

Approach™ Seating

Looking for the perfect chair?

APPROACH

Take a fresh approach.

APPROACH

Ergonomic comfort

Approach fits people and organizations of all sizes by providing comfortable support at an equally comfortable price.

Clean aesthetic

Clean lines and a contemporary aesthetic allow it to complement the workplace from reception station to manager's office to open plan.

APPROACH

Easy-change cushions

Approach looks great on its own or can be dressed up with seat and back cushions. Mix and match snappy upholsteries for an original look.

APPROACH

Approach energizes any business setting.

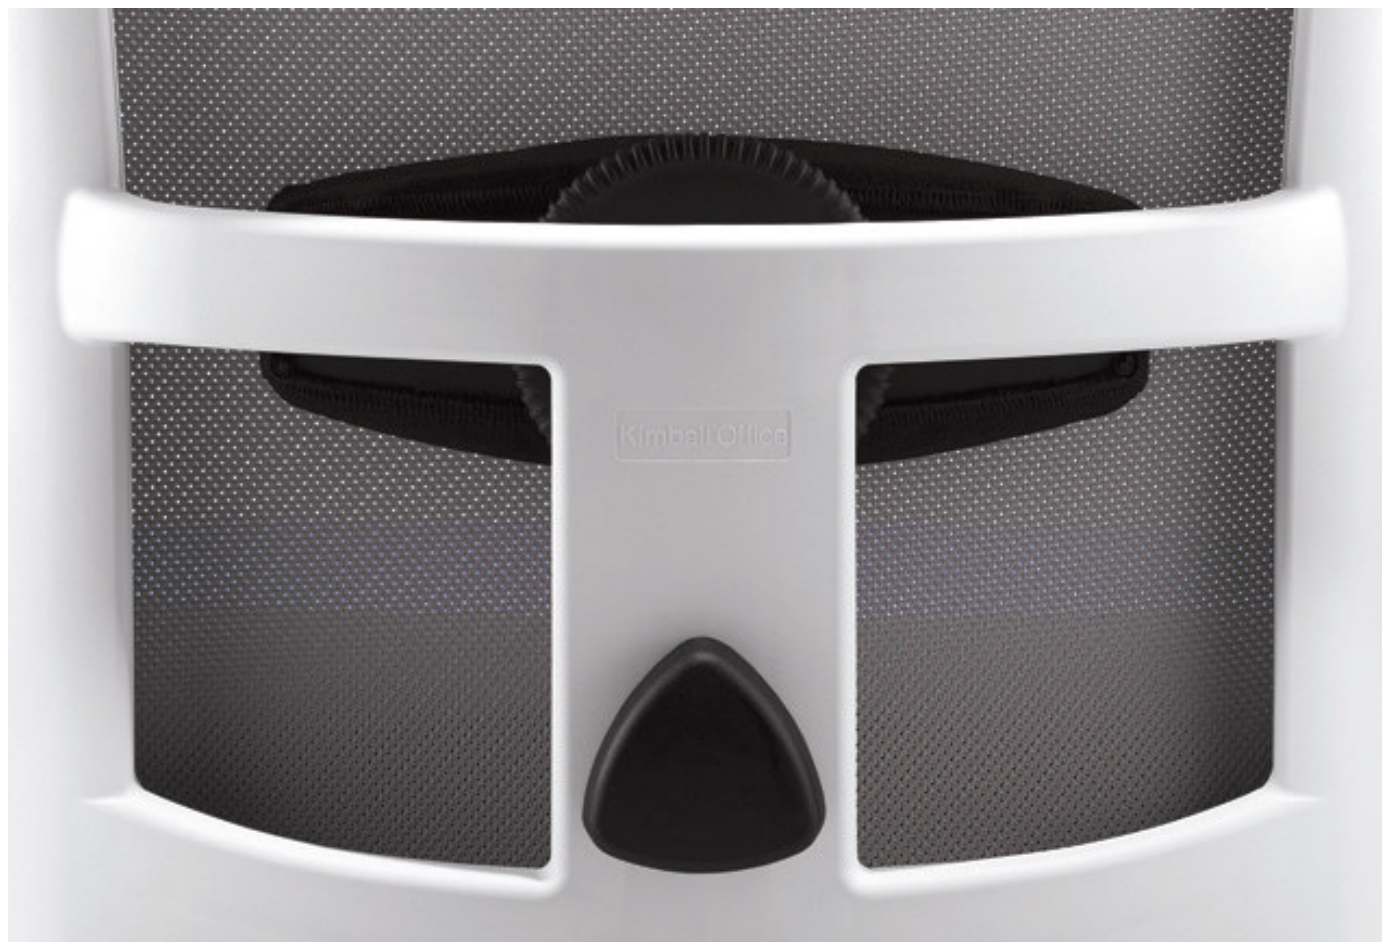

APPROACH

Creative option

Both the molded and mesh back are available in either Black or Ash White.

Personalized lumbar support

The optional lumbar pad with depth adjustment provides customized and continuous lower back support to people no matter how petite or tall.

Meeting friendly

Approach is the right seat, anywhere people meet.

