

PRODUCT

Pyran® Platinum Film

GLASS TYPE

Fire-Rated

DESCRIPTION

PYRAN® Platinum F glass ceramic is produced using an environmentally-friendly and rare mini-float process and has unprecedented color and clarity. Platinum F has a safety film applied to one surface and meets ANSI and CPSC CAT I & II impact safety standards and is designed for safety-rated locations such as doors, sidelights, and windows in hazardous locations. PYRAN products are available nationally through our network of distributors.
