

SAIL 40-63

Design CARLA BARATELLI

SAIL 40

SAIL 63

- DESCRIPTION:** ADA compliant, sleek wall sconce available in two sizes. A white glass diffuser curves away from the wall and the compact fluorescent light source provides up, down, and diffused illumination.
- CONSTRUCTION:** Titanium painted metal backing contains the electronic ballast and also supports the glass diffuser. An additional diffuser is at the bottom to help soften the down light. Both mount to a standard 4" octagonal junction box, however the larger Sail 63, needs additional support in the wall.
- LIGHT SOURCE:** Sail 40: 2 x 24 watts, fluorescent, 2G11 electronic (Not Provided)
Sail 63: 2 x 55 watt, fluorescent, 2G11 electronic (Not Provided)
- GLASS COLOR:** Satin White
- NET WEIGHT:** Sail 40: 12 lbs.
Sail 63: 17 lbs.
