

Accentuate the modern office with Levity Park's elevated worksurfaces floating effortlessly above simple metal accent pieces. Extend the look to other units with elevated overhead tops and coordinating metal accents on modesties and overhead doors.

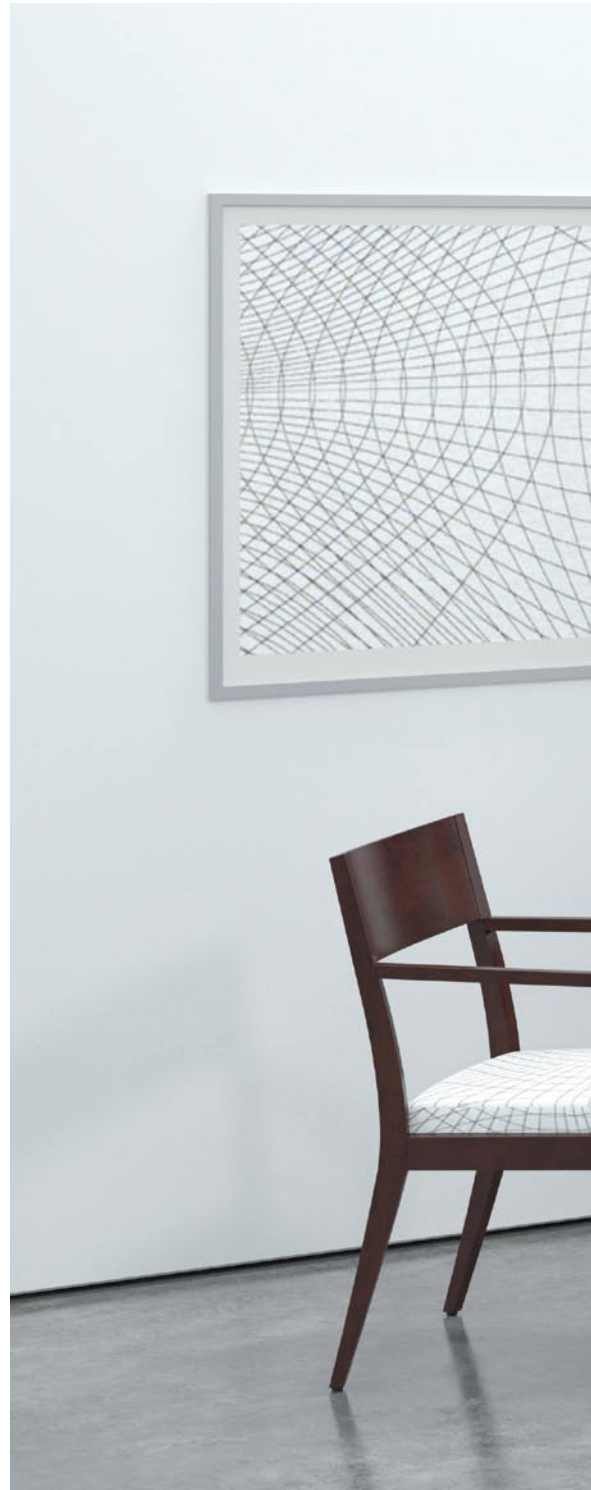

Levity Park's extensive component offering allows customer flexibility to find the perfect solution for optimal appearance and performance.

Handcrafted edge options include standard knife profile for crisp linear surfaces or optional impact resistant bumper edge for high-performance durability.

The subtle side of Levity is easily achieved with warm finish tones accented by standard worksurface standoffs and optional wood frame doors with frosted inserts. Task support options include fabric tackboard and accessory tool bar with shelves, trays and file folder items.
