Click Here	June 2024	118, 125, 134, 139, 141, 146, 147, 149, 150, 151	**Update** – Various Ergotron product obsoletions added to the Price List Pages.

This Haworth North American price book contains US list prices.
Canadian customers can convert the US list price into their Canadian equivalent by going to **www.Haworth.com/Canada** to find the current Canadian multipliers. These multiplier factors allow you to convert the US list price into a Canadian list price.

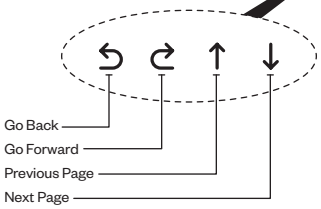
Haworth Price List Overview

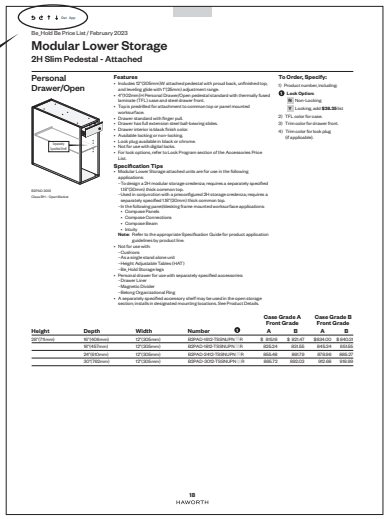
Tips for Using Haworth Price Books

The following overview explains how information is organized within the Accessories price book (includes Ergotron®, Planes®, Reed Premier™, Brazo®, LIM®, Pip™, Planes®, PREMISE®, UniGroup®, Compose®, Belong™ and PLACES®).

Navigation Links

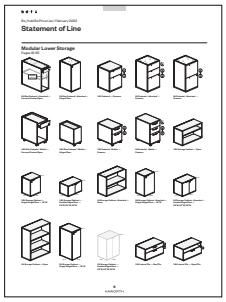
Use the links to jump back and forth to relevant pages.



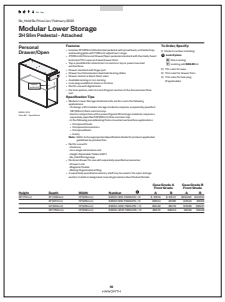


Haworth Price Books are organized into the following sections:

Price List Section

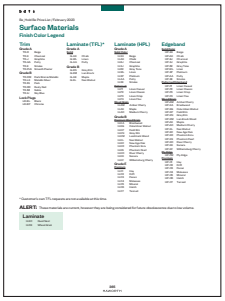


Statement of Line
Provides a visual overview of the product offering.

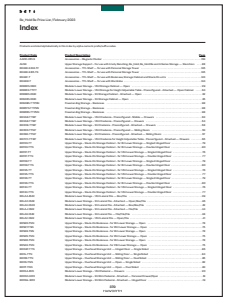


Price List
Includes product features, specification tips, catalog numbers and list pricing.

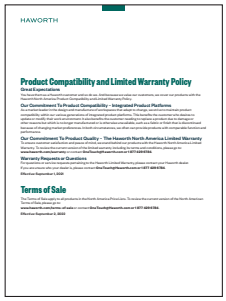
Resources Section



Finishes and Fabrics
Lists available product finishes and fabrics.



Index
Lists products alphabetically by catalog number.



Warranty and Terms of Sale
Provides warranty information and general terms.

Electrical Components

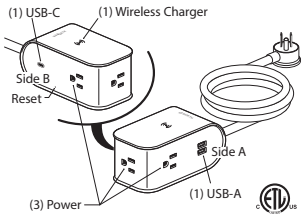
Belong

Power Cube

Number	Price
EUC4-BIN1-31100YN	$349.07



EUC4

Features

- Includes one power module with three 120V receptacles (NEMA 5-15R), one dual USB-A charging port, one USB-C charging port, one wireless charger, and 9'(2743mm) hinged braided power cord with low profile plug (NEMA 5-15P).
- Can be freestanding on worksurface or be used with appropriate mounting bracket.
- 10W wireless charger on top of cube.
- USB-A and USB-C share 15W charging capability.
- USB-A provides two ports.
- USB-C provides one port for fast charge for a mobile phone.
- Power Cube has non-slip pad on bottom.

Specification Tips

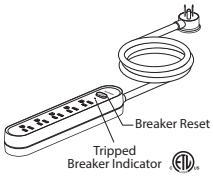
- Available in charcoal TR-K or snow TR-FM.
- Brackets (EUCB) are optional and can be separately specified.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
2) Trim color.
   TR-K Charcoal
   TR-FM Snow

Plug Strip

Number	Price
EUR1-BIN1-50000	$85.84



EUR1

Features

- Includes one plug strip with five 120V receptacles (NEMA 5-15R), circuit breaker, and 9'(2743mm) braided power cord with low profile plug (NEMA 5-15P).
- Plug Strip can mount in wire management tray or mount directly to the underside of the worksurface without additional bracket.
- Plug Strip has keyhole slots for mounting below worksurface.
- UL 962A listed Furniture Power Distribution Unit.

Specification Tips

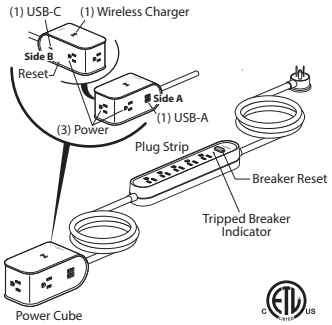
- Available in charcoal TR-K or snow TR-FM.
- Recommended for 23"(584mm) deep surfaces which cannot accommodate a wire management tray.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
2) Trim color.
   TR-K Charcoal
   TR-FM Snow

Power Suite

Number	Price
EUB5-BIN1-81100YN	$406.30



EUB5

Features

- Includes one power module with three 120V receptacles (NEMA 5-15R), one dual USB-A charging port, one USB-C charging port, one wireless charger, one connected plug strip with five 120V receptacles (NEMA 5-15R), circuit breaker, and 9'(2743mm) hinged braided power cord with low profile plug (NEMA 5-15P).
- Cord connecting plug strip to power cube is 4'(1219mm).
- Power Cube can be freestanding on worksurface or be used with appropriate mounting bracket. Plug strip can mount in wire management tray or mount directly to the underside of the worksurface without additional bracket.
- 10W wireless charger on top of cube.
- USB-A and USB-C share 15W charging capability.
- USB-A provides two ports.
- USB-C provides one port for fast charge for a mobile phone.
- Power Cube has non-slip pad on bottom.
- Plug Strip has keyhole slots for mounting below worksurface.
- Circuit breaker has a reset indicator light.

Specification Tips

- Available in charcoal TR-K or snow TR-FM.
- Plug Strip designed to be mounted below worksurface for long term connection. Power Cube is mounted above the surface for a convenient power option.
- Recommended for 23"(584mm) deep surfaces which cannot accommodate a wire management tray.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
2) Trim color.
   TR-K Charcoal
   TR-FM Snow

60″(1524mm)	EUWT-0860-P	**275.42**	**291.42**

Features

- Includes one metal tray and four attachment brackets with thumb tabs to assist with opening tray.
- Tray flips down to provide access to power and data cords. It can be accessed by the back or the user side.
- Belong Plug Strip can be mounted into the tray.
- Tray can accept both the 1″(25mm) and 2″(51mm) Cuffs. Reverse tray for correct opening.

Specification Tips

- Tray width must be undersized due to the understructure of the table. See Wire Management Tray General Specifications application details.
- Not designed to be used on 23″(584mm) deep tables or worksurfaces due to knee clearance.
- 1.5H storage placed under a fixed worksurface will not have enough clearance for a Wire Management Tray.
- Not designed for use on Flip Top Tables (Planes or Jive).
- Product is available in all standard trim colors.

To Order, Specify:

1) Product number.
2) Trim color.

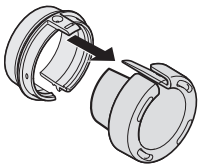
Cord Management Cuff



EUAC

Description	Number	Price
1″(25mm) Bag of 50	EUAC-0001-C	**$200.29**
2″(51mm) Bag of 26	EUAC-0002-C	**160.23**

Features

- Includes one bag of 26 - 2″(51mm) Cuffs or one bag of 50 - 1″(25mm) Cuffs.
- Product is applied to both ends of the separately specified Mesh Cord Manager and one end snaps into the Belong Wire Management Tray.

Specification Tips

- The size of the cuff aligns with the size of the Mesh Cord Wire Manager used.
- The Wire Management Tray can accept both the 1″(25mm) and 2″(51mm) cuff.
- Split cuff allows side insertion of cord or cable less than .5″(13mm) diameter. The shape or size of plug does not impede installation of cuff over cord cables.
- Available in charcoal TR-K only.
- Loom Insertion Tool Epart 2442-4401 is recommended for easier installation.

To Order, Specify:

1) Product number.
(No finish specification required.)

		Black	EUAW-5002-NB	**887.28**

Features

- Includes one bag of 26 - 2″(51mm) Cuffs or one bag of 50 - 1″(25mm) Cuffs and Cord Manager.
- Product is applied to both ends of the Mesh Cord Manager and one end snaps into the Belong Wire Management Tray.

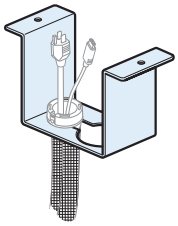
Specification Tips

- The size of the Cuff aligns with the size of the Mesh Cord Wire Manager used.
- The Wire Management Tray can accept both the 1″(25mm) and 2″(51mm) Cuff.
- Available in grey, white or black.
- Loom Insertion Tool Epart 24424401 is recommended for easier installation.

To Order, Specify:

1) Product number.
(No finish specification required.)

Mesh Cord Manager Bracket



EUEA-CABR

EUEA-CABR	**$46.00**

Features

- Includes bracket and attachment hardware.
- Standard in black.

Specification Tips

- Designed to attach to the underside of a worksurface.
- For use with both 1″(25mm) and 2″(51mm) mesh cord manager with cuff.

To Order, Specify:

1) Product number.
(No finish specification required.)

	3	EUET-00A8-4M3N3NL	**292.77**
	4	EUET-00A8-4M3N4NL	**292.77**

Features

- Includes Power Tap housing with three 15A receptacle outlets (NEMA 5-15R) with 0.375″(10mm) conduit and Power Base connector.
- **Power Base connector is used to connect to PDA.**
- Power Tap housing with receptacles available in charcoal or graphite finish; conduit standard in black only.
- Field installed.

Specification Tips:

- Specify conduit length, circuit configuration and circuit access with Power Base connector.
- Specify mounting bracket separately.
  - –Fixed Bracket with three patch cord holder mounts Power Tap to edge of worksurface with mounting screws. **Horizontal Power Tap required.**
  - –Adjustable bracket mounts Power Tap to edge of worksurface with thumb screws for ease of relocation. **Horizontal Power Tap required.**
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.
- Do not mix 3-circuit and 6-circuit with 4-circuit components. Do not mix 2+2 and 3+1 components. Components have unique polarity key and color coding (3-circuit=black, 6-circuit=ivory, 2+2=blue and 3+1=green).

To Order, Specify:

1) Product number.
2) Trim color.

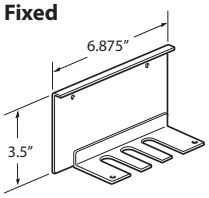
	Description	Number	Trim A	Trim B
Power Tap Bracket — Fixed	Fixed	ZUAP-0000-PFD	**$65.52**	**74.91**



ZUAP-0000-PFD

Features

- Includes one Power Tap mounting bracket and mounting hardware.
- Fixed Bracket mounts Power Tap to edge of worksurface with mounting screws.
- Fixed bracket accommodates three patch cords.
- **Horizontal Power Tap required.**

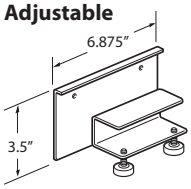
Specification Tips

- **ccommodates 1.18″(30mm) thick tops with clear space below.**
- Power Tap applications should be reviewed by local authorities (electrical inspector) prior to ordering due to varying local codes.
- **Not compatible with the Power Tap-Corded shipped prior to July 2013.**

To Order, Specify:

1) Product number.
2) Trim color.

Power Tap Bracket — Adjustable	Adjustable	ZUAP-0000-PAN	**$82.36**	**91.75**



ZUAP-0000-PAN

Features

- Includes one Power Tap mounting bracket and mounting hardware.
- Adjustable bracket mounts Power Tap to back edge of worksurface with thumb screws for ease of relocation.
- **Horizontal Power Tap required.**

Specification Tips

- **Accommodates 1.18″(30mm) thick tops with clear space below.**
- Adjustable Power Tap Bracket may interfere with Screen application.
- Power Tap applications should be reviewed by local authorities (electrical inspector) prior to ordering due to varying local codes.
- **Not compatible with the Power Tap-Corded shipped prior to July 2013.**

To Order, Specify:

1) Product number.
2) Trim color.

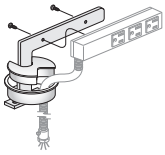
Power Tap Bracket with Grommet	Fixed Grommet — Horizontal	ZUAP-0000-PGH	**$147.88**	**$157.27**
	Fixed Grommet — Vertical	ZUAP-0000-PGV	**147.88**	**157.27**



ZUAP-0000-PGH

Features

- Includes one Power Tap bracket, grommet with cover and mounting hardware.
- Horizontal bracket mounts to top through field installed grommet. Horizontal Power Tap required.
- Vertical bracket mounts to top through field installed grommet. Vertical Power Tap required.

Specification Tips

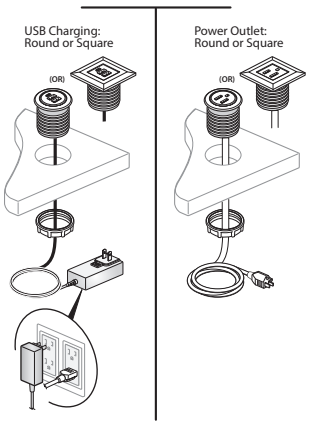
- **Accommodates 1.18″(30mm) thick tops with clear space below.**
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.
- Power Tab Bracket with grommet can only be used with 3-Circuit, 4-Circuit and Hardwired power taps.

To Order, Specify:

1) Product number.
2) Trim color.

Electrical Components

Bezel Utility Module



EURT-0072-1100
EURT-0072-1010

Features

- Includes: Either a round or square faced Power Module and mounting hardware.
- For use on surfaces 0.75″(19mm) - 1.44″(37mm) thick.
- Available with either:
  - –One power outlet (NEMA 5-15R)
  - –One two port USB charger. Consists of two USB outlets with 1000mA of charging power (5 volts) per USB outlet.
  - –One data/video jack
- Available in black or supplier white only.

