

insync™

InSync combines high design with ease of use. Just sit down, and InSync does the rest. Environmentally conscious materials and structural innovations support a streamlined design available in mid- or high-back, fixed or Height/Width, Pivot, Sliding Adjustable Arms. The standard knit back is available in 15 color options, along with many seat fabric choices. Additional options include adjustable lumbar, high-profile polished aluminum base, and two frame finishes.

insync™

InSync™ embodies the next evolution of innovative chair design. Its weight-activated Body Balance control is breakthrough, and the chair is simple, intuitive and easy to use. There is no tension adjustment – and just one lever to adjust the seat height. InSync delivers high-end design at an affordable price. The introduction of InSync raises the bar in innovative chair design, serving as a new industry benchmark for technology and simplicity.
