

# Winlock™

# The Perfect Fit for You and Your Work Space.

## The Ideal Look Everywhere

Task seating & guest seating, both with optional arms, to suit all of your office needs. The ergonomic, sculpted seat back is available in a unique black breathable mesh, or your choice of fabric.

## Simple Back Height Adjustment

A perfect fit is just a few clicks away with the Advanced Winlock's internal ratchet-back height adjustment.

## Maximum Ergonomic Adjustability

The Synchro-tilt mechanism simplifies adjustment of controls without sacrificing ergonomic options. Upgrade to the Advanced Winlock's easy-to-use seat depth adjustment for maximum accommodation of all individuals, short to tall.

## Polished Accents Add Class

Advanced Winlock Task Chairs can be customized with a cast aluminum base for lasting style and durability.