Specification Tips

- For use with 120 volt 60 hertz power source only.
- Power configuration has one cord with plug (NEMA 5-15P).
- USB configuration has one cord with 2″(51mm) x 1″(25mm) x 3″(76mm) voltage transformer plug. Transformer may block adjacent outlets (see illustration).
- Data jacks and AV cables field supplied.
- Data jack adapters accommodate most varieties of field supplied data jacks or separately specified AV cables.
- Requires field cut 1.75″(44mm) hole and field installation.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installing.

To Order, Specify:

1) Product number, including:

❶ Shape:

- **S** Square
- **C** Round

120″(3048mm)	VGA	Black	EUDX-3000-B	**$ 60.01**
	VGA	White	EUDX-3000-W	**60.01**

Features

- Includes one black HDMI Coupler, one VGA cable or one 3.5mm mini audio cable.
- Installs in an open data port in one of the following products:
  - –Flip Top Unit
  - –Double Sided Flip Top Unit
  - –Quick Connect Power
  - –Flush Mount Module
  - –Enhanced Power Module
  - –Data Bezel

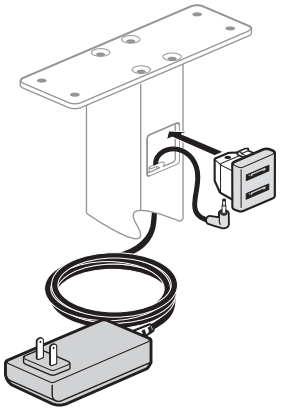
Specification Tips

- Provides communication between components: i.e. laptop, processor, monitor, etc.
- HDMI transmits digital video signals.
- VGA transmits analog video signals without audio.

To Order, Specify:

1) Product number.
   (No finish specification required.)

Retrofit USB Charging Cable



EUDX-U000-B

72″(1829mm)		Black	EUDX-U000-B	**$197.38**
		White	EUDX-U000-W	**197.38**

Features

- Includes one USB charging simplex (with two USB outlets) with 72″(1829mm) cord and power supply.
- Installs in an open data port in one of the following products:
  - –Flip Top Unit
  - –Double Sided Flip Top Unit
  - –Quick Connect Power
  - –Flush Mount Module
  - –Enhanced Power Module
- USB Charging Port consists of 2 USB outlets. 1,000mA of charging power per USB outlet.

Classic Power Module

EUF1

Features

- Includes power module with 3 or 4 ports configured with simplex outlets (NEMA-5-15R), USB charging port (with two USB outlets).
- Corded power module with 15 amp - 6′(1829mm) or 10′(3048mm) long cord with plug (NEMA 5-15P).
- USB Charging Port consists of two 5V USB 2.0 style A outlets, each with 10.5W (2.1Amp) charging capacity.
- Attaches to surface with separately specified mounting brackets.
- Color option of black or white front.

Specification Tips

- Not for use with tackboards.
- Configuration and quantity of power and USB ports cannot be modified in the field.
- For use with 120 volt 60 hertz power source only.
- Requires field installation.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.
- Separately specified:
  –Mounting Bracket

To Order, Specify:

Electrical Components

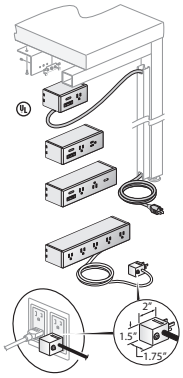
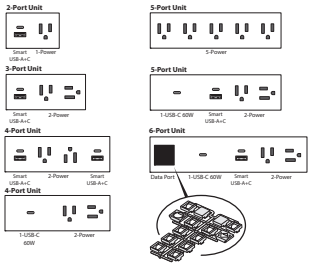
Enhanced Power Module — Seamless

Enhanced Power Module — Seamless





EUS1-PF0B
EUS1-PF0W
EUS1-HL0B
EUS1-HL0W

Features

- Includes power module with 2, 3, 4, 5 or 6 ports configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C) or data ports and mounting hardware.
- Power Modules specified with a data port includes a variety of data port adapters and blank covers, which accommodate most varieties of field supplied data/AV Jacks.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Corded power module with 15 amp - 6'(1829mm) or 12'(3658mm) long cord with plug (NEMA 5-15P).
- Hardwire power module with 12'(3658mm) flexible galvanized metal conduit with fitting for 0.5"(13mm) knockout and wires for hardwire connection.
- USB-C 60W charging ports not available for hardwire.
- Smart USB-A+C can provide fast charge for a mobile phone and tablets. Occupies one charging port.
- USB-C 60W can charge a computer. Occupies two charging ports.
- Attaches to surface with separately specified mounting brackets.
- Enhanced Power Module Bracket EUDB-0000-B_ for perimeter edge power.
- Color option of black or white plastic front.

Specification Tips

- Configuration and quantity of power and data ports cannot be modified in the field.
- For use with 120 volt 60 hertz power source only.
- Requires field installation.
- Specify AV cables separately.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.
- Separately specified:
  –Mounting Bracket
  –Horizontal and Vertical Wire Management

To Order, Specify:

1) Product number.
   (No finish specification required.)

Enhanced Power Module — Corded

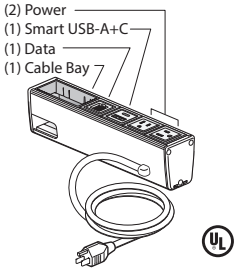
3-Port:
(2) Power
(1) Smart USB-A+C

EUD1-PF0B-2010

4-Port:
(2) Power
(1) Smart USB-A+C
(1) Data

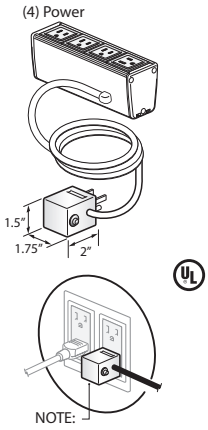
EUD1-PF0B-2110

6-Port:
(2) Power
(1) Smart USB-A+C
(1) Data
(1) Cable Bay



EUD1-PF0B-2112

4-Port:
(4) Power



NOTE:
Always Circuit Breaker Plug when more than 3 power outlets specified.

EUD1-PF0B-4000

Features

- Includes power module with 3, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C), data ports or cable bay(s) that can accept up to two pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Attaches to surface with use of separately specified mounting brackets.
- Corded power module available with 15 amp - 6'(1829mm) or 12'(3658mm) long cord with plug (NEMA 5-15P).
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Color option of black anodized housing with black receptacles or clear anodized housing with white receptacles.

Specification Tips

- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Separately specify attachment hardware for desired application.
- Requires field installation.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3"(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
(No finish specification required.)

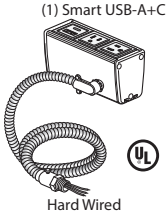
Enhanced Power Module — Hardwire

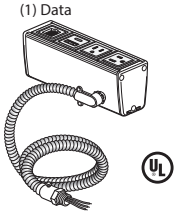
3-Port:
(2) Power
(1) Smart USB-A+C



Hard Wired

EUD1-HF0B-2010

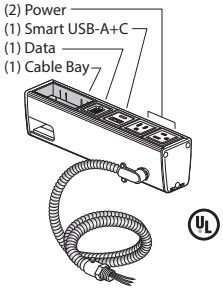
4-Port:
(2) Power
(1) Smart USB-A+C
(1) Data



Hard Wired

EUD1-HF0B-2110

6-Port:
(2) Power
(1) Smart USB-A+C
(1) Data
(1) Cable Bay



Hard Wired

EUD1-HF0B-2112

Features

- Includes power module with 3, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C) , data ports or cable bay(s) that can accept up to two pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Attaches to surface with use of separately specified mounting brackets.
- Hardwired power module with 6′(1829mm) or 12′(3658mm) long flexible metal conduit feed, 0.5″(13mm) conduit fitting and wires for hardwire connection.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Color option of black anodized housing with black receptacles or clear anodized housing with white receptacles.

Specification Tips

- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Separately specify attachment hardware for desired application.
- Requires field installation.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

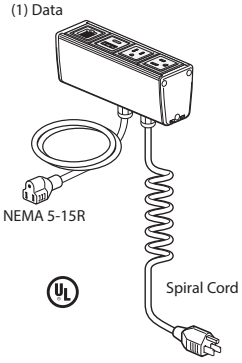
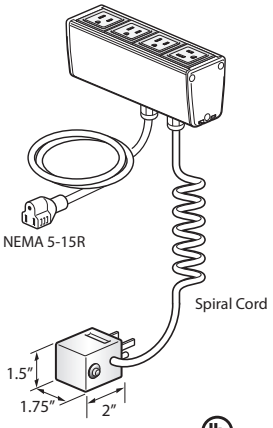
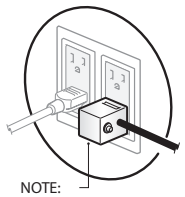
4-Port:
(2) Power
(1) Smart USB-A+C
(1) Data



EUD1-SF0B-2110

4-Port:
(4) Power





NOTE:
Always Circuit Breaker Plug when more than 3 power outlets specified.

EUD1-SF0B-4000

Features

- Includes power module with 3, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C) , data ports or cable bay(s) that can accept up to two pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Spiral Cord includes 15 amp plug (NEMA 5-15P) and expands to 12′(3658mm) when stretched.
- Auxiliary 24″(610mm) power cord with NEMA 5-15R used to provide power to table motor controller.
- Attaches to surface with use of separately specified mounting brackets.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Color option of black anodized housing with black receptacles or clear anodized housing with white receptacles.

Specification Tips

- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- **For use with:**
  - **Planes or Planes LT Model Height Adjustable Tables**
  - **Planes or Planes LT Model Height Adjustable Bench**
  - **Upside+ or Upside Model Height Adjustable Tables**
- Separately specify attachment hardware for desired application.
- Not for use with cable chain.
- Requires field installation.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

EUDB-0000-T

Features
- Includes bracket and mounting hardware.
- For use with 3, 4 or 6 port Enhanced Power Module and 2-6 port Seamless Enhanced Power Modules.
- Available in black or white.
- Mounts to back edge of 1.18″(30mm) to 2″(51mm) worktop when a tackboard or slat, glass, laminate or veneer tile is present.

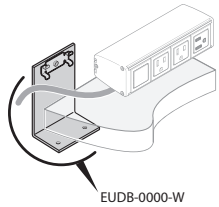
Specification Tips
- Specify Enhanced Power Module separately.
- Requires field installation.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

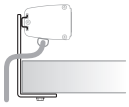
1) Product number.
(No finish specification required.)

Above Worksurface – Fixed

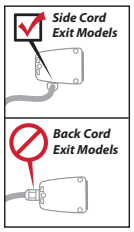
4.25″(107mm)	3″(76mm)	2″(51mm)	Black Bracket	EUDB-0000-WB	**$89.96**
			White Bracket	EUDB-0000-WW	**89.96**



EUDB-0000-W



Side View Detail



EUDB-0000-W

Features
- Includes bracket and mounting hardware.
- For use with 3, 4 or 6 port Enhanced Power Module and 2-6 port Seamless Enhanced Power Modules.
- Available in black or white.
- Mounts under worksurface with Enhanced Power Module above worksurface.

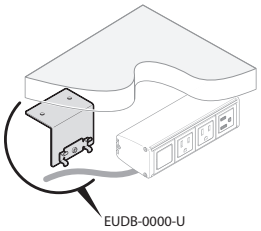
Specification Tips
- Designed to be used with 1.18″ (30mm) thick surfaces with clear space below.
- Specify Enhanced Power Module separately.
- Requires field installation.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
(No finish specification required.)

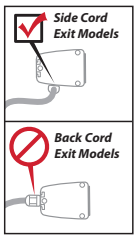
Under Worksurface – Fixed

2″(51mm)	3″(76mm)	2.5″(64mm)	Black Bracket	EUDB-0000-UB	**$89.96**
			White Bracket	EUDB-0000-UW	**89.96**



EUDB-0000-U

Side View Detail



EUDB-0000-U

Features
- Includes bracket and mounting hardware.
- For use with 3, 4 or 6 port Enhanced Power Module and 2-6 port Seamless Enhanced Power Modules.
- Available in black or white.
- Mounts under worksurface with offset to accommodate most transformer plugs.

Specification Tips
- Designed to be used with 1.18″(30mm) thick surfaces with clear space below.
- Specify Enhanced Power Module separately.
- Requires field installation.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
(No finish specification required.)

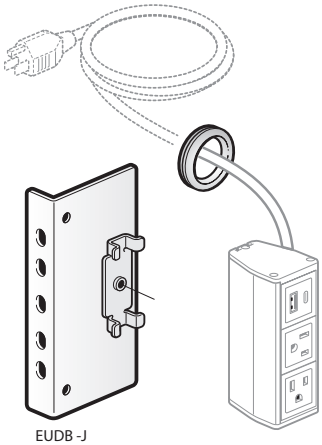
				White	EUDB-0000-JW	**$89.96**



EUDB -J

Features

- Includes bracket, grommet and mounting hardware.
- Field installed.

Specification Tips

- Bracket designed to be used with Enhanced Power Module only.
- Designed to be used in X Series open storage cavities of lockers, group lockers, cubby lockers and combination units.
- Cannot be used in drawers or personal storage towers.
- A 1.25″(32mm) diameter Greenlee punch is recommended to punch the power hole through the back of our products (lockers).
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.

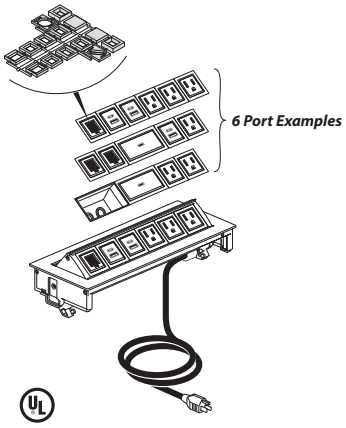
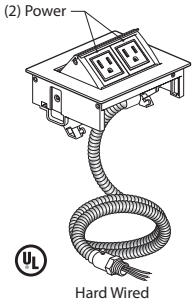
Flip Top Unit with Smooth Bezel – Corded – Single-Sided

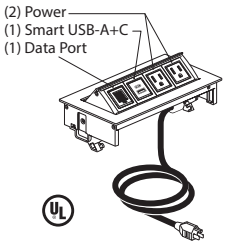
Power, Data and USB



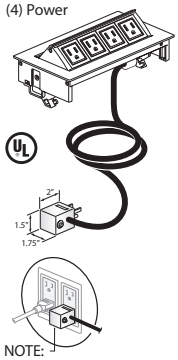
EUC1-PF0P-311010



EUC1-PF0P-200000



EUC1-PF0P-210010



NOTE:
Always Circuit Breaker Plug when more than three power outlets specified.

