

inertia task mesh
nowseating collection

Well-designed and well-priced, Inertia Mesh is the kind of chair you'll want to take home to mom.

Part of the Inertia family of seating, Inertia Mesh fits in with practically any office environment — not to mention any budget. Available in Executive, Highback, Midback and a Stool option with a lightweight and breathable woven mesh, Inertia Mesh provides support and comfort whether you're sitting straight or leaning back. Inertia Mesh is available in just 72 hours.

Applications

Task, Multi-task, Conference.

Features

Molded seat foam and Synchro Tilt back angle mechanism. Available without arms, or a choice of arm styles. Woven mesh back stretched over a tubular steel frame. Executive option is 2" taller and 2" wider than the Highback model.
