

## NUBIA PO/38 - PO/63

DESIGN R. TOSO - N. MASSARI

- DESCRIPTION:** A scalloped, hand blown glass diffuser characterizes this wall sconce, available in 2 sizes and 4 finishes. Nubia PO/38 is ADA compliant; both versions provide upward and diffused illumination. Companion pendant, wall, and ceiling versions also available.
- CONSTRUCTION:** A white metal back plate secures to the glass diffuser and conceals the incandescent, halogen, or fluorescent light source options. The backing mounts directly to a standard 4" octagonal junction box.
- LIGHT SOURCE:** PO/38: 1 x 150 watt, quartz halogen, T-3, RSC/short (provided).  
2 x 60 watt, incandescent, G-16, medium base (provided).  
2 x 9 watt, fluorescent, single recessed contact (not provided).  
PO/63: 2 x 100 watt, incandescent, G-16, medium base (provided).  
2 x 13 watt, fluorescent, recessed contact (not provided).
- GLASS COLOR:** Satin White, Satin Amber, White Zebra Stripe or Amber Zebra Stripe
- NET WEIGHT:** PO/38: 5 lbs.  
PO/63: 7 lbs.