EUC1-PF0P-400000

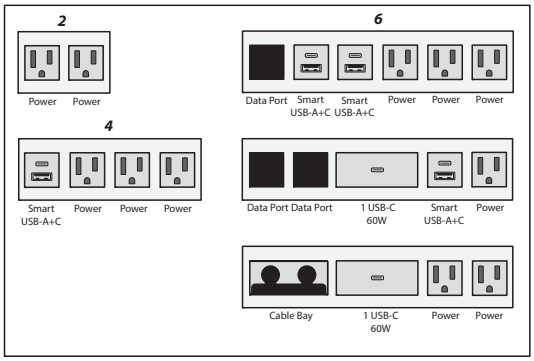
Features

- Includes flip top with smooth bezel module with 2, 4, or 6 ports configured with simplex outlets (NEMA 5-15R), USB charging port (USB-C 60W, Smart USB-A+C), data port(s) or cable bay, and mounting hardware.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Data jack adapters accommodate most varieties of field supplied data jacks or separately specified AV cables. Occupies one port.
- Each cable bay can accept up to two pull out data/AV cables. Occupies two ports.
- Smart USB-A+C can provide fast charge for a mobile phone and tablets. Occupies one charging port.
- USB-C 60W can charge phone, tablets and some laptops. Occupies two ports.
- Smooth bezel is painted and features non mitered corners.
- Port color is either black or white based on smooth bezel color.
- Flip top unit is flush mounted with spring release cover.
- Flip top unit overall height is 2.75″(70mm) and will extend below the table top.
- Corded power module available with 15 amp - 6′(1829mm) or 10′(3048mm) long cord with plug (NEMA 5-15P).
- Ships assembled.

Specification Tips

- Designed to be used with 1.18″(30mm) and 2″(51mm) thick surfaces with clear space below.
- **Configuration and quantity of ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Requires field installation.
- Specify factory cut hole or field cut hole as required.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Corded flip top units with four or more receptacles utilize a circuit breaker plug that may block adjacent building receptacle outlet.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

2, 4, and 6 Port Examples



To Order, Specify:

1) Product number.
2) Finish color for Bezel/Port.
   TR-PM1 Silver/White
   TR-PM2 Midnight Black/Black
   TR-PM8 Matte White/White
   TR-PM9 Matte Grey/Black

Note: Order flip top units to match flip top unit cutout option specified for each top (A/B, F/V or J/K).

Electrical Components

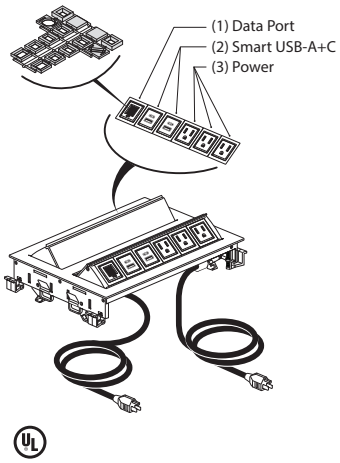
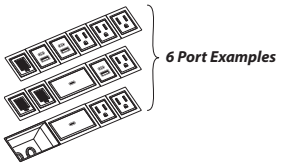
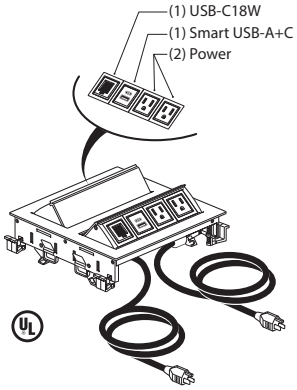
Flip Top Unit with Smooth Bezel — Corded — Double-Sided

Power, Data and USB

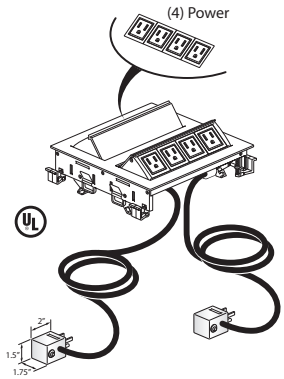




EUC2-PF0P-311010



EUC2-PF0P-210010



NOTE:
Always Circuit Breaker Plug when more than three power outlets specified.

EUC2-PF0P-400000

Features

- Includes double flip top with smooth bezel module with 2, 4, or 6 ports configured with simplex outlets (NEMA 5-15R), USB charging port (USB-C 60W, Smart USB-A+C), data port(s) or cable bay, and mounting hardware.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Data jack adapters accommodate most varieties of field supplied data jacks or separately specified AV cables. Occupies one port.
- Each cable bay can accept up to two pull out data/AV cables. Occupies two ports.
- Smart USB-A+C can provide fast charge for a mobile phone and tablets. Occupies one charging port.
- USB-C 60W can charge phone, tablets and some laptops. Occupies two ports.
- Smooth bezel is painted and features non mitered corners.
- Port color is either black or white based on smooth bezel color.
- Flip top unit is flush mounted with spring release cover.
- Flip top unit overall height is 2.75″(70mm) and will extend below the table top.
- Corded power module available with two 15 amp - 6′(1829mm) or 10′(3048mm) long cord with plug (NEMA 5-15P).
- Ships assembled.

Specification Tips

- Designed to be used with 1.18″(30mm) and 2″(51mm) thick surfaces with clear space below.
- **Configuration and quantity of ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Requires field installation.
- Specify factory cut hole or field cut hole as required.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Corded flip top units with four receptacles utilize a circuit breaker plug that may block adjacent building receptacle outlet.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

Note: Two cord feeds are provided from the double-sided flip top unit.

To Order, Specify:

1) Product number.
2) Finish color for Bezel/Port.
   TR-PM1 Silver/White
   TR-PM2 Midnight Black/Black
   TR-PM8 Matte White/White
   TR-PM9 Matte Grey/Black

Note: Order flip top units to match flip top unit cutout option specified for each top (M/P or Q/T).

Electrical Components

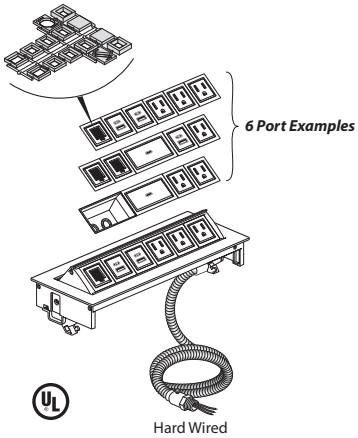
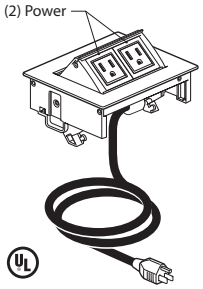
Flip Top Unit with Smooth Bezel — Hardwire — Single-Sided

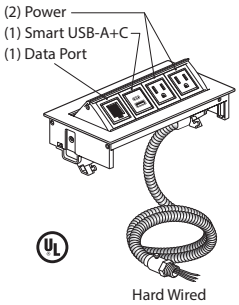
Power, Data and USB



EUC1-HF0P-311010



EUC1-HF0P-200000



EUC1-HF0P-210010

Features

- Includes flip top with smooth bezel module with 2, 4, or 6 ports configured with simplex outlets (NEMA 5-15R), USB charging port (USB-A, USB-C 60W, Smart USB-A+C), data port(s) or cable bay, and mounting hardware.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Data jack adapters accommodate most varieties of field supplied data jacks or separately specified AV cables. Occupies one port.
- Each cable bay can accept up to two pull out data/AV cables. Occupies two ports.
- Smart USB-A+C can provide fast charge for a mobile phone and tablets. Occupies one charging port.
- USB-C 60W can charge phone, tablets and some laptops. Occupies two ports.
- Smooth bezel is painted and features non mitered corners.
- Port color is either black or white based on smooth bezel color.
- Flip top unit is flush mounted with spring release cover.
- Flip top unit overall height is 2.75”(70mm) and will extend below the table top.
- Hardwired power module with 6’(1829mm) or 10’(3048mm) long flexible metal conduit feed, 0.5”(13mm) conduit fitting and wires for hardwire connection.
- Ships assembled.

Specification Tips

- Designed to be used with 1.18”(30mm) and 2”(51mm) thick surfaces with clear space below.
- **Configuration and quantity of ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Requires field installation.
- Specify factory cut hole or field cut hole as required.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3”(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
2) Finish color for Bezel/Port.
   TR-PM1 Silver/White
   TR-PM2 Midnight Black/Black
   TR-PM8 Matte White/White
   TR-PM9 Matte Grey/Black

Note: Order flip top units to match flip top unit cutout option specified for each top (A/B, F/V or J/K).

Electrical Components

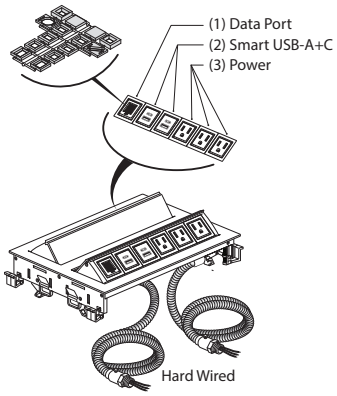
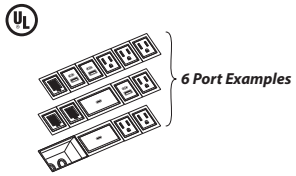
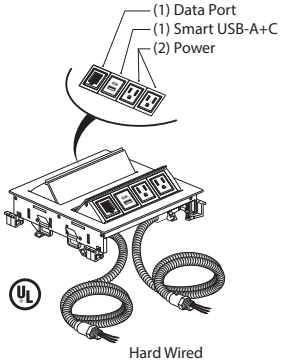
Flip Top Unit with Smooth Bezel — Hardwire — Double-Sided

Power, Data and USB





EUC2-HF0P-311010



EUC2-HF0P-210010

Features

- Includes double flip top with smooth bezel module with 2, 4, or 6 ports configured with simplex outlets (NEMA 5-15R), USB charging port (USB-C 60W, Smart USB-A+C), data port(s) or cable bay, and mounting hardware.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Data jack adapters accommodate most varieties of field supplied data jacks or separately specified AV cables. Occupies one port.
- Each cable bay can accept up to two pull out data/AV cables. Occupies two ports.
- USB-A provides two 10W charging ports. Occupies one port.
- Smart USB-A+C can provide fast charge for a mobile phone and tablets. Occupies one charging port.
- USB-C 60W can charge phone, tablets and some laptops. Occupies two ports.
- Smooth bezel is painted and features non mitered corners.
- Port color is either black or white based on smooth bezel color.
- Flip top unit is flush mounted with spring release cover.
- Flip top unit overall height is 2.75″(70mm) and will extend below the table top.
- Each flip top module within the bezel provided with two 6′(1829mm) or 10′(3048mm) long flexible metal conduit feed, 0.5″(13mm) conduit fitting and wires for hardwire connection.
- Ships assembled.

Specification Tips

- Designed to be used with 1.18″(30mm) and 2″(51mm) thick surfaces with clear space below.
- **Configuration and quantity of ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Note two conduit feeds are provided from the double-sided flip top unit.
- Requires field installation.
- Specify factory cut hole or field cut hole as required.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
2) Finish color for Bezel/Port.
   TR-PM1 Silver/White
   TR-PM2 Midnight Black/Black
   TR-PM8 Matte White/White
   TR-PM9 Matte Grey/Black

Note: Order flip top units to match flip top unit cutout option specified for each top (M/P or Q/V).

Features

- Hardwire flip top unit includes one flip top unit with power outlets and communication openings, mounting clips, 6 foot flexible metal conduit feed with wires for hardwire, multiple data jack adapters to accommodate most varieties of field supplied data jacks, also includes blank data covers.
- Corded flip top unit includes one flip top unit with power outlets and communication openings, 12 foot long – 15-amp cord with plug, mounting clips, multiple data jack adapters to accommodate most varieties of field supplied data jacks, also includes blank data covers.
- Flip top unit is flush mounted with spring release cover.
- Flip top unit overall height is 2.75"(70mm) and will extend below the table tops.
- Standard in anodized finish.
- Ships assembled.

Specification Tips

- Designed to be used with 1.18"(30mm) and 2"(51mm) thick surfaces with clear space below.
- **For use with 120 volt 60 hertz power source only.**
- Flip top unit plug-in cord drops down from bottom of unit to plug into external power outlet.
- Flip top unit must be field installed on worksurfaces by field cutting hole.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

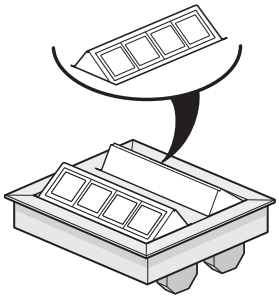
EUE1-000B



EUE2-000B

Features

- Includes bezel and nonpowered flip top module with 2, 4 or 6 ports that can be configured with data ports or cable bays and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Each Cable Bay can accept up to 2 pull out data/AV cables
- Flip top unit is flush mounted with spring release flip module(s).
- Flip top unit overall height is 2.75″(70mm) and will extend below the table tops.
- Color option of black anodized housing with black receptacles or clear anodized housing with white receptacles.
- Ships assembled.

Specification Tips

- Designed to be used with 1.18″(30mm) and 2″(51mm) thick surfaces with clear space below.
- **Configuration and quantity of power and data ports cannot be modified in the field.**
- Requires field installation.
- Specify factory cut hole or field cut hole as required.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

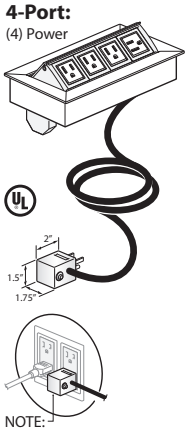
EUE1-PF0B-1212

4-Port:

(4) Power



NOTE:
Always Circuit Breaker Plug when more than three power outlets specified.

EUE1-PF0B-4000

Features

- Includes bezel and flip top module with 2, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C), data ports or cable bay(s) that can accept up to 2 pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Corded power module available with 15 amp - 6'(1829mm) or 12'(3658mm) long cord with plug (NEMA 5-15P).
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Flip top unit is flush mounted with spring release flip module.
- Flip top unit overall height is 2.75"(70mm) and will extend below the table tops.
- Color option of black anodized housing with black receptacles or clear anodized housing with white receptacles.
- Ships assembled.

Specification Tips

- Designed to be used with 1.18"(30mm) and 2"(51mm) thick surfaces with clear space below.
- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Requires field installation.
- Specify factory cut hole or field cut hole as required.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3"(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

Note: Order flip top units to match flip top unit cutout option specified for each top (A/B, F/V or J/K).