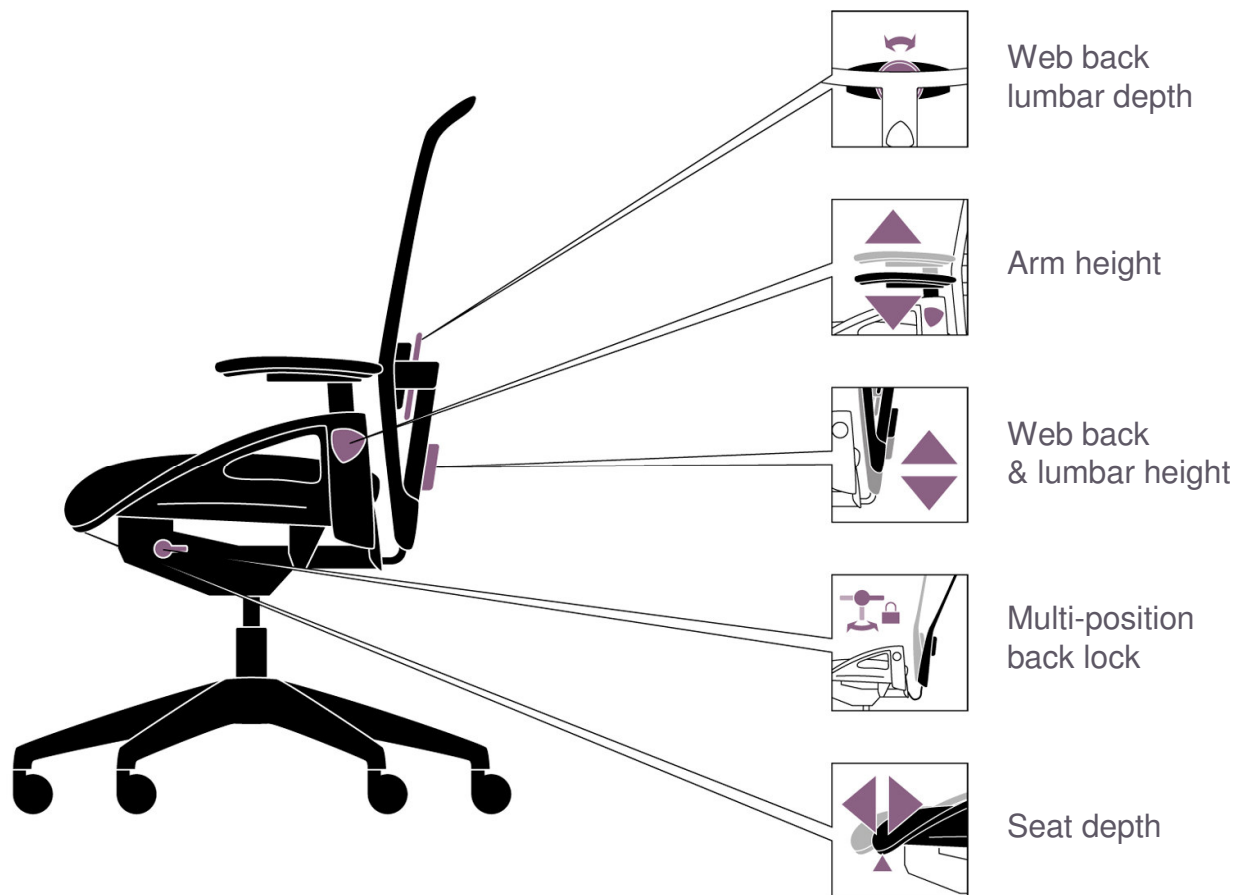

APPROACH

Comfortably seated

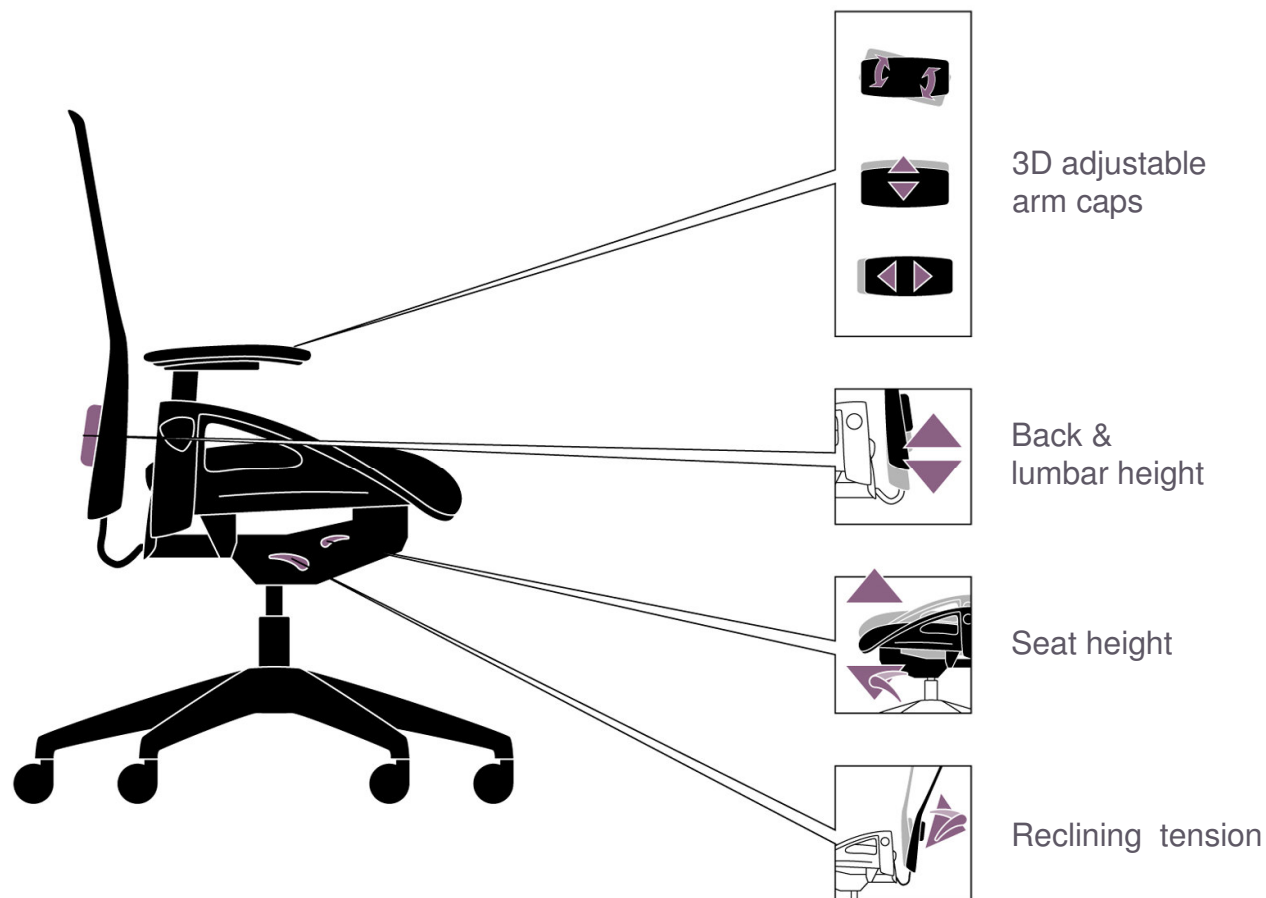

Approach offers two cylinder choices and is scaled to fit diverse body types of all sizes.

Personalized comfort:

Personalized comfort:

Approach; value by design, a smart choice.
