

Storage needs within conference settings continue to be an important consideration even as technology plays a larger role. This freestanding credenza offers an abundance of attractive, functional storage. Its wide range of sizes and material options complement the other furnishings in this series. Together they create a consistent appearance throughout a conference or meeting environment.

Specifications

Credenzas are available in a variety of sizes with either wood or stone tops and are offered in a standard height as well as a buffet height that includes a drawer over each door. The door fronts are available with wood, Faux Leather or 3form® Varia *eco*resin™. Door trim, door pull and base molding are metal in all standard metal finishes. Cabinet interiors have an adjustable shelf. Other options include; interior mounted pull out drawer trays, interior refrigerator, cutlery drawer inserts, door locks and grommets in the top. The exterior back panel is finished, if an unfinished back is desired, deduct \$175 List.

Options – Specify:

- Top: 1.25" thick square-edge in wood or 3 grades of 1.25" thick Marble, Granite and Limestone. Note: Cordoba Marble C and Negro Marquina Marble A are only available in a .75" thickness, credenzas using these stones will have an overall reduced height of .5".
- Wood: Maple is standard; Ash, Cherry, Mahogany and Walnut are also available. Option A Exotic woods are available for an additional charge. Top, ends and doors are standard woods unless a stone top or faux leather or 3form® Varia *eco*resin™ doors are requested.
- Door Faces: Wood is standard. Alternate Door face options include; Faux Leather and 3form® Varia *eco*resin™. Faux Leather and 3form® up charges are added to the price of Veneer/Stone price.
- Faux Leather: Available in 3 standard table faux leathers (**Light** = Designtex 2383-101 Porcelain, **Medium**= Maharam Lariat 011 Chocolate, **Dark**=Designtex 2383-802 Tar) or any DesignTex Masquerade Faux leather, Faux Leathers are available for an additional charge. COL leathers are also accepted- although up charge would still apply. (Calculate as follows for COL; 10 SF per lineal foot of credenza length.)
- 3form® 3form® Varia *eco*resin™ door panels in select patterns are available for an additional charge. See Cumberland Web site & materials section of price list for available patterns and surface finishes. All panels must receive an opaque backing, which may change the look from the samples you have. Also see 3 Form® website for additional information on Varia™ products.
- Metal Trim: Door trim, door pull and base molding are available in Polished or Satin metal. Statuary Bronze is available for an additional \$375 list.
- Finishes: Standard and custom finishes; Cerused finishes are available on Ash for an additional \$140 list per item.

Optional Accessories:

- Cutlery Inserts: Cutlery trays lined in black velvet are available for \$290 list per drawer. Please specify quantity.
- Refrigerator: A 1.7 CF capacity refrigerator with a stainless steel door and black trim is available for \$750 list. To accommodate ventilation and electrical access an opening in the back of the credenza will be provided. Please specify refrigerator location in the case.
- Grommets: Quantities of 1-3 top Grommet(s) that match selected Metal Trim are available for \$95 list per grommet. Please specify quantity and location: Left, Center or Right. For each specified grommet electrical access will be available though an 8" sq opening located in the back of the case. If a specific location is required a drawing will need to be provided at time of order entry. Please visit our website or call for our standard outlet access hole position.
- Locks: Locks that match the selected metal trim are available for the credenza doors for an additional charge of \$375 list per credenza. Locks are only available on doors, not on the drawers.
- Drawer Trays: Pull out drawer trays in lieu of a shelf may be specified for an additional \$400 list per drawer. Please specify quantity and location in the case. A maximum of 2 per door opening may be specified.
