CH@T ...simplistic details

This lightweight, graceful multi-purpose chair is both stable and comfortable. The unique connection of the backrest to the tubular frame adds a classic detail, and is openly fixed in the rear of the chair.

Seats and backs are made of polypropylene, dyed through the full thickness in a choice of eight colors. The tubular-steel frame is powdercoated in a selection of six finishes, including two new introductions — Matte Black and Matte Silver.

photo right: CH-8010-MS All Plastic in following colors clockwise — CH-Crystal, CH-Really Red, CH-Lemoncello, CH-Cool Water, CH-Butter, CH-Tangy, CH-Celery. CH-Graphite.

CH@T...unconventional

Ch@t offers an unconventional look that is well suited to the informal atmosphere of modern businesses, restaurants, schools, and training facilities. At left, Ch@t is shown with the Thesis Bistro Table which makes a perfect cafeteria setting.

A cart is offered for mobility and convenience when stacking up to ten chairs.

photo left: Four - CH-8010-MS / CH-Graphite / Matte Silver, BT-6342-MS Thesis Bistro Table / LAM-Ribbs / Matte Silver.

photo below: Eight - CH-8010-MS / colors top to bottom: CH-Really Red, CH-Tangy, CH-Butter, CH-Crystal, CH-Celery, CH-Graphite, CH-Lemoncello, CH-Cool Water.
