

Gala Table

The striking appearance and surprising value of Gala coffee and end tables originate from an intricate design that uses simple, solid-wood components. Square and round tops join tapered legs for a pleasing profile. The interconnected, x-base adds a distinctive and practical detail that makes the tables appropriate for traditional and contemporary settings in offices and public areas.

Specifications

Side, coffee, console and lobby tables are available in a hard maple frame with your choice of a round or square top.

Options – Specify:

Wood: Maple is standard
