

MOROSO

Leaf Chair

Carlo Colombo
2004

Description

Stacking armless chair (up to 4). Seat/back is red, white or black multi-layered technopolymer composite. Legs are tubular steel with polished chrome finish or tubular stainless steel; on glides.

Simple and light as its namesake, the Leaf chair is ideal for public spaces, hospitality and restaurants. At 19 lbs, it moves effortlessly from indoor to outdoors. (Stainless steel only advised for outdoor use.)
