Goes Great with Work.®

Accompany invites users to sit side-by-side in comfort. Generous armrests separate and create private space for each individual. Especially suited for public areas, waiting rooms and more. Gentle curves and substantial visual scale create an impression of comfort, encouraging users to relax. Firm, ergonomically correct cushioning ensures comfort. While seated, users enjoy strong, upright support for conversation-friendly sitting.

Modular Flexibility

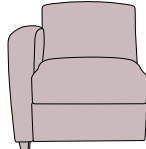

Select **Modular Accompany** for design flexibility and future reconfigurability. Separate components allow you to configure pieces beyond three seats. Modular units can be added or deleted from a configuration, providing a sensible approach to the constant changes of today's businesses.
