

Cumberland Designers Speak Collection Mulholland Chair & Barstool
 Designed by Brian Graham

Test drive the Mulholland guest chair and experience exhilaration akin to a fast trip along LA's winding Mulholland Drive. As that drive challenges, so does the Mulholland chair. A study in contrasts among varied elements, the guest chair embodies the modern architectural idea of simple forms supported by an expressed structural frame. Each of the chair's elements is clearly articulated, and each is realized in elegant materials.

Specifications

Guest chair featuring an upholstered seat and wood back. Also available with an upholstered back between the seat and wood back. The frame is stainless steel available in Polished, Satin or Statuary Bronze. The seat is 2"-thick multi-density polyurethane foam wrapped over webbing that is stretched over a hardwood plywood frame. Catalyzed lacquer finish in all Cumberland finishes. Also available as a bar stool.

Options – Specify:

- Wood: Maple is standard; Option A Exotic wood is also available for an additional \$400 list charge per item
- Finishes: Standard or custom finishes
- Upholstery: Com/Col, Fabric and Elmo Leather program
- Metal: Polished or Satin Stainless Steel. Statuary Bronze is also available at an additional charge of \$375 list per item.