Electrical Components

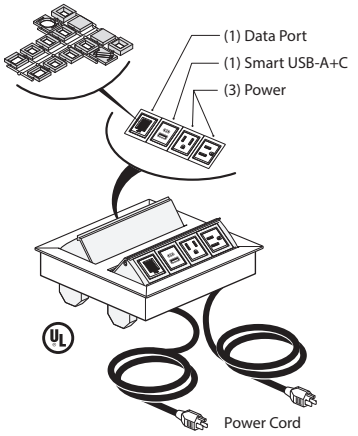
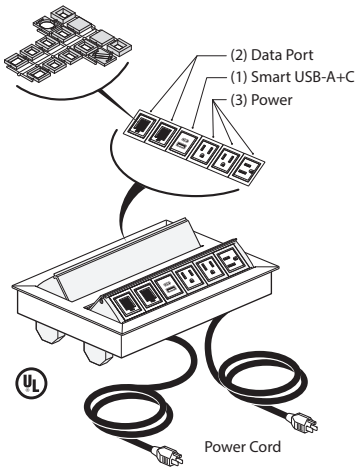
Flip Top Unit — Corded — Double-Sided

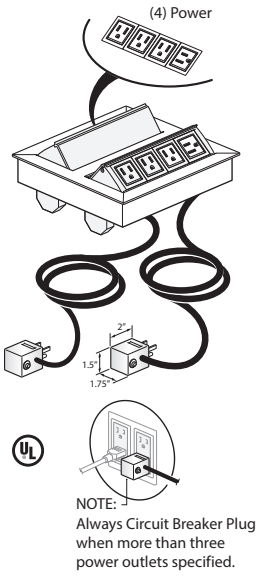
Power, Data and USB



EUE2-PF0B-2110



EUE2-PF0B-1212



EUE2-PF0B-4000

Features

- Includes bezel and two flip top modules, each flip top module with 2, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C) data ports or cable bay(s) that can accept up to 2 pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Each flip top module within the bezel provided with 15 amp - 6′(1829mm) or 12′(3658mm) long cord with plug (NEMA5-15P).
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Flip top unit is flush mounted with spring release flip module.
- Flip top unit overall height is 2.75″(70mm) and will extend below the table tops.
- Color option of black anodized housing with black receptacles or clear anodized housing with white receptacles.
- Ships assembled.

Specification Tips

- Designed to be used with 1.18″(30mm) and 2″(51mm) thick surfaces with clear space below.
- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Requires field installation.
- Specify factory cut hole or field cut hole as required.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

Note: Two cord feeds are provided from the double-sided flip top unit.

To Order, Specify:

1) Product number.
   (No finish specification required.)

Note: Order flip top units to match flip top unit cutout option specified for each top (M/P or Q/T).

Electrical Components

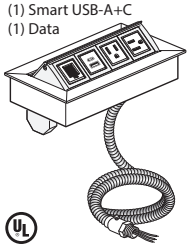
Flip Top Unit — Hardwire — Single-Sided

Power, Data and USB

4-Port:

(2) Power
(1) Smart USB-A+C
(1) Data

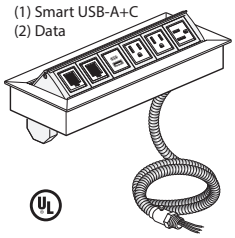


Hard Wired

EUE1-HF0B-2110

6-Port:

(3) Power
(1) Smart USB-A+C
(2) Data



Hard Wired

EUE1-HF0B-1212

Features

- Includes bezel and flip top module with 2, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C), data ports or cable bay(s) that can accept up to 2 pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Hardwired power module with 6′(1829mm) or 12′(3658mm) long flexible metal conduit feed, 0.5″(13mm) conduit fitting and wires for hardwire connection.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Flip top unit is flush mounted with spring release flip module(s).
- Flip top unit overall height is 2.75″(70mm) and will extend below the table tops.
- Color option of black anodized housing with black receptacles or clear anodized housing with white receptacles.

Specification Tips

- Designed to be used with 1.18″(30 mm) and 2″(51mm) thick surfaces with clear space below.
- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Requires field installation.
- Specify factory cut hole or field cut hole as required.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

Note: Order flip top units to match flip top unit cutout option specified for each top (A/B, F/V or J/K).

Electrical Components

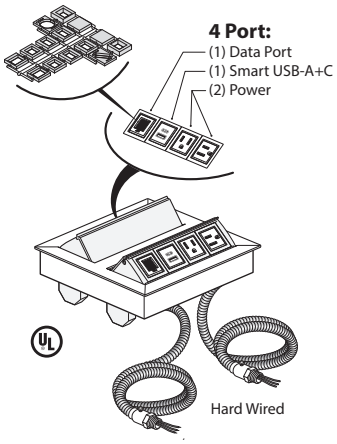
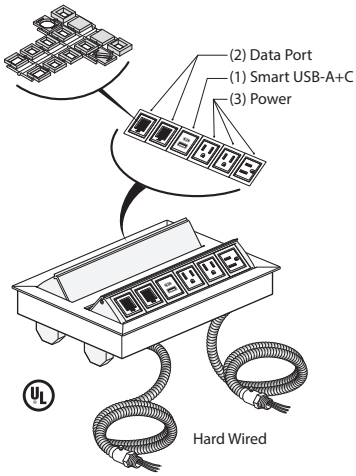
Flip Top Unit — Hardwire — Double-Sided

Power, Data and USB



EUE2-HF0B-2110



EUE2-HF0B-1212

Features

- Includes bezel and two flip top modules, each with 2, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C), data ports or cable bay(s) that can accept up to 2 pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Each flip top module within the bezel provided with 6′(1829mm) or 12′(3658mm) long flexible metal conduit feed, 0.5″(13mm) conduit fitting and wires for hardwire connection.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Flip top frame is flush mounted with two spring release flip module(s).
- Flip top unit overall height is 2.75″(70mm) and will extend below the table tops.
- Color option of black anodized housing with black receptacles or clear anodized housing with white receptacles.
- Ships assembled.

Specification Tips

- Designed to be used with 1.18″(30mm) and 2″(51mm) thick surfaces with clear space below.
- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Note two conduit feeds are provided from the double-sided flip top unit.
- Requires field installation.
- Specify factory cut hole or field cut hole as required.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

Note: Order flip top units to match flip top unit cutout option specified for each top (M/P or Q/V).

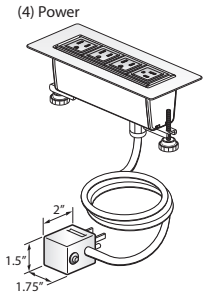
EUB1-PL0B-2112

4-Port:
(4) Power



NOTE:
Always Circuit Breaker Plug when more than 3 power outlets specified.

EUB1-PL0B-4000

Features

- Includes power module with 3, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C), data ports or cable bay(s) that can accept up to two pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Corded power module with 15 amp - 12'(3658mm) long cord with plug (NEMA 5-15P).
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Attaches to surface with use of included mounting brackets.
- Flush Mount has an overall housing depth of 4"(102mm) and will extend into mounting surface.
- Color option of black painted bezel with black receptacles or white painted bezel with white receptacles.

Specification Tips

- Designed to be used with 1.18"(30mm) and 2"(51mm) thick surfaces with clear space below.
- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Requires field installation.
- Requires field cut access hole for power cord/conduit routing.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3"(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

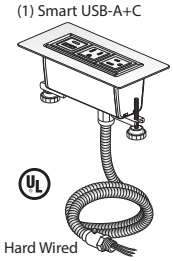
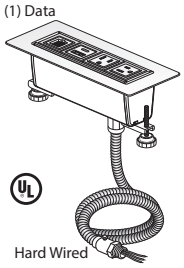
Flush Mounted Power — Hardwire

3-Port:
(2) Power
(1) Smart USB-A+C



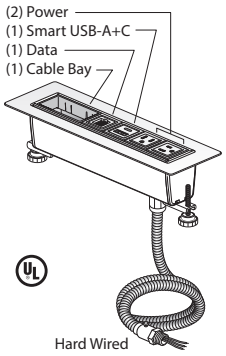
Hard Wired
EUB1-HL0B-2100

4-Port:
(2) Power
(1) Smart USB-A+C
(1) Data



Hard Wired
EUB1-HL0B-2110

6-Port:
(2) Power
(1) Smart USB-A+C
(1) Data
(1) Cable Bay



Hard Wired
EUB1-HL0B-2112

Features

- Includes power module with 3, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C), data ports or cable bay(s) that can accept up to two pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Hardwired power module with 12′(3658mm) long flexible metal conduit feed, 0.5″(13mm) conduit fitting and wires for hardwire connection.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Attaches to surface with use of included mounting brackets.
- Flush Mount has an overall housing depth of 4″(102mm) and will extend into mounting surface.
- Color option of black painted bezel with black receptacles or white painted bezel with white receptacles.

Specification Tips

- Designed to be used with 1.18″(30mm) and 2″(51mm) thick surfaces with clear space below.
- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- Requires field installation.
- Requires field cut access hole for power cord/conduit routing.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

Electrical Components

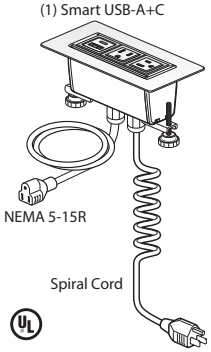
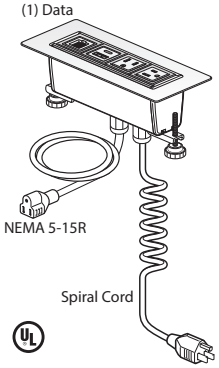
Flush Mounted Power — Spiral Cord for Height Adjustable

3-Port:
(2) Power
(1) Smart USB-A+C



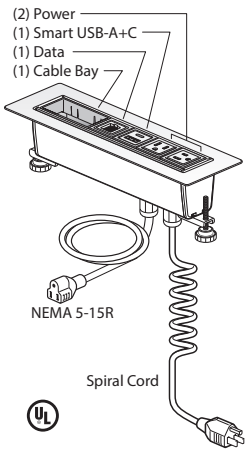
EUB1-SF0B-2100

4-Port:
(2) Power
(1) Smart USB-A+C
(1) Data



EUB1-SF0B-2110

6-Port:
(2) Power
(1) Smart USB-A+C
(1) Data
(1) Cable Bay



EUB1-SF0B-2112

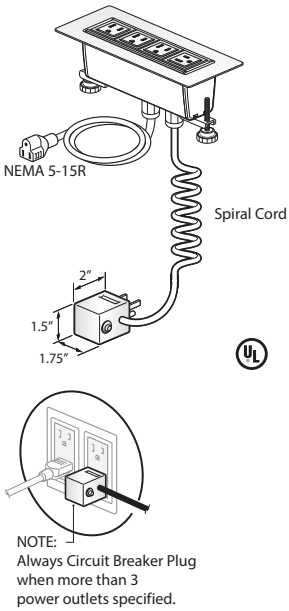
Features

- Includes power module with 3, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C), data ports or cable bay(s) that can accept up to two pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Spiral Cord includes 15 amp plug (NEMA 5-15P) and expands to 12′(3658mm) when stretched.
- Auxiliary 24″(610mm) power cord with NEMA 5-15R used to provide power to table motor controller.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Attaches to surface with use of included mounting brackets.
- Flush Mount has an overall housing depth of 4″(102mm) and will extend into mounting surface.
- Color option of black painted bezel with black receptacles or white painted bezel with white receptacles.

Specification Tips

- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- **For use with Height Adjustable Tables or Benching.**
- Not for use with cable chain.
- Requires field installation.
- Requires field cut access hole for power cord/conduit routing.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3″(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

4-Port:
(4) Power



EUB1-SF0B-4000

To Order, Specify:

1) Product number.
(No finish specification required.)

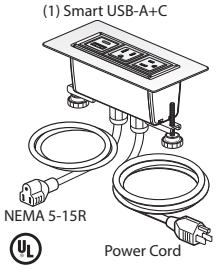
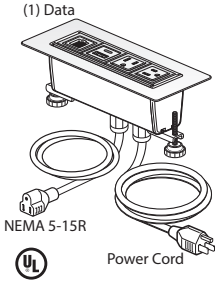
Flush Mounted Power — Cord for Height Adjustable

3-Port:
(2) Power
(1) Smart USB-A+C



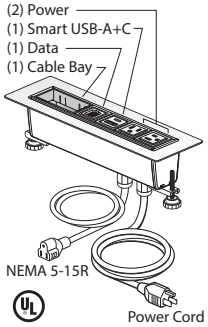
EUB1-SL0B-2100

4-Port:
(2) Power
(1) Smart USB-A+C
(1) Data



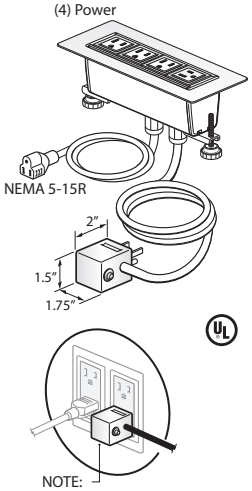
EUB1-SL0B-2110

6-Port:
(2) Power
(1) Smart USB-A+C
(1) Data
(1) Cable Bay



EUB1-SL0B-2112

4-Port:
(4) Power



EUB1-SL0B-4000

Features

- Includes power module with 3, 4 or 6 ports that can be configured with simplex outlets (NEMA-5-15R), USB charging port (Smart USB-A+C), data ports or cable bay(s) that can accept up to two pull out data/AV cables and mounting hardware.
- Data port accommodate most varieties of field supplied data/AV jacks.
- Corded power module with 15 amp - 12'(3658mm) long cord with plug (NEMA 5-15P).
- Auxiliary 24"(610mm) power cord with NEMA 5-15R used to provide power to table motor controller.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Attaches to surface with use of included mounting brackets.
- Flush Mount has an overall housing depth of 4"(102mm) and will extend into mounting surface.
- Color option of black painted bezel with black receptacles or white painted bezel with white receptacles.

Specification Tips

- **Configuration and quantity of power and data ports cannot be modified in the field.**
- **For use with 120 volt 60 hertz power source only.**
- **For use with Height Adjustable Tables or Benching.**
- Designed to be used with cable chain.
- Requires field installation.
- Requires field cut access hole for power cord/conduit routing.
- Specify AV cables separately.
- Cable Bay requires cables less than 0.3"(7.6mm) diameter.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
   (No finish specification required.)

Features

- Includes power module with 2 ports configured with simplex outlets (NEMA-5-15R), USB charging port or data ports and mounting hardware.
- Power Modules specified with a data port includes a variety of data port adapters and blank covers, which accommodate most varieties of field supplied data/AV jacks.
- The Smart USB-A+C allows for the 20W to be transferred between the 2 ports. If the USB-A is being used, the full wattage is sent to the USB-A, and the same for the USB-C. If both are being used, the wattage is distributed to each port and the port drawing the most power will receive more watts than the one that is not.
- Corded power module with 15 amp - 6′(1829mm) or 10′(3048mm) long cord with plug (NEMA 5-15P).
- Hardwire power module with 6′(1829mm) or 10′(3048mm) long flexible galvanized metal conduit.
- Smart USB-A+C can provide fast charge for a mobile phone and tablets. Occupies one charging port.

