

MAINTAINING THE
BEAUTY OF YOUR
GUNLOCKE FURNITURE

Gunlocke®

The master said –

Wood is a friend of mine;
the best friend on earth of man, is tree.

When we use the tree respectfully
and economically, we have one of the
great resources of the earth.

It is beautiful material, friendly
to man; the supreme material for
his dwelling purposes.

If man is going to live,
he should live with wood.

-Frank Lloyd Wright

GUNLOCKE 12-YEAR WARRANTY

The Gunlocke Company warrants to the original purchaser to be free from defects in material and workmanship for a twelve-year period from the date of shipment.

This 12-year warranty applies to all products sold and installed by an authorized Gunlocke agent for normal commercial single shift service. Gunlocke will repair, or at its option, replace defective merchandise, free of charge.

Wood owes its inherent beauty to variations in color, grain, and texture, and therefore, these variations are not considered defects.

There may be minor variations from one piece of furniture to the next even though they are finished at the same time.

Exposure to the light and the aging process will cause a darkening of natural wood products. Light finishes on wood products do not mask the natural characteristics of wood. Therefore we cannot guarantee the exact matching of grain, pattern and color.

For a more detailed explanation of the Gunlocke 12-Year Warranty, please contact your Gunlocke representative, or call (585) 728-5111 or 1-800-828-6300.

CARE AND MAINTENANCE

To care for your new furniture, make sure it is dusted regularly with an occasional thorough cleaning. All spills should be wiped up immediately and not allowed to dry.

For general maintenance, wipe surface in the direction of the grain with a clean, water-dampened soft cloth.

CLEANING FROSTED GLASS

All frosted glass should be cleaned with soft, lint free cloth and non-ammonia based cleaner only.

CLEANING CLEARTECH™ FINISH

1. Dust with a damp cloth.
2. Remove fingerprints or soiling with mild solution; 3 parts water to one part mild dish detergent.
3. Apply solution with spray bottle, wipe clean and dry with soft cloth.

Note: Do not use furniture polishes containing oil, wax or silicone, which can produce an oily film or haze.

A CHOICE IN LONG LASTING BEAUTY AND QUALITY

Congratulations on choosing
Gunlocke furniture!

Our master craftsmen have
created, with the utmost care
and attention to detail, your
beautiful wood furniture.

We select the finest veneers,
accentuating the natural
beauty of wood. Precision
construction techniques
ensure the durability of
each piece.

Gunlocke has enjoyed the
reputation for fine quality
and outstanding value for
over 100 years.

Be assured that with minimal
care, your furniture will be a
source of pride and provide
you with years and years
of useful service.

CLEARTECH™

Gunlocke offers ClearTech™, the next generation wood finish with the depth, clarity and durability never before available.

The ClearTech™ finishing process provides Gunlocke customers with quality wood furniture that is easy to maintain and unmatched in resistance to everyday wear and tear.

It provides unparalleled endurance to chemicals (such as liquid paper or polish remover), stains (such as permanent markers) and is heat and moisture resistant.

The ClearTech™ process is environmentally friendly; producing just two-thirds of the VOC (volatile organic compounds) emitted by conventional finishing processes.
