insync	4-9
modela	10-11
reflexx	12-13

All chairs are ANSI/BIFMA G1-2002 certified by an independent laboratory, and are engineered, designed and constructed to conform to the proper ergonomic dimensions as defined in ANSI/HFS 100-1998, "The American National Standard for Human Factors Engineering of Visual Display Terminal Workstations."

insync™ with Knit Back

Mid Back, High Back and Stool SIN#711-18

InSync™ embodies the next evolution of innovative chair design. Its weight-activated Body Balance control is a breakthrough, and the chair is simple, intuitive and easy to use. There is no tension adjustment – and just one lever to adjust the set height. InSync delivers high-end design at an affordable price. The introduction of InSync raises the bar in innovative chair design, serving as a new industry benchmark for technology and simplicity. Backed by Highmark's Lifetime Warranty.