Specification Tips

- Installs into a 3″ diameter hole into surfaces with a maximum thickness of 1.5″.
- Configuration and quantity of power and data ports cannot be modified in the field.
- For use with 120 volt 60 hertz power source only.
- Requires field installation.
- Specify AV cables separately.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
2) Trim color.
   TR-PM1 Silver
   TR-PM2 Midnight Black
   TR-PM3 Parchment

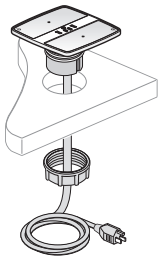
Wireless Charging Module

Wireless Charging Module

EUWC-PFOB-12002



EUWC-PF0B
EUWC-PF0W
EUWC-HL0B
EUWC-HL0W

Features

- Includes power module with simplex outlet (NEMA-15R), two USB charging simplex and two wireless charging pads with soft touch plastic inserts and mounting hardware.
- 5 Watt wireless charging coil.
- Corded power module with 15 amp - 6′(1829mm) or 12′(3658mm) long cord with plug (NEMA 5-15P).
- Hardwired power module with 12′(3658mm) long flexible metal conduit feed, 0.5″(13mm) conduit fitting and wires for hardwire connection.
- USB Charging Port consists of one 5V USB 2.0 style A outlet. 2 Amp (shared) charging capacity.
- Attaches to 1″(25mm) to 1.5″(38mm) thick surface with use of included mounting brackets.
- Color option of black or white plastic face.

Specification Tips

- **Not for use with 2″(51mm) thick tops.**
- Configuration and quantity of power and USB ports cannot be modified in the field.
- For use with 120 volt 60 hertz power source only.
- Requires field installation.
- Requires field cut 3″(76mm) diameter access hole for power cord/conduit routing.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.
- Separately specified:
  –Horizontal and Vertical Wire Management

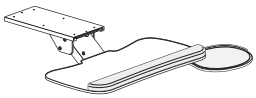
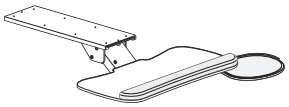
Keyboard Tray with Mouse Pad	11″(279mm) Track	0″ Above/6″ Below	169BK	**$627.97**
	18.5″(457mm) Track	0″ Above/6″ Below	UKMCBK	**631.41**



169BK



UKMCBK

Features

- Includes: Keyboard tray with mouse pad and attachment hardware.
- Keyboard tray includes integrated foam wrist rest.
- Oval mouse extension pivots out from the right side.
- Height adjustment range: Level with to 6″(152mm) below worksurface.
- Tilt adjustment -20°/ +10°
- Pans 360°.
- Available with 11″(279mm) track or 18.5″(470mm) track.
- Weight capacity: 10 lbs.
- Black only.
- TAA Compliant.

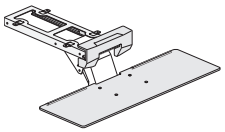
Specification Tips

- Keyboard tray extends 4″(102mm) from front of worksurface when retracted.
- 11″(279mm) or 18.5″(470mm) under surface depth required for track installation.

To Order, Specify:

1) Product number.

Neo-Flex Keyboard Tray	Keyboard Tray	0″ Above/6″ Below	97-582-009	**$336.53**



97-582-009

Features

- Includes: Keyboard tray, arm, desk clamp, slide mechanism and mounting hardware.
- Height adjustment range: Level with to 6″(152mm) below worksurface.
- Tilt adjustment +15°
- Fully retracts under worksurface when not in use.
- 26.9″(683mm)W x 8.9″(226mm)D keyboard trays allows room for keyboard and mouse.
- Weight capacity: 3 lbs.
- Keyboard tray extends approximately 9.25″(235mm) from front of surface.
- 15″(381mm) track.
- Black only.

Specification Tips

- Clamps to front edge of worksurface with clamp and one screw or remove clamp and attach under worksurface with four screws.
- Compatible with surfaces .75″(19mm) - 1.5″(25mm) thick.
- For use on surfaces with minimum depth of 17″.

To Order, Specify:

1) Product number.

Ergotron Monitor Arm Accessories

For use with LX Monitor Arms

	Description	Number	Price
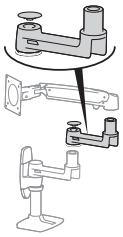
LX Extension	Polished Aluminum	45-289-026	**$97.91**



45-289-026

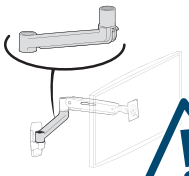
Features
- Includes: One extension.
- Add additional pivot-point for additional flexibility.
- Increases the reach of an LX arm by 9 (229mm).

Specification Tip
- Only one extension to be used per monitor arm.

To Order, Specify:

1) Product number.

LX Sit-to-Stand Extension	Polished Aluminum	45-362-026	**$166.39**



45-362-026

Features
- Includes: One sit-to-stand extension.
- Add additional pivot-point for additional flexibility.
- Increases the reach of an LX Sit-to-Stand Arm by 17 (397mm).

Specification Tip
- Only one extension to be used per monitor arm.

To Order, Specify:

1) Product number.

OBSOLETED | July 2024

LX Pole Collar	Polished Aluminum	97-844	**$16.19**

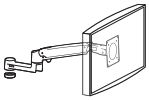
97-844

Features
- Includes: One collar and hardware.
- Used to attach a second LX Sit-to-Stand Arm at any point of an installed base.
- Reposition height on pole by loosening/tightening the collar's set screws.

To Order, Specify:

1) Product number.

LX Arm, Extension and Collar Kit	Polished Aluminum	97-940-026	**$434.58**
	White	98-130-216	**434.58**



97-940-026
98-130-216

Features
- Includes: LX arm, extension, collar and hardware.
- Converts existing LX Tall Pole Arm to hold two monitors creating an LX Dual Stacking Arm configuration.
- Attaches to pole of the desk mount base.
- For use with screen 32 (813mm) or smaller.
- Weight capacity is 7-20 pounds.
- Height adjustment range is 13 (330mm).
- Tilts 70° up and 5° down from center.
- Pans 360°.
- Rotates 360°.
- Extends LCD's out up to 25 (635mm).
- Integrated cable management.
- One touch adjustment.

Specification Tip
- Recommended for use with LX Desk Mount LCD Arm, Tall Pole.

To Order, Specify:

1) Product number.

~~Matte Black~~	~~45-625-224~~	~~**456.35**~~

OBSOLETED 5/1/2024

Features

- Includes: Fully assembled slim profile arm, two-piece desk clamp or low-profile C-clamp, and mounting hardware.
- For use with screen 34″(864mm) or smaller.
- Accommodates monitors from 7-20 pounds.
- Height adjustment range is 13″(330mm).
- Tilts 90° backward and 90° forward.
- Rotates 360°.
- Pans 180° at base; 360° between extension and arm. Rotation stop on base can be disengaged at time of installation to increase range to a full 360°.
- Extends LCD monitor out 22.2″(559mm).
- Arm folds back over base into a compact retracted position; perfect for tucking under systems furniture storage shelves or cabinets in space constrained areas.
- Integrated cord management.
- One touch adjustment.

Specification Tips

- Two-Piece clamp mounts on worksurface 0.47″(0mm) - 1.25″(25mm) thick.
- Low profile top mount C-Clamp mounts on worksurfaces 0.98″(25mm)-1.38″(35mm) thick.
- Desk clamp has anti-rotation screws to prevent base from slipping.
- Grommet mount available; separately specified part 98-110.

To Order, Specify:

1) Product number.

- Recommended installation height:
  Upper mounting hole of base should be placed no higher than 60″(1524mm) above floor.

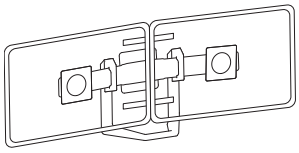
To Order, Specify:

1) Product number.

Ergotron Monitor Arm

Accessories

	Description	Number	Price
Dual Monitor and Handle Kit	Polished Aluminum/Black	97-783	**$267.32**



97-783

Features

- Includes: Monitor bow, two monitor pivots, handle and mounting hardware.
- For use with screens 26″(660mm) or smaller.
- Maximum weight capacity is 18 pounds per arm.
- Maximum combined weight is 36 pounds.
- Rotates 360°.
- Arm in polished aluminum, bow and handle in black.

Specification Tips

- This product adds an additional 6 pounds to your mounting solution. Monitor arm's maximum weight capacity must be reduced by 6 pounds.
- Attaches to mounts with four-hole interface of 50 x 50 mm or 100 x 100 mm.

To Order, Specify:

1) Product number.

Monitor Quick Release LCD Bracket	Black	60-589-060	**$49.05**

60-589-060

Features

- Includes: Bracket, screws and stand-offs.
- For use with monitors less than 3″(76mm) thick.
- Bracket weighs 1.2 pounds and is 0.5″(0mm) thick. Weight of the bracket needs to be considered when determining weight capacity of the monitor arm.

To Order, Specify:

1) Product number.

Ergotron Monitor Arm Accessories

Grommet Mount

	Description	Number	Price
Grommet Mount for LX Single and Dual Direct Arms		98-034	**$26.60**

98-034

Feature
- Includes: Grommet plate and attachment hardware.

Specification Tips
- Compatible with LX Dual Direct Arm and the single monitor LX Desk Mount Arm (standard pole).
- Mounts through surface .31″(8mm) - 2″(51mm) wide and 3″(76mm) thick.

To Order, Specify:

1) Product number.

Grommet Mount for LX Dual Arm		98-035	**$39.91**

98-035

Feature
- Includes: Grommet plate and attachment hardware.

Specification Tips
- Compatible with LX Dual Side-by-Side Arm and LX Dual Stacking Arm as well as Single Monitor LX Desk Mount Arm (tall pole).
- Mounts through surface .31″(8mm) - 2″(51mm) wide and 3″(76mm) thick.

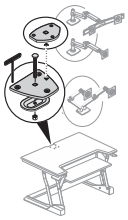
Grommet Mount for LX Arm on WorkFit-T/TL	Zinc Plated Steel	98-017	**$38.87**



98-017

Feature
- Includes: Grommet plate and attachment hardware.

Specification Tips
- Compatible with LX Dual Side-by-Side Arm and LX Dual Direct and LX Desk Mount Arm.
- Mounts through surface .31″(8mm) - 2″(51mm) wide and 3″(76mm) thick.
- Weight capacity:
  - –LX Desk Mount Arm - 14 pounds
  - –LX Dual Direct Arm - 4.8 pounds per monitor
  - –LX Dual Side-by-Side Arm - 6 pounds per monitor
- Weight capacity is limited when mounting LX arms on WorkFit T/TL.

To Order, Specify:

1) Product number.

Grommet Mount for MXV Single Monitor Arm		98-110	**$26.37**

98-110

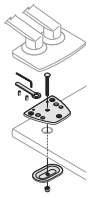
Feature
- Includes: Grommet plate and attachment hardware.

Specification Tips
- Compatible with MXV Single Monitor Arm.
- Mounts through surface .31″(8mm) - 1.25″(32mm) wide and less than or equal to 1.3″(33mm) thick.

To Order, Specify:

1) Product number.

Grommet Mount for MXV Dual Monitor Arm		98-111	**$40.25**



98-111

Feature
- Includes: Grommet plate and attachment hardware.

Specification Tips
- Compatible with MXV Dual Monitor Arm.
- Mounts through surface .31″(8mm) - 1.25″(32mm) wide and less than or equal to 1.3″(33mm) thick.

To Order, Specify:

1) Product number.

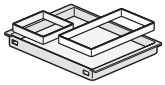
PDA Tray



KJTY-12
GSA: SIN 33721;
Discount Group XIII

Number	Price
KJTY-12	**$54.27**

Features

- Includes one rectangular PDA tray, one small ring, and one large ring.
- PDA Tray:
  - –Outside dimensions - 1.38″(35mm)H x 11.75″(298mm)W x 16.12″(409mm)L
  - –Inside dimensions - 1.25″(32mm)H x 11.5(292mm)″W x 12.87″(327mm)L
- Small ring:
  - –Outside dimensions - 1″(25mm)H x 5.55″(141mm)W x 5.55″(141mm)L
- Large ring:
  - –Outside dimensions - 1″(25mm)H x 5.98″(152mm)W x 11.43″(290mm)L
- PDA Tray has cutouts to allow for low voltage cable management.
- PDA Tray and rings are plastic.
- Standard in Snow trim.

Specification Tips

- PDA Tray designed to be used as a stand alone accessory in X Series, Masters Series and Compose Storage file drawers.
- Designed to slide side-to-side along the panels, or hanging bars in file drawers, allowing access to drawer contents below the PDA Tray.
- Files cannot be hung in lateral file drawers when using the PDA Tray.

Note: Snow (TR-FM) plastic trim color is not recommended for use with painted trim colors Plaster (TR-TW) or Chalk (TR-AK). Refer to Very® Seating chainset for Snow.

To Order, Specify:

	60″(1524mm)		KUR1-1260-TMN	**709.83**	**740.76**

Features

- Includes one double sided rail with two posts, two rail end caps and attachment hardware.
- Mounts to horizontal surface to support rail tools.
- 1.19″(30mm) C-clamp Rail mounts on horizontal surfaces from 0.75″(19mm) to 1.75″(44mm) thick.
- Thru-mount Rail mounts on 1.19″(30mm) thick horizontal surfaces.
- Posts are 1.25″(32mm) thick.
- Belong and Jump Stuff work tools may be used; separately specified.
- Rail overall height above horizontal surface: 11.81″(300mm).
- Distance between rail bottom and top of horizontal surface: 7.44″(189mm).
- Ships unassembled.

Specification Tips

- Designed for single sided benching applications.
- **Not designed to be used in front of panel mounted accessories (tackboard, markerboard).**
- Tool Rail supports a maximum load of 40 pounds evenly distributed on user side.
- If supporting two monitor arms (up to 13 pounds each); an additional C-clamp or thru-mount post is recommended.
- Rail may be installed off modular.
- Heavy load application; additional posts can be ordered.
- Monitor arm cannot be mounted in post positions.
- Thru-mount post can be attached flush to back edge of horizontal surface.
- C-clamp rail can be attached to panel mounted horizontal surface with notch or radius wireways without removing the horizontal surface.
- Under horizontal surface: 4″(102mm) of clearance is necessary between back of horizontal surface and adjacent component for clamp attachment.
- Gap between screen and horizontal surface allows installation of Belong Tool Rail.
- Utility tray provides clearance for installation of Belong Tool Rail.

Note: No more than 6″(152mm) of rail can be extended beyond outside of support.

