Personalized lumbar support

The optional lumbar pad with depth adjustment provides customized and continuous lower back support to people no matter how petite or tall.

Creative option.

For spaces where image is a must, Approach offers a mesh back in Ash White or Black. This spine friendly, breathable material presents a thin silhouette, while providing comfortable support from shoulders to hips.

User friendly.

Approach lets users get comfortable quickly and simply. Easy to reach and use adjustments on a synchro-tilt control provide multi-position recline lock, back-height adjustment, and pneumatic seat-height adjustment designed to accommodate 95% of the population. Completely adaptable, Approach feels right anywhere people meet, collaborate, learn, think deep or work long hours.

- 1 **Height-adjustable arms:** Offer a 4" range of adjustment with fixed cap, or for more computer-intensive work, 3D arm caps — width, depth and pivot. Armless versions are also available.
- 2 **Synchronized tilt:** Permits seat and back to move as one.
- 3 **Tilt tensioning:** Increases or decreases the effort needed to recline the chair.
- 4 **Multi-position back-stop:** Secures the chair in one of three positions to best suit the user.
- 5 **Back-height:** Back adjusts up and down, allowing precise placement of lumbar support.
- 6 **Pneumatic seat-height:** Makes it simple for the seat to be set to the perfect height. (2 1/4" and 5" ranges available)
- 7 **Optional seat depth adjustment:** 2" depth adjustment to accommodate petite to tall users.
- 8 **Depth adjustable lumbar pad:** Available for mesh back, adjusts through a 1/2" range with the simple turn of a dial.

Comfortably seated.

Approach offers two cylinder choices and is scaled to fit diverse body types of all sizes.

Flexible by design.

People are different — Approach addresses individual preferences. It offers a full range of personal comfort controls, and more — adjustable arm caps for work-intensive environments, and replaceable seat and back cushions. Plus it carries a lifetime warranty and meets indoor air quality requirements. With all these features, Approach is a smart choice!

Economies of style.

Approach comes in Black or Ash White. It looks great on its own or can be dressed up with seat and back cushions. Mix and match snappy upholsteries for an original look!

Sustainability is important to us. Kimball Office and our parent company Kimball International have a long-standing commitment to sustainable practices in all of our operational, design and manufacturing procedures. This commitment is reflected in a wide range of management decisions, from using scrap lumber and sawdust to heat our buildings, to making wise material choices, building durable products that can be reconfigured and upgraded, and working with voluntary organizations such as the Green Building Council, which is dedicated to education and promotion of sustainable building practices. At Kimball Office, sustainable practices not only make good sense, they make good business.
