PRODUCT INFORMATION

Quadra
Single table.

Frame consists of rectangular legs with a four-sided top frame of solid beech. With functional gap between table top and top frame to accept accessories and table linkage. The system consists of basic and add-on tables as well as hanging leaves. Table is fitted with floor-levelling screws.
Table top of either melamine-resin or linoleum laminated LIGNOpal chipboard with glued-on (KU) plastic or (BU) beech edges, alternatively with solid beech profile. All versions with square corners.
Following materials are available: Frame = H1; Top LIGNOpal plastic/beech = L3,4,10.
Further models illustrated on this page: Spessart-2-R.