To Order, Specify:

1) Product number.
2) Trim color for rail/post.
3) Trim color for rail end caps:
   TR-K Charcoal
   TR-J Graphite
   TR-FM Snow

	90″(2286mm)	KUR1-1290-USN	**909.78**	**949.81**
	96″(2438mm)	KUR1-1296-USN	**949.77**	**991.62**

Features

- One double sided rail with two or three posts, two rail end caps and attachment brackets.
- Rails 66″-96″(1676mm-2438mm) include three posts.
- L-bracket mounts under 1.19″(30mm) thick horizontal surface to support rail tools on both sides.
- Belong Work Tools or Jump Stuff Slat Pad Tools may be used; separately specified.
- Rail overall height above horizontal surface: 11.18″(284mm).
- Distance between rail bottom and top of horizontal surface: 7.44″(189mm).
- Post is 1.25″(32mm) thick.
- Ships unassembled.

Specification Tips

- **Rail with L-bracket or shared bracket mount can only be used in non-panel applications.**
- **Designed for single sided benching applications.**
- **Tool Rail supports a maximum load of 40 pounds (18.14kg) evenly distributed on user side or supports two monitor arms up to 13 pounds each; additional L-bracket mount post recommended.**
- For use with one base unit or back-to-back base units; L-Bracket Tool Rail is double sided to accommodate Belong work tool accessories on both sides.
- For back-to-back base unit applications, one or two L-Bracket tool rail(s) may be used:
  - –One L-Bracket tool rail may be used between base units which results in an aesthetically unbalanced tool rail condition. Both users share a single tool rail. L-Brackets are attached to only one of the two back-to-back storage tops. (Note: KUR2-USN Under Worksurface Mount T-Bracket is not recommended for use with back-to-back base units due to installation issues.)
  - –Two back-to-back L-Bracket tool rails may be used between base units for an aesthetically balanced tool rail condition.
  - –For a single tool rail application, a 2.8″(71mm) deep filler panel may be used to fill gap between back-to-back units.
  - –For two back-to-back tool rails, a 5.1″(130mm) deep filler panel may be used to fill gap between back-to-back base units.
- Tool Rail should be specified 6″(152mm) shorter than screen if both are specified.
- Can be installed off modular.
- Under horizontal surface: 4″(102mm) of clearance is necessary between back of horizontal surface and adjacent component for flat bracket attachment.
- Heavy load application; additional posts can be ordered.
- Monitor arm cannot be mounted in post positions.
- Gap between screen and horizontal surface allows installation of Belong Tool Rail.
- Utility tray provides clearance for installation of Belong Tool Rail.
- Posts mount flush to back edge of horizontal surface.

Note: No more than 6″(152mm) of rail can be extended beyond outside of support.

To Order, Specify:

1) Product number.
2) Trim color for rail/post.
3) Trim color for rail end caps:
   TR-K Charcoal
   TR-J Graphite
   TR-FM Snow

- Non-writable, magnetic surface.
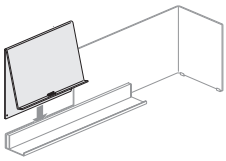
- Desk Top L-Screen is handed.
- Supports maximum weight of 5 pounds (2.3kg).

Specification Tips
- Designed for use with Base Tray or as freestanding.
- Desk Top L-Screen may be used alone in Base Tray or with Reference Shelf.
- Depth portion of L-Screen, when used adjacent to Reference Shelf, is the same width as Base Tray; width portion of L-Screen perpendicularly wraps around Base Tray ledge.
- Width portion of Desk Top L-Screen may be positioned to fill Base Tray or a portion may overhang past end of Base Tray to accommodate Reference Shelf.

To Order, Specify:
1) Product number.
2) Trim color.

Desk Top Reference Shelf



KURS

Actual Height	Actual Depth	Actual Width	Weight Pounds	Description	Number	Trim A	Trim B
12.03″(306mm)	4.25″(108mm)	14.5″(368mm)	8.1 (3.7kg)		KURS-0014-T	**$142.47**	**$151.99**

Features
- Includes one steel desk Top Reference Shelf.
- Desk Top Reference Shelf lip is 1″(25mm) deep with a 15 degree angle.
- Includes a cutout for cord drop if used for charging of electronic devices.
- Supports maximum weight of 5 pounds (2.3kg).
- Non-writable, magnetic surface.

Specification Tips
- Desk Top Reference Shelf may not be used alone in Base Tray; must be used together with Desk Top L-Screen for support purposes.
- Desk Top Reference Shelf is not freestanding.
- Desk Top Reference Shelf adjacent to depth portion of L-Screen are the same width as Base Tray; width portion of L-Screen perpendicularly wraps around Base Tray ledge.
- Desk Top Reference Shelf adjacent to width portion of L-Screen will overhang past end of Base Tray.

To Order, Specify:

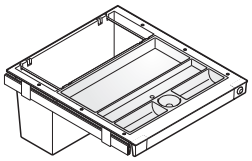
SCD-19

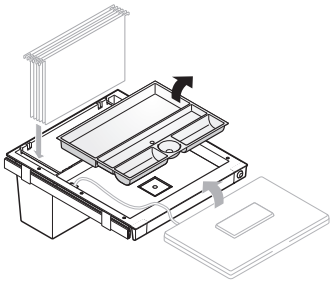
Class MA – SIN 33721;
Discount Group II

Features
- Includes mounting hardware.
- Standard with lock.
- Standard in charcoal finish color only.

To Order, Specify:
1) Product number.
   (No finish specification required.)

Pencil + Drawer	11″(279mm)	24″(610mm)	19.5″(495mm)	KUDP-2420	**$567.80**





KUDP-2420

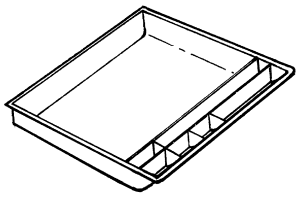
Class YA – SIN 33721;
Discount Group XIII

Features
- Multi-purpose drawer provides organization, hanging filing along with laptop storage.
- Knock-outs at rear of drawer provide electronic charging access while contents are locked.
- Removable organizing tray.
- Thin profile maximizes knee clearance under front of drawer.
- Standard in black trim color with black locks.
- Standard with lock (shipped separately); keyed-alike and master keying options available.

Specification Tips
- To be mounted below worksurfaces 24″(610mm) or deeper.
- **Not for use with 24″(610mm) deep knife edge worksurface.**
- Pencil + drawer must be used adjacent to worksurface floor support when specified for use with panel system.

To Order, Specify:
1) Product number.
   (No finish specification required.)

Pencil Drawer	1.625″(41mm)	19″(483mm)	18″(457mm)	JAC-18	**$117.38**



JAC-18

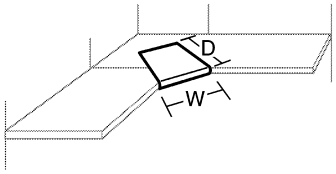
Class FP – SIN 33721;
Discount Group XII

Features
- Includes black plastic drawer, slides, and mounting hardware.
- Attaches under freestanding desks, returns, bridges, system convergent or rectangular worksurfaces.

Specification Tip
- Do not install in area where cantilever bracket is installed.

To Order, Specify:
1) Product number.
   (No finish specification required.)

Make-A-Corner		21.125″(537mm)	26.125″(664mm)	MAC-0001	**$283.56**



MAC-0001

Class AA – GSA: Open Market

Features
- Creates an angled edge between two (2) perpendicular regular worksurfaces.
- Slides over the top of 1.19″(30mm) thick worksurfaces.
- Accommodates an adjustable keyboard or mouse pad track (screws included).

To Order, Specify:
1) Product number.
2) Non-metallic trim color.

2) Trim color.

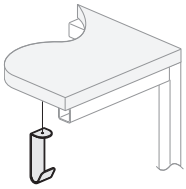
Bag Hook



KUWH-0202

Class YA – GSA: Open Market

Number	Trim A	Trim B
KUWH-0202	**$59.92**	**$67.80**

Features
- Includes one hook and attachment hardware.
- Hook will swivel if plastic washers are installed.

Specification Tips
- Attaches to the bottom of the 1.19″(30mm) and 2″(51mm) thick top.
- Weight Limit 50 lbs max.

To Order, Specify:
1) Product number.
2) Trim color.

Canadian Conversion Factor: Refer to haworth.com/Canada

Workstation Accessories

2/90 Sign Systems

2/90 Sign Systems is a recommended signage program for use with Haworth Systems. Signage options include ADA-compliant panel-mounted name signs, department signs, building directories, in/out boards, restroom and no smoking signs.

For inquiries, catalogs or orders, contact System 2/90 directly at 1-800-777-4310, fax (616) 656-4300, 5350 Corporate Grove Blvd SE, Grand Rapids, MI 49512.

Lock Programs

Specification Guidelines

Locking Components Shipping Format

Locking components in all Haworth systems, casegoods, files and storage furniture are shipped with the lock housings factory-installed in each unit ready to receive separate lock plug cores. Lock plugs are field installed by means of a control key. Lock plugs and keys will be shipped with random numbering unless they are specified "keyed-alike". Quantity of locks will match quantity required for locking components on the order.

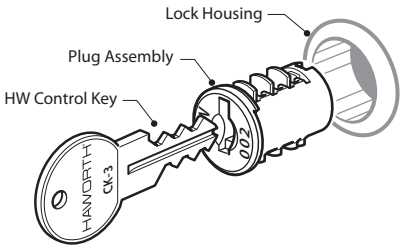
HW Lock Program

All HW lock plugs and keys will be standard in a Master Lock Program. A Master Lock program allows for better management of the facility where one "Master Key" can be used by Facility Management to service all locking components within a facility. Individual offices can be keyed-alike and will receive single-key access specific to the locking components within that workstation. Multiple locks in credenza components should be keyed-alike for the convenience of single-key access. General storage or file areas may also be keyed-alike so that individuals may have access to shared department documents or supplies.

To order new products within a workstation keyed-alike, the specifier should select the number of locks within the workstation and specify LSET quantities through Orderline. CSET lock plug and keys are to key-alike existing product for reconfigurations.

On Site Lock Installation

One Control Key for installing the lock plug will be included with each incremental order unit of up to 200 locks. The control key is used to insert and remove the lock plug into the housing at the installation site. The control key cannot be used to remove a lock plug in the locked position from its housing. Additional control keys are available and should be considered for the convenience of installing locks in widely separated areas of a facility (see Keys Only, page 214).

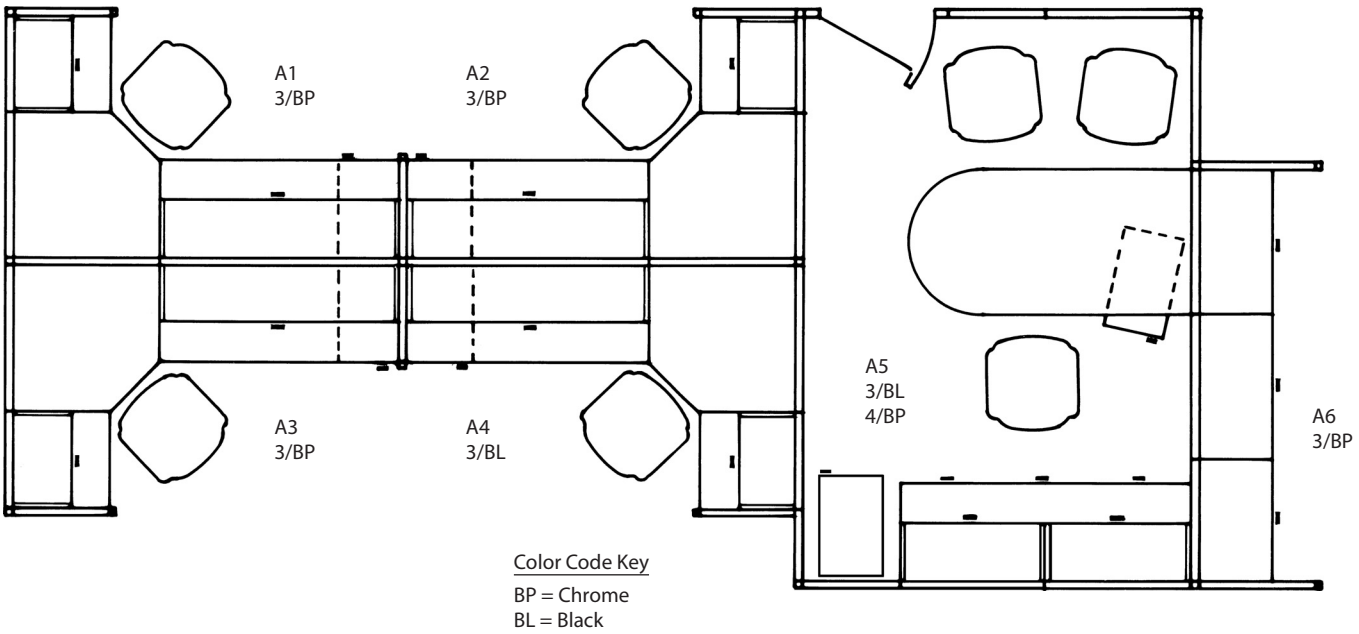


Replacement Lock Plugs and Keys

To order replacement lock plugs and keys, use the appropriate service parts catalog number or CSETS.

Coding the Office Plan

Each lock location should be identified graphically on the plan by a dash mark. Encode your office floor plan by using your own coding system to identify each workstation or area that requires keyed-alike locks. Remember that some furniture will have more than one lock — a double pedestal desk, for instance. The coded floor plan with office identification numbers and lock quantities and color code will be required at the time of installation. The installer will be responsible for assignment of lock quantities based on this plan.



Lock Programs

HW Lock Program

HW Lock Program

The Haworth HW Lock Program is a Master Lock Program and offers the option to have workstations keyed-alike with 300 lock numbers. LSET keyed-alike lock plugs/keys are for new locking product orders only and are available at no charge.

For reconfiguration projects, there are CSET lock plugs and keys available at a nominal charge.

Work Sheet Preparation

Photocopy the HW Lock Work Sheet to assist in specifying locks. This work sheet is for your convenience and is not to be submitted with your purchase order.

Using the Coded Office Plan

Enter the workstation or area identification codes from the plan into the columns headed OFFICE NUMBER on the HW Lock work sheet. The work sheet can accommodate 100 location entries.

Specifying Keyed-Alike Lock Quantities and Colors

NO KEYED-ALIKE NOTE:
When no LSETS are specified, plugs and keys for the total number of locking components will be shipped automatically.

Using the plan, count the number of locking components in each workstation. Enter the number of locks under "QUANTITY" columns, taking into account the chrome or black finish, depending on lock finishes offered. When completed, each workstation should be assigned a quantity of LSETs. For file banks or storage areas requiring a larger quantity of the same lock numbers, specify LSET-999.

A Master Key will need to be separately specified.

