The Conversation chair, designed for HBF by Denmark's Glyn Peter Machin, expresses the force and beauty of simplicity in a light-scaled lounge chair. Casually elegant and reminiscent of Scandinavian mid century classics, the Conversation chair provides quality design, generous scale and relaxed comfort with 21st century practicality. The lightweight frame merged in harmony with vegetable tanned saddle leather brings a luxurious, casually elegant aesthetic to corporate, hospitality and residential interiors.

The Conversation Lounge Chair

5120-30 Conversation lounge chairs with satin pewter frame upholstered in HBF Clay and HBF Black saddle leather. The rich vegetable tanned leather is both durable and sophisticated.

5120-30 Conversation lounge 31½OH x 26OW x 29OD upholstered in HBF Mocha premium stitched saddle leather. In addition to HBF Mocha, the chairs are offered in HBF Black and HBF Clay saddle leather. (Content 24% post consumer, 17% post industrial)
