

Tables and Conferencing Solutions

Kimball® Office

Delivering solutions.

■ Traditional tables offer timeless beauty

■ Support any office style with a mix of top and base materials

■ Occasional tables complete any office décor

Much of business occurs over a tabletop, whether it involves discussing, negotiating, learning or sharing. Kimball Office has solutions for every need throughout an organization. Discover the excellence of design and engineering. Select from a complete range of solutions that complement any environment.

- Complement your conferencing table with functional matching units

- Aspire® tables combine large group interaction with small table mobility

- Maximize training room functionality through a variety of base and top options

Expressing image.

Every business has a certain image it seeks to project. Kimball Office offers creative ways to express a distinctive style with tables that combine exquisite materials, thoughtful design and meticulous craftsmanship.

- Traditional tables feature hand-selected hardwood veneers available in a wide range of finishes
- Traditional tables have a full fill, high sheen finish to enhance beauty and security
- Traditional complementary furniture options include storage and serving pieces that provide added usefulness to any meeting space

TV/VCR Cabinet and Lectern

Addressing style.

Creating a distinctive environment isn't limited to the conference table alone. A full range of tables and complementary furniture styles allow you to create comfortable settings in private offices and reception areas as well as full conference rooms.

- Kimball Office tables provide the ability to mix many materials, including wood, metal and laminate
- Fancy face veneer patterns such as Birdseye Maple, pie-cut and sunburst tops are available on selected tables
- Wood species, finish options and edge details mirror casegoods and systems for consistent appearance throughout a facility

- Occasional tables are available in traditional to contemporary styling to accommodate any office décor
- A variety of table bases in wood or metal can be matched with a multitude of top sizes and shapes to create the perfect solution for your space

Product specifications: Top, Occasional Arpeggio tables, Honey on Birdseye Maple, Radius edge; Collage seating, Bittersweet 62620 Seaspray; Bottom, Contemporary table, 5' Sunburst top, Ginger Cherry, Reed edge, Carrington seating, Pollack Crescent Moon 2174/04 Storm Clouds.

Enabling technology.

Many of today's workers spend much of the day out of their offices – in meetings, at impromptu gatherings. Kimball Office provides intelligent conferencing solutions, like network access, for productive group interactions.

Product specifications: Contemporary table, 16' Racetrack shape, Amber Cherry, Beaded edge; Contemporary complementary furniture has posts and Arc pulls in Platinum; Skye seating, Showcase Jet.

Base with door for access to cabling

The retractable power/data center in lowered position

- Retractable power/data center provides convenient access for individual users, technical presentations or video conferencing – all at the tabletop
- The power/data center is integrated into the tabletop, allowing it to retract flush with the tabletop when not in use for a clean, finished appearance
- Base for wire management hides and manages wires while providing easy access

Telephone Stand

Power/communication grommets combined with a cord management base provide simple power/data access

Fulfilling interaction.

You need more than a table and chairs to outfit today's meeting spaces. Kimball Office complementary furniture allows you to be fully equipped and fully prepared for any conferencing requirements.

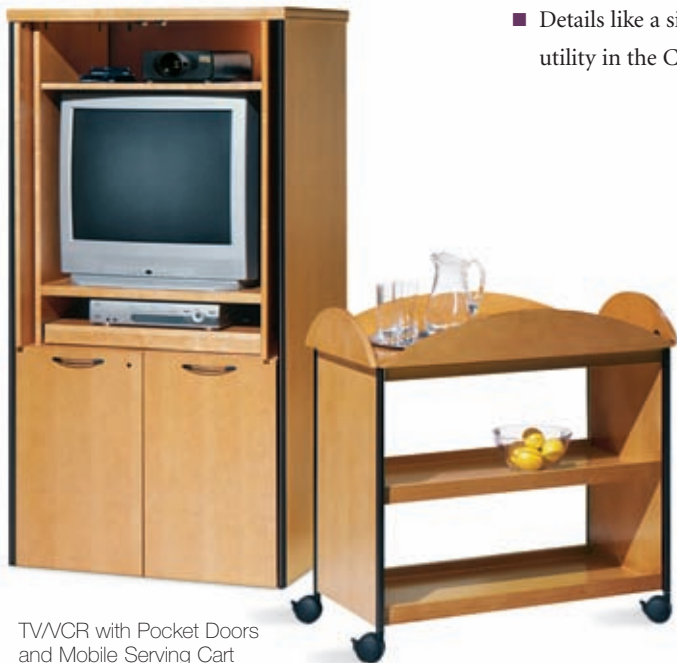

Product specifications: Contemporary table, 14' Boat shape, Honey Maple, Crescent edge; Contemporary complementary furniture has Cinder posts, Duet pulls in Matte Black; Stature seating, Maharam Peek 004 Arbor.

Mobile Hospitality Cart

Buffet Credenza

TV/VCR with Pocket Doors
and Mobile Serving Cart

- Details like a silverware organizer, trash bin and power outlets maximize utility in the Contemporary complementary furniture pieces

- Metal corner post details are available in 3 finishes—Matte Black, Satin Nickel, and Platinum Metallic
- Finishes, pulls, and edge details on Contemporary complementary furniture match those of Kimball Office casegoods and systems offerings

Storage Wardrobe

Changing places.