Example:

Office Number	Quantity		LSET Number	Totals	
	Chrome	Black		Chrome	Black
A1	3		LSET-3	1	
A2	3		LSET-3	1	
A3	3		LSET-3	1	
A4		3	LSET-3		1
A5	4	3	LSET-3		1
			LSET-4	1	
A6	3		LSET-3	1	

Total the number of LSET quantities at the bottom of the work sheet. Transfer each total quantity to your Orderline or written purchase order.

When specifying Keyed-Alike (LSETS): LSETS must be ordered for the total number of locking components. Only the quantity of LSETS ordered will be shipped. We do not ship based upon number of locking components on order.

LSETS ordered in excess of quantities required for new locking product on the order may result in the order being place on hold.

As a final verification of quantity, review the plan carefully to be sure that all products with locks have been identified. Remember that desks, credenzas and storage units may have multiple locking components.

Line Item Entry

Transfer the data from the work sheet to your Orderline or written purchase order. Enter the appropriate LSET catalog numbers on your order, followed by finish option code -BP or -BL.

Example:

Quantity	Description
4	LSET-3, LR-BP
1	LSET-4, LR-BL
2	LSET-3, LR-BL

Order Processing and Packing Method

Haworth will assign the lock numbers for all keyed-alike orders. Note: Specific key numbers cannot be requested.

Upon receipt of your keyed-alike order, Haworth will draw from our standard inventory of 300 lock numbers. Lock plugs will be shipped according to finish in sets per the quantity specified. HW locks and keys (Figure 3) will carry a stamped "HW" on one side with 1 through 300 on the other side as an indication of the "HW lock" program.

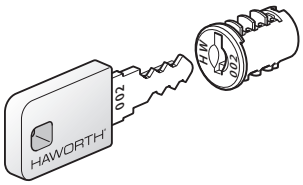


Figure 3.

Key all locks alike (quantities greater than 30)	CSET-999	**13.63**

Features

- The Haworth HW Lock Program offers 300 lock numbers. LSET keyed-alike lock plugs/keys are for new locking product orders only and are available at no charge. LSET's ordered in excess of quantities required for new locking product on the order may result in order being placed on hold.
- For reconfiguration projects there are CSET lock plugs and keys available at a nominal charge.
- All lock plugs and keys with one LSET/CSET will ship with the same key number which is chosen at random.
- LSET-999 and CSET-999 are for quantities greater than 30 lock plugs and keys. Specify quantity of locks; locks are priced "per piece". Numbers will be the same for all locks and chosen at random.
- Haworth will assign key numbers from the inventory of 1 through 300.
- To order specific key numbers for replacement; refer to page 214.
- Master key available; separately specified.
- Keys are standard in nickel with black overmolded head; Locks plugs are available in chrome and black finishes.

To Order LSET, Specify:

1) Product number.
2) Lock plug finish color.
   LX-BP Chrome
   LX-BL Black

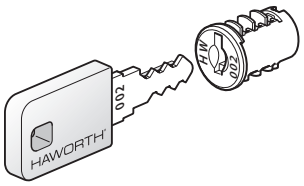
To Order CSET, Specify:

1) Product number.
2) Lock plug finish color.
   LR-BP Chrome
   LR-BL Black

Lock Programs

Keys

	Key Number Selection	Number	Price
HW Plugs and Keys	KY-001 through KY-300	HW-SVC	**$26.07**



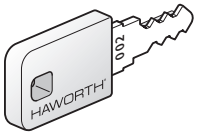
HW-SVC

Features
- Includes one lock plug and one key.
- Keys are standard in nickel with black overmolded head.
- Lock plugs are available in chrome or black finishes.
- One control key (CK-3) for installing lock plugs into lock housings is provided.
- The key number will print on one side of key and HW on other side.
- Lock plug will also show HW and key number (refer to illustrations).

To Order, Specify:

1) Product number.
2) Lock plug finish color.
   LR-BP Chrome
   LR-BL Black
3) Key number.

HW Replacement Keys



HWSK

Description	Quantity Included	Key Numbers Included	Number	Price
Includes one HW key; specify key number/quantity	1		HWSK-1	**$ 20.65**
	50	1-50	HWSK-2	**$ 348.20**
	50	51-100	HWSK-3	**348.20**
	50	101-150	HWSK-4	**348.20**
	50	151-200	HWSK-5	**348.20**
	50	201-250	HWSK-6	**348.20**
	50	251-300	HWSK-7	**348.20**
	300	1-300	HWSK-300	**1848.51**

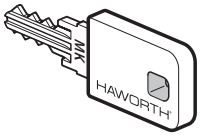
Features
- Includes HW keys only.
- HWSK-1; order for specific HW key number replacement; Specify HW key number.
- HWSK-2 through HWSK-300; specific HW key number series included.

To Order, Specify:

1) Product number.
2) Key number (HWSK-1 only).
   (No finish specification required.)

HW Master Key

Description	Number	Price
Master key	HWMK-1	**$22.52**



HWMK-1

Features
- Includes one key.
- HWMK keys are silver with a **red** overmolded head.

Note: Master keys can only be used for HW Lock Program.

To Order, Specify:

1) Product number.
   (No finish specification required.)

HW Control Key

Control key (no key number selection required)	CK-3	**$22.52**

CK-3

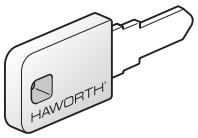
Features
- A single control key is provided with each lock shipment.
- CK-3 control key can be used to remove HW lock plug in unlocked position only.

To Order, Specify:

1) Product number.
   (No finish specification required.)

HW Key Blank

Key Blank	HWKB-1	**$510.96**



HWKB-1

Features
- Includes 100 key blanks for use with HW Lock Program only.

To Order, Specify:

1) Product number.
   (No finish specification required.)

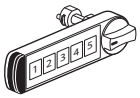
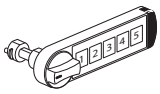
Digital Locks

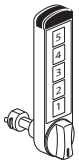
	Length	Width	Height	Number ❶❷❸	Price
Digital Lock	3.88″(98mm)	1″(25mm)	0.75″(19mm)	HUDR- ❶ ❷ - ❸ Y	**$911.03**



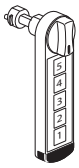
HUDR-R



HUDR-L



HUDR-B



HUDR-T

Features

- Includes:
  - –Digital lock with 5-digit horizontal or vertical keypad and rotating lock knob
  - –CR2032 3-volt lithium battery
  - –Factory-assigned access code
  - –Attachment hardware and spacer for metal and wood surfaces
- Fits standard lock housings in all Haworth systems, casegoods, files and storage furniture.
- Two software versions allow the lock to be programmed by individual users each time it's used, or by a facility manager for workstations where re-programming is infrequent.
- Master codes can be created by facilities management to override factory-assigned access codes.
- Factory or master codes provide manager access and enable re-programming.
- Available in black or brushed chrome.

Specification Tips

- Digital lock installs on Haworth products and fits over existing lock bezel using the included spacer.
- Optional control key fob can be specified separately to manage factory and/or master codes.
- Not applicable on X Series Tug Pedestal.
- User-Programmable (Locker Mode) user programs and codes into lock with each use.
- Facility- Programmed (Station Mode) code programmed for user, same code each use.

To Order, Specify:

1) Product number, including:

❶ Keypad Orientation

- **L** Horizontal, knob left
- **R** Horizontal, knob right
- **T** Vertical, knob top
- **B** Vertical, knob bottom

❷ Knob Rotation

- **090** 90 degree
- **180** 180 degree

❸ Software Option

- **U** User-programmable (Locker Mode)
- **F** Facility-programmed (Station Mode)

2) Trim color for lock

Digital Lock Control Key Fob

HUDF-F

Number	Price
HUDF-F	**$828.16**

Features

- Includes one control key fob and CR2032 3-volt lithium battery.
- Provides facility management of factory, master, and user codes, allowing management access and re-programming of digital locks (HUDR).
- Stores an unlimited number of factory and master codes.

Specification Tip

- Each lock must be programmed to accept key fob before use.

To Order, Specify:

1) Product number.

H-P3	Linen Crisp
H-P4	Linen Flax

Wood Grain

H-AE	Maple

Grade B

Premium Wood Grain

H-KA	Brazilwood
H-KG	Columbian Walnut
H-KP	Field Elm
H-KN	Grey Elm
H-KM	Landmark Wood
H-KL	Neo Walnut
H-KC	New Age Oak
H-KR	Phantom Ecru
H-KS	Phantom Pearl
H-KD	River Cherry
H-KF	Williamsburg Cherry

Edgeband

Solid Color

HP-34	Beige
HP-AK	Chalk
HP-8J	Charcoal
HP-3J	Graphite
HP-62	Gray Tone
HP-WL	Linen
HP-3P	Platinum
HP-AA	Putty
HP-3E	Smoke

Patterned Edgeband

HP-P1	Linen Casual
HP-P2	Linen Classic
HP-P3	Linen Crisp
HP-P4	Linen Flax

Wood Grain

HP-KA	Brazilwood
HP-KG	Columbian Walnut
HP-KP	Field Elm
HP-KN	Grey Elm
HP-KM	Landmark Wood
HP-AE	Maple
HP-KL	Neo Walnut
HP-KC	New Age Oak
HP-KR	Phantom Ecru
HP-KS	Phantom Pearl
HP-KD	River Cherry
HP-KF	Williamsburg Cherry

Planked Wood

VH-W35	Walnut
VB-W35	White Oak

Painted MDF

PW-R	Beige
PW-F	Black
PW-AK	Chalk
PW-G	Gray Tone
PW-PL	Polar
PW-RR	Rusty Red
PW-1J	Sky Blue
PW-SP	Sparrow
PW-SY	Stormy
PW-ST	Straw
PW-1H	Terra
PW-VA	Vapor

ALERT: These materials are current, however they are being considered for future obsolescence due to low volume.

Trims:

TR-1E	Accent Orange
TR-1F	Accent Red
TR-AR	Argent
TR-CTS	Chartreuse
TR-DM	Dark Bronze Metallic
TR-1H	Terra
TR-1K	Wren

Laminate:

H-AM	Amber Cherry
H-AD	Medium Cherry

Edgeband:

HP-AM	Amber Cherry
HP-AD	Medium Cherry

Forest Stewardship Council® (FSC®) Statement: In our continuing support of sustainable forestry and responsible purchasing, Haworth North America is offering FSC certified wood products at no up-charge. By providing FSC certified material, Haworth is supporting our client's green building goals and demonstrating our collective commitment to source materials more sustainably.

Haworth will provide to you the necessary FSC-certified paperwork with your shipment. For more information, FAQs, and a complete FSC product list (including product exceptions), go to the Library and search FSC.

Product Code	Product Description	Page
169BK	Ergotron Keyboard Tray – Keyboard Tray with Mouse Pad	116
24-205-214	Ergotron Neo-Flex Laptop Cart – Ergotron Neo-Flex Laptop Cart	153
24-214-085	Ergotron WorkFit-C – Single Monitor	136
24-215-085	Ergotron WorkFit-C – Single Monitor	136
24-216-085	Ergotron WorkFit-C – Single Monitor	136
24-220-055	Ergotron Teachwell® Mobile Digital Workspace	154
24-316-026	Ergotron WorkFit-A — Dual Attached Sit-Stand Workstation	135
24-317-026	Ergotron WorkFit-A — Single Attached Sit-Stand Workstation	134
24-390-026	Ergotron WorkFit-A — Single Attached Sit-Stand Workstation	134
24-391-026	Ergotron WorkFit-A — Single Attached Sit-Stand Workstation	134
24-392-026	Ergotron WorkFit-A — Dual Attached Sit-Stand Workstation	135
24-481-003	Ergotron LearnFit – LearnFit Desk	155
24-547-003	Ergotron LearnFit – LearnFit Desk	155
33-341-200	Ergotron WorkFit-S — Dual Attached Sit-Stand Workstation	140
33-349-200	Ergotron WorkFit-S — Dual Attached Sit-Stand Workstation	140
33-349-211	Ergotron WorkFit-S — Dual Attached Sit-Stand Workstation	140
33-350-200	Ergotron WorkFit-S — Single Attached Sit-Stand Workstation	139
33-351-200	Ergotron WorkFit-S — Single Attached Sit-Stand Workstation	139
33-397-062	Ergotron WorkFit-T — Desktop Sit-Stand Workstation	142
33-397-085	Ergotron WorkFit-T — Desktop Sit-Stand Workstation	142
33-406-062	Ergotron WorkFit-TL — Desktop Sit-Stand Workstation	143
33-406-085	Ergotron WorkFit-TL — Desktop Sit-Stand Workstation	143
33-407-062	Ergotron WorkFit-SR — Dual Attached Sit-Stand Workstation	141
33-407-085	Ergotron WorkFit-SR — Dual Attached Sit-Stand Workstation	141
33-418-085	Ergotron WorkFit-TL — Desktop Sit-Stand Workstation	143
33-458-917	Ergotron WorkFit-Z Mini — Sit-Stand Desk Converter	145
33-467-921	Ergotron WorkFit-TX — Standing Desk Converter	144
33-468-921	Ergotron WorkFit Corner — Standing Desk Converter	137
45-214-026	Ergotron Monitor Arms – Desk Mount - Single Arm	127
45-228-026	Ergotron Monitor Arms – Wall Mount - Heavy Duty	127
45-241	Ergotron Monitor Arms – Single Arm	120
45-245	Ergotron Monitor Arms – Dual Arm	120
45-248	Ergotron Monitor Arms – Dual Arm	120
45-289-026	Ergotron Monitor Arm Accessories – LX Extension	125
45-295	Ergotron Monitor Arms – Single Arm	120
45-360-026	Ergotron Monitor Arm – Single Arm	122
45-362-026	Ergotron Monitor Arm Accessories – LX Sit-to-Stand Extension	125
45-384-026	Ergotron Monitor Arm – Single Arm	122
45-405-026	Ergotron WorkFit-LX — Sit-Stand Desk Mount System	138
45-475	Ergotron Monitor Arms – Single Arm	118
45-476	Ergotron Monitor Arms – Dual Arm	118
45-478	Ergotron Monitor Arms – Single Arm	118
45-479	Ergotron Monitor Arms – Dual Arm	118
45-486	Ergotron Monitor Arm – Single Arm	126
45-489	Ergotron Monitor Arm – Dual Direct Arm	123
45-490	Ergotron Monitor Arms – Single Arm	120
45-491	Ergotron Monitor Arms – Dual Arm	120
45-492	Ergotron Monitor Arms – Dual Arm	120
45-496	Ergotron Monitor Arm – Dual Arm	126
45-509-216	Ergotron Monitor Arm – LX Dual Stacking Arm - Tall Pole Monitor Arm	121
45-537	Ergotron Monitor Arms – Single Arm	120

Warranty

Ergotron branded products in this price list are covered exclusively by the warranty statement below.

All Ergotron® products will remain free of defects in material and workmanship for a period of five years from the date of receipt of the product, subject to any exclusions and limitations as set forth below.

