Features and Upgrades

P030187

Features a patented flow regulator, debris filter and positive shut-off for added functionality. Operates at both low and high water pressure and can be adjusted to achieve optimum performance.

P030398-068

Left hand, Polished Chrome [068],
metal trip lever.

P030743

Designed for maximum performance this 3" [76 mm] flush valve features high volume flow rate for a quick and quiet flush. Nearly doubling the potential flow rate of a standard 2" [51 mm] flush valve.

8096

*White, EasyClose™ toilet seat.
Constructed of durable high-impact
plastic and closes slowly and quietly with
a gentle touch.*
