

THE CHOICE IS YOURS

CXO fits your sense of style with several options to enhance your chair. An available headrest, polished aluminum highlights and a vibrant color palate (blue, red, gold, yellow, burgundy, gray, black) for CXO's seating surface, lumbar pad and headrest are all there to satisfy your personal taste.

Model	Description	Overall			Back Height	Seat Height	Back Width	Seat Depth	Seat Width	Weight (lbs)	Volume (cu ft)
		Width	Depth	Height

A LOT OF CHAIRS LOOK GOOD BUT HOW DO THEY FEEL?

FOUR-WAY STRETCH FABRIC

CXO's dual-layer fabric is perforated for exceptional airflow. It also has a four-way stretch, which moves perfectly with the Enersorb™ foam for added comfort and durability.

MESH BACKING

Like CXO's fabric, the mesh backing allows air to pass freely, making it comfortable in all climates. It also boasts dynamic movement – in other words, it moves with you.

No matter what your dimensions, style or position – executive, management or administrative – the ergonomic CXO chair has been especially designed to provide you with **EXTREME COMFORT**.

LUMBAR SUPPORT

The contoured CXO lumbar pad can be easily adjusted up and down and in and out for personalized lumbar support and comfort.

MOVABLE COMPONENTS

CXO's spring-loaded ball bearing ratcheting system (patent pending) operates the armrests, lumbar support and optional headrest (field installable) for effortless, smooth movements via CXO's buttons and triggers.

ENERSORB™ FOAM

CXO's Enersorb™ foam (found in the seating surface, lumbar support and optional headrest) conforms to your body when you sit and reverts to its natural form when you get up.

Armrests

Move up/down, in/out, complete with lockable swivel pads.

Seat Slider Depth Adjuster

Slow release synchronous knee tilt mechanism, complete with tension control and an integrated seat slider for depth adjustment.

Headrest

Adjusts up/down and has a coat hook.

Lumbar

Moves up/down and in/out.
