## >> GXO chair [ 6301 series ]

### >> about GXO

GXO combines unprecedented comfort in its category with a timeless aesthetic and sustainable design. GXO was designed to stand up to the rigorous demands of contract seating. The GXO chair is ideal for numerous applications, such as guest hospitality and secondary conference room seating.

### >> features

- translucent patterned weave mesh back, in which the responsive elastic mesh creates a contoured shape that provides perfect support for all users automatically
- seat consists of a thin ultra-comfortable Enersorb™ pillow top foam that allows for greater blood circulation reducing seating pressure points which provides the guest with extreme comfort
- angled rear legs for stability
- waterfall seat design
- finish - frame, arms, and trim standard in graphite
- California Fire Code #117
- ANSI/BIFMA

### >> options

- available in any of Nightingale's over 300 carded fabrics including our Momentum, Maharam and Interface programs
