MXO

>> MXO chair [6900 series]

>> about MXO

MXO combines unprecedented comfort in its category with a contemporary aesthetic and sustainable design. MXO was designed for meeting rooms, break out rooms, and conference room seating applications.

>> features

- translucent patterned weave mesh back, in which the responsive elastic mesh creates a contoured shape that provides perfect support for all users automatically
- seat consists of a thin ultra-comfortable Enersorb™ pillow top foam that allows for greater blood circulation reducing seating pressure points which provides the guest with extreme comfort
- fixed height arm rests
- swivel tilt mechanism with gas lift height adjustment
- waterfall seat design
- California Fire Code #117
- ANSI/BIFMA

>> options

- available with memory height and position gas lift which always returns the chair to a uniform height and position
- available in any of Nightingale's over 300 carded fabrics including our Momentum and Interface programs

>> overall dimensions