Ten-year warranty on all LX and MX Ergotron Products, purchased on or after August 1, 2014

Zip Charging Systems: Lifetime material/workmanship; three years electrical components; one year cables (power/Ethernet)

Ten-year warranty on LearnFit Adjustable Standing Desk (24-481-003)

Three-year warranty on all Neo-Flex® Ergotron Products

Original Equipment Manufacturer (OEM) Products resold by Ergotron are warranted by the respective manufacturer

FURTHER EXCLUSIONS AND LIMITATIONS

These warranties do not cover product abuse, modification and failure to adhere to product instructions, improper operations and/or misuse. Ergotron is not responsible for damage arising from failure to follow instructions relating to the product's intended use. Ergotron is not responsible for injury or loss caused by or associated with the installation and/or use of equipment in any manner other than in strict conformance with the instructions set forth in its installation manuals, supplemental assembly and installation instruction sheets, technical bulletins and/or product literature. You will provide Ergotron immediate written notice of any personal injury resulting from the use of Ergotron products.

Ergotron does not warrant damages or defects to the Ergotron product under the following conditions: an Act of God, unauthorized service or repair of the Ergotron products, damage from electrical power problems, usage of parts or components not supplied by Ergotron, failure to follow product instructions and guidelines, unauthorized changes to the Ergotron product, shipping damage (other than original shipment from Ergotron), failure to perform preventative maintenance, or damage caused by peripherals or software or from other external sources.

EXCLUSIVE REMEDY

Warranty Repair: In the event that any Ergotron equipment becomes defective in material or workmanship during the warranty period, Ergotron will determine with you if the product defect is covered under warranty. Ergotron, at its sole discretion, may replace or repair the unit determined to be under warranty at a designated Ergotron location or at your location. The labor costs associated with the repair of the product may be the responsibility of Ergotron if determined to be under warranty. You must receive pre-approval by Ergotron for the labor costs prior to repair or replacement of warranty products. You must contact Ergotron to obtain a Return Material Authorization (RMA) number. An RMA number may be obtained by contacting Ergotron Customer Care online or by telephone within your specific region. Contact information is available to you on the Ergotron web site at www.ergotron.com. Performance of any repair or replacement on product under warranty does not renew or extend the warranty period.

Non-Warranty Repair: You may return a product for repair that is not covered by warranty only if you have received a preapproved RMA number from Ergotron Customer Care. Labor costs and freight charges associated with non-warranty repair will be the sole responsibility of the customer, reseller or installer/integrator. A standard repair fee, specific to the product, is charged for any product that is repaired outside of the warranty period. Repairs on products out of warranty also carry a 90-day warranty, effective the day that you receive the item after repair.

For products that are not covered under warranty, Ergotron offers you the following options:

You may upgrade to a newer, functionally equivalent product at a normal list price

Ergotron will return the product to you

You can request in writing that Ergotron appropriately dispose of the product for you. A fee may apply for this service as designated by local law

Non-Defective Products: You are notified if, after examining and testing a returned product, Ergotron concludes that the product is not defective. The product is returned to you and you would be responsible for the freight charges associated with the return.

WARRANTY DISCLAIMER

Except as expressly set forth in this Limited Warranty and to the greatest extent allowed by law, Ergotron makes no other representations, warranties or conditions, express or implied, including any implied representations, warranties or conditions of merchantability, fitness for a particular purpose, non-infringement, and noninterference. Ergotron does not warrant that your use of the Ergotron product will be uninterrupted or error free. Any implied warranties that may be imposed by law are limited in duration to the Limited Warranty period, to the greatest extent allowed by law. Some states or countries do not allow a limitation on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages for consumer products. In such states or countries, some exclusions or limitations of this Limited Warranty may not apply to you. This Limited Warranty is subject to change without notification.

Ergotron devices are not intended to cure, treat, mitigate or prevent any disease.

WARRANTY TRANSFERABILITY

This Limited Warranty is available only to the original end consumer and is non-transferable. For this warranty to be valid, the Ergotron product must have been purchased directly from an authorized distributor, reseller and/or authorized representative of Ergotron.

For additional information reference Ergotron.com or warranty inquiries contact Ergotron at 844-429-9678 or email haworth@Ergotron.com.

HAWORTH

Product Compatibility and Limited Warranty Policy

Great Expectations

You have them as a Haworth customer and so do we. And because we value our customers, we cover our products with the Haworth North America Product Compatibility and Limited Warranty Policy.

Our Commitment To Product Compatibility – Integrated Product Platforms

As a market leader in the design and manufacture of workspaces that adapt to change, we strive to maintain product compatibility within our various generations of integrated product platforms. This benefits the customer who desires to update or modify their work environment. It also benefits the customer needing to replace a product due to damage or other reasons but which is no longer manufactured or is otherwise unavailable, such as a fabric or finish that is discontinued because of changing market preferences. In both circumstances, we often can provide products with comparable function and performance.

Our Commitment To Product Quality – The Haworth North America Limited Warranty

To ensure customer satisfaction and peace of mind, we stand behind our products with the Haworth North America Limited Warranty. To review the current version of the limited warranty including its terms and conditions, please go to: **www.haworth.com/warranty** or contact **OneTouch@Haworth.com or 1 877 429 6784**.

Warranty Requests or Questions

For questions or service requests pertaining to the Haworth Limited Warranty, please contact your Haworth dealer. If you are unsure who your dealer is, please contact **OneTouch@Haworth.com or 1 877 429 6784**.

Effective: September 1, 2021

Terms of Sale

The Terms of Sale apply to all products in the North America Price Lists. To review the current version of the North American Terms of Sale, please go to:
www.haworth.com/terms-of-sale or contact **OneTouch@Haworth.com or 1 877 429 6784**.

Effective: September 2, 2022

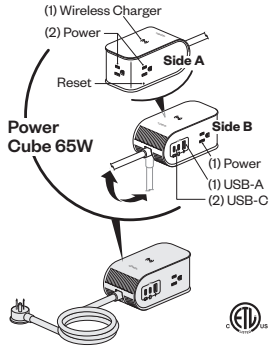
Electrical Components

Belong Power 65W

	Description	Number	Price
Power Cube 65W	Pack of 6	EUC4-BIN1-31020YN	**$2370.00**



EUC4-BIN1

Features

- Includes six power cubes, each with three 120V receptacles (NEMA 5-15R), one USB-A charging port, two USB-C charging ports, one wireless charger, circuit breaker with reset pin hole, and 9'(2743mm) hinged braided power cord with low profile plug (NEMA 5-15P).
- Can be freestanding on worksurface or be used with appropriate mounting bracket.
- 15W (wireless) charging coil on top of cube.
- USB-A and USB-C offer rapid charging capability for a variety of devices.
- USB-A provides single port max charging 60W.
- Each USB-C provides single port max charging 65W.
- Available in charcoal TR-K or snow TR-FM.
- Power Cube has non-slip pad on bottom.
- UL 962A listed Furniture Power Distribution Unit.

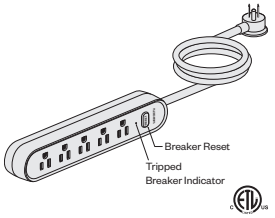
Specification Tips

- For additional information on charging refer to the Belong Power 65W charging guide on haworth.com.
- Brackets (EUCB) are optional and can be separately specified.
- Belong Power Units, (Power Suite, Power Cube and Plug Strip), are not designed or UL/CSA listed for daisy-chain applications.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
2) Trim color.
   TR-K Charcoal
   TR-FM Snow

Plug Strip	Pack of 6	EUR1-BIN1-50000M	**$490.50**



EUR1-BIN1

Features

- Includes six plug strips, each with five 120V receptacles (NEMA 5-15R), circuit breaker with a reset indicator light, and 9'(2743mm) braided power cord with low profile plug (NEMA 5-15P).
- Plug Strip can mount in wire management tray or mount directly to the underside of the worksurface without additional bracket.
- Plug Strip has keyhole slots for mounting below worksurface or can be mounted to the back edge of the worksurface using separately specified Plug Strip Brackets (EUPB).
- Available in charcoal TR-K or snow TR-FM.
- UL 962A listed Furniture Power Distribution Unit.

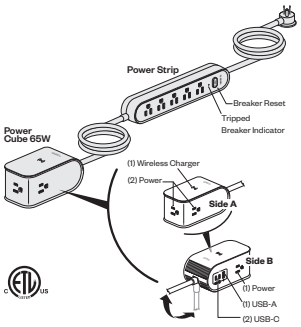
Specification Tips

- Recommended for 23"(584mm) deep surfaces which cannot accommodate a wire management tray.
- Belong Power Units, (Power Suite, Power Cube and Plug Strip), are not designed or UL/CSA listed for daisy-chain applications.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
2) Trim color.
   TR-K Charcoal
   TR-FM Snow

Power Suite 65W	Pack of 6	EUB5-BIN1-81020YN	**$3150.00**



EUB5-BIN1

Features

- Includes six power suites, each with three 120V receptacles (NEMA 5-15R), one USB-A charging port, two USB-C charging ports, one wireless charger, one connected plug strip with five 120V receptacles (NEMA 5-15R), circuit breaker, and 9'(2743mm) hinged braided power cord with low profile plug (NEMA 5-15P).
- Cord connecting plug strip to power cube is 4'(1219mm).
- Power Cube can be freestanding on worksurface or be used with appropriate mounting bracket. Plug strip can mount in wire management tray or mount directly to the underside of the worksurface without additional bracket.
- Available in charcoal TR-K or snow TR-FM.
- Power Cube includes:
  –15W (wireless) charging coil on top of cube.
  –USB-A and USB-C offer rapid charging capability for a variety of devices.
  –USB-A provides single port max charging 60W.
  –Each USB-C provides single port max charging 65W.
  –Non-slip pad on bottom.
- Power Cube included with the Power Suite does not include the reset feature.
- Plug Strip includes:
  –Circuit breaker with a reset indicator light.
  –Keyhole slots for mounting below worksurface.
- UL 962A listed Furniture Power Distribution Unit.

Specification Tips

- Plug Strip designed to be mounted below worksurface for long term connection. Power Cube is mounted above the surface for a convenient power option.
- Recommended for 23"(584mm) deep surfaces which cannot accommodate a wire management tray.
- Belong Power Units, (Power Suite, Power Cube and Plug Strip), are not designed or UL/CSA listed for daisy-chain applications.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

To Order, Specify:

1) Product number.
2) Trim color.
   TR-K Charcoal
   TR-FM Snow

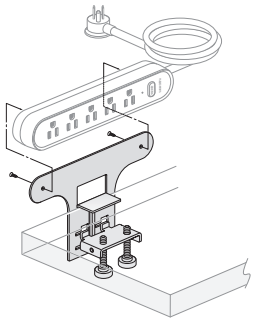
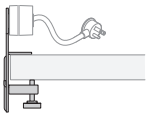
Belong Power 65W

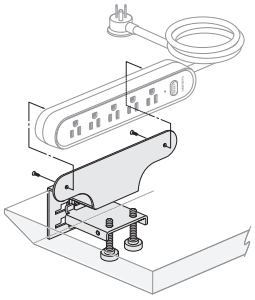
Plug Strip Brackets

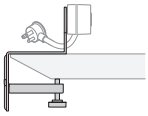




Edgeband Worksurface Mount
EUPB_WJP

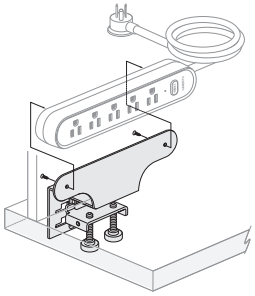
EUPB-WJP

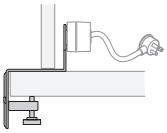




Knife Edge Worksurface Mount
EUPB_WFP

EUPB-WFP





VSU/Tackboard Worksurface Mount
EUPB_TJP

EUPB-TJP

Description	Number	Price
Edgeband	EUPB-0000-WJP	**$ 85.00**
Knife Edge	EUPB-0000-WFP	**130.00**
VSU/Tackboard	EUPB-0000-TJP	**120.00**

Features

- Includes one mounting bracket and thumb screws.
- For use with Belong Plug Strip only.
- Available in standard finishes.

Specification Tips

- Accomodates 1.18″(30mm) - 2″(51mm) thick tops.
- Adjustable bracket mounts Belong Plug Strip to the edge of worksurface with thumb screws for ease of relocation.
- To mount plug strip to the bracket, use hardware provided with the plug strip.
- Not for use with Intuity hatches.
- Application may require approval of local authority having jurisdiction (AHJ); ensure compliance before placing orders and installation.

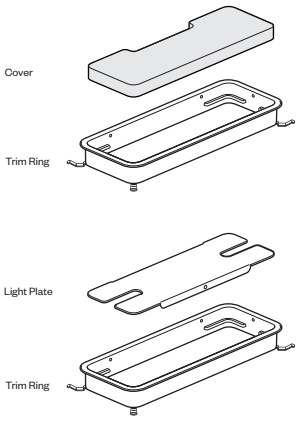
To Order, Specify:

1) Product number.
2) Trim color.

Electrical Components

Belong Hatch

Belong Hatch



EUAH-0512

Description	Number	Price
For use with 1.18"(30mm) worksurfaces		
Cover with trim ring	EUAH-0512-AYNNS	**$30.00**
Light Plate with trim ring	EUAH-0512-AYNNM	**65.00**
For use with 2"(51mm) worksurfaces		
Cover with trim ring	EUAH-0512-ANNYS	**$30.00**
Light Plate with trim ring	EUAH-0512-ANNYM	**65.00**

Features

- Includes trim ring with tabs, cover or light plate.
- Available in two configurations: cover with trim ring or light plate with trim ring.
- Light plate configuration to be used with the separately specified Talia light located in the Ancillary Price List.
- Belong Hatch will sit flush with the worksurface and will always be centered on the worksurface with the exception of Upside Worksurface 90° Equal Corner - Wrap-Around or 90° Extended Corner-Wrap-Around which will be placed on the worksurface side with a partial understructure always.
- Trim ring is 12″(305mm) wide and 5″(127mm) deep.
- Available in two color choices of TR-K (Charcoal) or TR-FM (Snow).
- Trim ring and cover are plastic, light plate is painted steel.

Specification Tips

- Designed to work with Belong Wire Management Tray (EUWT).
- Cannot be used on Planes Training or Collaborative tables due to interference with understructures.
- Can be placed on Adaptable Worksurfaces, Planes, Planes LT, Upside, Jive C-Leg, Jive T-Leg and Compose Echo. Each product has specification restrictions, reference product specification guide.
- Belong Hatch may be retrofitted to existing worksurfaces, (with a cut sheet), that do not interfere with the understructures.

To Order, Specify:

1) Product number.
2) Trim color.
