The classic design of the Marquette Collection provides a creative seating solution for fun or formal applications. A flexible laminated hardwood shell is mounted to the steel rod base with concealed fastener offering an unexpected high level of responsive comfort. Marquette chairs are sturdy and can stack up to ten high on their transport dolly.

Marquette Chair Linear Shell

w 19.75 d 21 h 34 sh 18.5

Marquette Chair Arc Shell

w 19.75 d 21 h 34 sh 18.5

Refined graphic cut outs, derived from details found in architecture, are precisely defined by light and shadow. Two shell perimeter shapes (linear and arc), merge with our rich palette of transparent and semi-opaque Leland Colours to further expand your specification options. Marquette chairs are attractive in numbers and suitable for installations ranging from office guest seating and dining rooms to conference rooms and training centers.
