

FUZE TASK / WORK

Frame Construction:

Fuze task chairs and stools feature molded plywood seat and molded plastic back. Adjustable height mid back with 2 seat widths: standard or wide.

Seat/Back Construction:

Polyurethane foam in the seat and back provides high-resiliency for long-lasting support and comfort. The protective outside back is offered standard in black plastic. An optional upholstered outside back is also available.

Arms:

Fuze task chairs and stools are offered without arms or with 3 arm options.

Controls:

The task chair is offered with a synchronous control and a pneumatic lift. An optional multi-function control with seat depth adjustment is also available. The stool has a pneumatic control.

Bases:

Standard 5-prong black polyurethane base. An optional 5-prong polished aluminum base is also available.