Facility needs can change hour to hour. Aspire delivers on the promise of convenient mobility with tables that move easily into position, then fold up for re-location or storage.

- Aspire tables come in folding, as well as non-folding styles for dedicated spaces
- Boat, rectangular and elliptical shaped tops available
- Choose from softened or knife edge details
- One person can fold and move even the largest Aspire table through doors and onto elevators

Mobile Utility Table

Moving meetings.

No two training sessions are alike. Array® tables offer perfect versatility for demanding, high-use spaces with a diverse range of tabletop and leg options.

Round Table, X-Base

- Laminate tabletops are offered in a wide variety of geometric shapes and sizes to create endless configurations
- Legs are available in both folding and mobile options to improve flexibility
- Featherlight tops are one-third the weight of standard tops and available in large rectangular sizes
- Grommets and wire manager options control cords for a clean, finished appearance

Half Round Table, Mobile C-Legs

Crescent Table, Mobile T-Legs

Trapezoid Table, Column Leg

Product specifications: Array tables, Honey woodgrain laminate tops, Thin rim and T-leg bases, Cinder; Wish seating, Pollack Puff Daddy Foxy Brown.

Creating conversation.

In business, two heads are often better than one. Task-ready tables from Kimball Office provide stylish ways to collaborate, learn and produce results.

- Wood configuration tables offer elegant aesthetics for working conference areas
- Multiple top shapes support arrangements ranging from individual working space to multi-member teamwork
- Extensive wood species, finish and edge options match other Kimball Office casegoods and systems and integrate into any environment
- Mobile, folding and static metal bases combine functionality with architectural style

Product specifications: Top: Contemporary Square tables, Softened edge, Wood Square Bases, Caramel Maple; Acapella seating; Bottom: Contemporary wood configuration tables, Vienna Cherry, Crescent shape, Softened edge, Mobile Tapered Column legs in Brushed Steel; Xtreme seating, Jazz Plunge.

Products

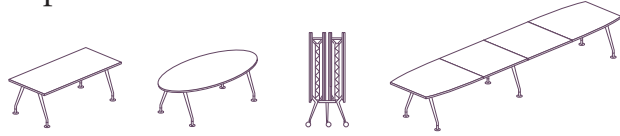

Description

Array

Multi-purpose folding and configuration table collection. Offers multiple shapes, sizes and laminate colors for tops, plus Featherlight models, weighing one-third less than standard tables. Five base styles with static, folding and mobile capabilities.

Aspire

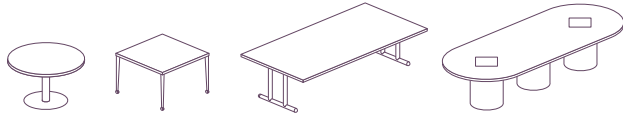

Wood conference tables featuring mobile, folding models up to 16 feet in length. Aspire tables are easily folded by one person and fit through any standard doorway.

Occasional Tables

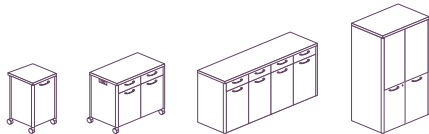

Side tables in a variety of styles, sizes and finishes to complement contemporary and transitional office interiors.

Contemporary Tables

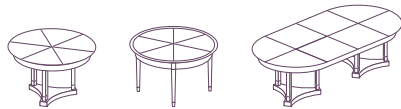

A versatile program including conference and configuration tables that offer a full range of veneers and laminates. You select from a myriad of top, edge and base options to create the table you desire to match any Kimball Office Casegoods or Systems—infinite possibilities.

Contemporary Complementary Furniture

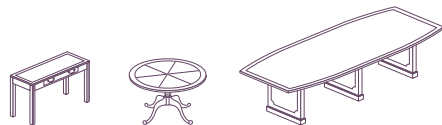

Support furniture for the fully outfitted conference room, including serving height storage furniture, AV cabinets, multi-purpose and mobile units to coordinate with various contemporary and transitional Kimball Casegoods lines. Offered with metal post corner detail in three finishes and pulls to match all Kimball Office Casegoods and Systems lines.

Innsbruck and Osterley Park Tables

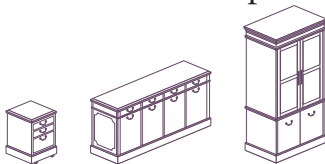

Historically inspired table series in American Cherry with a choice of book-matched or highly figured tops.

Traditional Tables

A comprehensive offering including conference and occasional tables with hand-rubbed finish to coordinate with traditionally-styled interiors. Includes Queen Anne and Butler styles.

Traditional Complementary Furniture

Support furniture for the fully outfitted conference room, including serving height storage furniture, AV cabinets, multi-purpose and mobile units to coordinate with traditional Kimball Office Casegoods lines.
