

A L E R I O N™

Steelcase

Bring work environments to life with the natural warmth of wood. Whether you're furnishing one office or an entire building, choose from a broad range of designs that span from crisp and modern to timeless and traditional. Whatever you select will seamlessly blend our heritage of fine craftsmanship with today's technology.

If you have something unique in mind, we can help. We specialize in innovative, custom-tailored solutions delivered with personal attention. With our strong wood tradition, commitment to the environment, and deep understanding of how people work, we strive to help you create inspiring, high-performance work spaces.

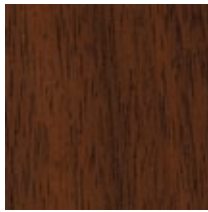

ALERION

Alerion's smooth, flowing lines and gentle curves convey a quiet sophistication that complements either contemporary or transitional environments. Available in either spindle back or enclosed upholstered back design, Alerion can be used in reception areas as well as with any casework or systems environment. The chair's unique design is executed in solid maple. Designed for Steelcase by Arnie Dammermann.

* The wood used in Oriana's construction is solid maple.
Wood finishes applied to maple will match the color of
stains applied to oak, walnut, or cherry but will not have
the same natural grain.
