

Sloane Bench

Extensive choices imbue the Sloane bench with versatility and an elegance that recommend it for a prominent position in any space that requires understated luxury. The bench's tufted seat cushion, itself a casual yet tailored statement of comfort, can be chosen in full length or combined in shorter lengths with wood top or removable wood tray. Precise joinery complements a wide selection of fabric and leather upholstery.

Specifications

The wood bench is available in three lengths with a tufted, upholstered seat cushion. The top is available with a full cushion or a partial cushion with a wood tabletop or tray. Very thick or unusual fabrics and leathers cannot be tufted as shown. In this case they will just have buttons. The base is constructed of maple veneer and solids, with double dowels and corner-blocked legs and rails. Legs have nylon glides. The seat is 4"-thick multi-density polyurethane foam wrapped in Dacron®. Catalyzed lacquer finish in all Cumberland Maple finishes.
