon receipt, refuse the shipment and note on the bill of lading "damaged and refused" before signing. Fixtures Furniture must be notified within 5 working days after product is delivered if any shortages or damages were found (including concealed damage that does not become apparent until the product is unpacked). Failure to note shortages and damages on the bill of lading and/or failure to notify Fixtures Furniture within 5 working days after shipment receipt constitutes a waiver of claim. All other claims including concealed damage are not the responsibility of Fixtures Furniture. Contact Customer Service at (800) 821-3500 if shipment is not received within 10 days of shipment.

RETURNS

Returned merchandise will not be accepted without written approval from Fixtures Furniture Customer Service on a Return Authorization (RA) form. Once a RA is approved, merchandise must be returned to Fixtures Furniture prepaid, in the original cartons (with proper inner packing), addressed with return labels and accompanied by a copy of the RA form. Fixtures Furniture will refuse shipments of returned goods that do not meet these criteria. A minimum 35% restocking fee will be applicable for all approved returns. If the original shipment was shipped prepaid by Fixtures Furniture, freight charges will also be due for the original shipment.

FIXTURES FURNITURE WILL NOT ACCEPT RETURNS FOR THE FOLLOWING UNDER ANY CIRCUMSTANCES:

- Custom Items
- Items that have been fully or partially assembled
- Items invoiced more than 60 days ago

CANCELLATIONS

Orders entered and acknowledged may not be cancelled or changed without written cancellation request and Fixtures Furniture's consent. A minimum cancellation charge of 25% will be applied to orders cancelled while in production (verification date to ship date). Orders for custom items are not cancelable.

CHANGE ORDERS

Orders entered and acknowledged may not be changed without a written change request. A fee may be applied to orders changed while in production.

REPAIR AND REPLACEMENT

Any labor charges for correcting a problem must be submitted in writing (including invoice number) and approved by Fixtures Furniture Customer Service prior to corrective action. Labor charges will not be paid if the estimate was not submitted and approved prior to labor being completed.

WARRANTY

Fixtures Furniture hereby warrants to the original purchaser that the products manufactured by it shall be free of all substantial defects in original material and workmanship under normal use in standard office conditions for a period of ten (10) years from the date of purchase. Caster, gas lifts and functional mechanisms are warranted to be free from defects in material and workmanship under normal use for five (5) years. Standard upholstery materials are warranted for three (3) years under normal use. Glides and ganging devices are warranted for a period of one year. Within the specified periods of this warranty, Fixtures Furniture agrees, at our option, to repair, replace or refund the cost of the product or any portion of the subject product which proves to be defective in material or workmanship, provided that the buyer gives written notice. Fixtures Furniture does not warrant the matching of color, grain or texture. This warranty does not apply to: normal wear and tear, damages resulting from shipment, storage, alteration, misuse of the product or failure to provide proper care as well as reasonable and necessary maintenance or damage caused during product installation or reconfiguration. Additionally, all custom products are expressly excluded from this warranty. This expressed warranty is exclusive of all other warranties, expressed or implied, including without limitation any implied warranty of merchantability or fitness at our option, the replacement or repair of defective products. Authorization must be approved from Fixtures Furniture in writing prior to incurring any repair charges. All incidental or consequential damages which may arise, including, but not limited to, business losses, personal damage and third party liability are hereby expressly excluded. Fixtures Furniture shall not be liable for consequential, economic or incidental damages arising from any product defect. All custom products are excluded from this warranty.
