Cleaning Instructions

The Light shade shade floorlamp should be first be first be cleaned with a dry cloth or duster to remove loose dust particles. Once this has been completed, a good non-smear glass cleaner and cloth can be used to enhance the reflective sheen of the mirrored film. Moooi recommends reading the label of any substance you wish to use on or near any item from the Moooi collection. Always ensure the lamp is not connected to the mains electricity supply whilst cleaning is in progress.
