

inertia side mesh
nowseating collection

Stylish and simple, Inertia Mesh side is a welcome addition to the Inertia family of seating — and to your workplace.

The sister of our popular Inertia Mesh task chair, the Inertia Mesh side chair brings both versatility and value to the table. Its breathable, flexible mesh back provides optimal comfort, while sleek details like a choice of black, silver or metallic gunmetal frame finishes, and broad selection of fabric options enable you to create a look that's all your own. Optional Executive seat is also available. Inertia Upholstered side chair can be yours in just 72 hours.

Applications

Guest, Occasional.

Features

Woven mesh back stretched over tubular steel frame. Seat is made of 1" foam on flexible plastic. Available with arms, armless and with or without casters. Executive seat option is 2" wider than standard seat.
