

STEELCASE WOOD

Steelcase Wood Furniture combines over a century of craftsmanship with today’s technology to offer the broadest selection of beautiful wood furniture, whether you are furnishing one work setting or an entire building. This craftsmanship is combined with our commitment to protect the environment, and all our processes are designed to support this goal.

We provide individual attention to meet your exacting expectations, from innovative team environments to the executive boardroom. We can also help you create a customized solution with the expert design assistance of our Treehouse Studio.

By selecting Steelcase Wood Furniture, you are purchasing not just furniture, but innovative solutions that enhance the way your entire organization works. In addition, Steelcase Wood Furniture provides the highest levels of personal service and support. We are a partner you can depend on and trust.

COMPANY

A graceful fusion of wood and aluminum, Company is a versatile and affordable guest chair that adds beauty and style to any environment. Solid maple legs provide a striking contrast to aluminum arms, creating a bold, graphic look. It’s single shell reveals a modest sculptured appearance. Designed by Kirt Martin of the Steelcase Wood Treehouse Studio, Company delivers dependable day-to-day performance with its stacking and ganging features.
