Inspired by a Regency original, the Hamilton chair, created for HBF by Berry & Clark Associates, has been designed for maximum comfort and simplified in form, making it adaptable for diverse applications. The maple frame features dual beading in the gracefully tapered legs and arms, the arms are accentuated by the scroll carved hand grip.

The Hamilton side conference chair shown on the reverse is finished in HBF 02 Medium Walnut finish and upholstered in Lambswool Drape from HBF Textiles.
