Sistema SP Estudio Andreu

Sistema SP is the most flexible tables collection of Andreu World America, formed by tops and legs. The table can be created using Sistema SP legs or table tops using one of

our central column bases (Aire, Mar, Central, Cross, Dado, Pisa Snack or Tinox). The tops are solid and are made in maple veneer and are available in three

different shapes: rectangular, round or square. The legs are made in solid beech and are available in three different shapes. All tops are also available in custom sizes.

 **Andreu World** America

Sistema SP Table tops collection 1.75 in. thick maple veneer on both sides. Standard sizes in square, round or rectangular shapes.

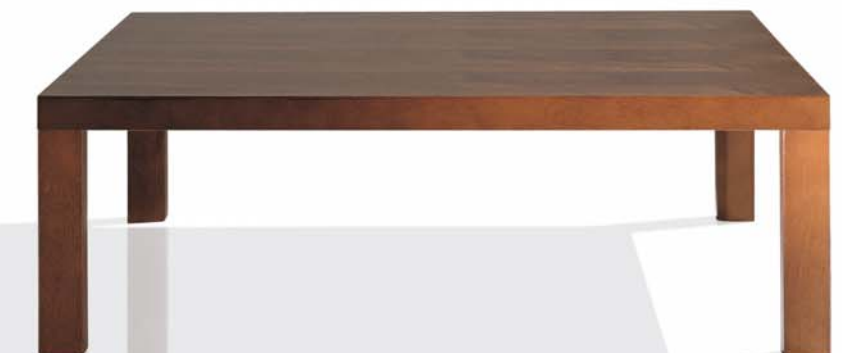

Sistema SP table legs collection include square and pointed solid maple legs in three different heights.
