T A B L E S R E A D Y T O N E T W O R K

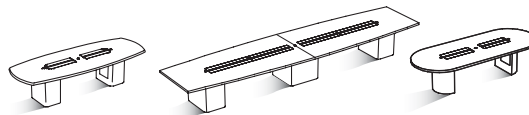

Standard ACT electrical package with duplex outlets and bezels for voice and data connections.

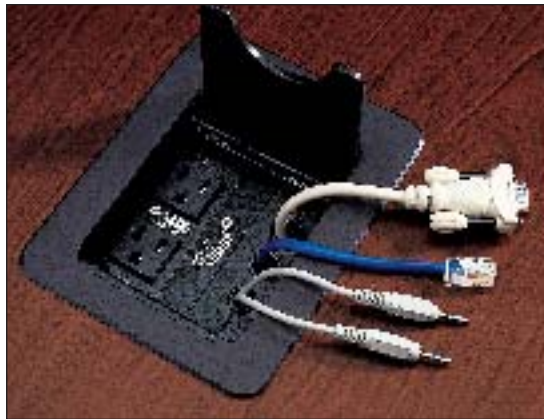

Standard base hinged door, one per table, for access to floor monuments and wiring.

ACT Tables are network capable to gain access to your server for working with files and e-mail, or surfing the web. Every ACT table is provided with blank "bezel" faceplates that accept most types of data/voice receptacles. No fuss installation can be done by and IT or systems administrator.

MEETING WITH CONNECTIONS

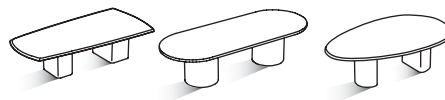

Standard ACT electrical package with duplex outlets and bezels for voice and data connections.

Standard base hinged door, one per table, for access to floor monuments and wiring.

Presentations setup in a snap with easy access to connections. Documents done in your office can be accessed at the table through the integrated network data ports that IT has set up. Many table top options are available to support virtually all electronic visual presentation aids. From traditional overheads to electronic whiteboards, Magna tables effortlessly adapt to your conference and meeting needs.
