H B F

The Conversation chair, designed for HBF by Denmark's Glyn Peter Machin, expresses the force and beauty of simplicity in a light-scaled side conference chair. Casually elegant and reminiscent of Scandinavian mid century classics, the Conversation chair provides quality design, generous scale and relaxed comfort with 21st century practicality. The lightweight frame merged in harmony with vegetable tanned saddle leather brings a luxurious, casually elegant aesthetic to corporate, hospitality and residential interiors.

The Conversation Side Chair

3259-10 | Conversation side chair 30³/₄OH x 22¹/₄OW x 21OD upholstered in HBF Mocha premium stitched saddle leather. In addition to HBF Mocha, the chairs are offered in HBF Black and HBF Clay leather. (Content 25% post consumer, 18% post industrial)

3259-10 | Conversation side conference chairs with satin pewter frame upholstered in HBF Black and HBF Clay saddle leather. The rich vegetable tanned leather is both durable and sophisticated.
