

Block P

Leucos Design Team

- DESCRIPTION:** Wall sconce available in an understated white blown glass or bold metallic look with an abstract “scribble” pattern. Its light source creates a lustrous glow providing upward and downward illumination. The metal backing structure is made from painted titanium finish. Block is ADA compliant.
- LIGHT SOURCE:** 2 x 60W G9 – HAL
- FINISH:** Painted Titanium
- GLASS COLOR:** Satin White or Metallic with “Scribble” Pattern
- NET WEIGHT:** 6 lbs.
