

M A R Q U E T T E T A B L E S

Stylish and sturdy, elegant and airy, Marquette table bases are dynamic assembles of steel rods to gracefully suspend the top surface. Table tops may be specified in either laminate, wood, solid surface, or MDF. Table bases are available in black powder coat and chrome plated finishes with adjustable leveling glides. Marquette tables are engineered for contract use and suitable for a wide range of applications ranging from cafes to conference rooms.
