tayco | product overview

Tayco introduces Metropolis, a full line of case goods and conference furniture.

Metropolis is divided into three distinct product groups for ease of specifying: Executive, Professional and Conference. The price book is divided into the same three sub-groupings, and the prefix of the product code indicates the product group.

- T – Metropolis Executive
- TL – Metropolis Professional
- TB – Metropolis Conference

Metropolis Executive and Professional series contain the building blocks for the CEO's office, a flexible team environment or a welcoming reception area. An abundance of freestanding storage towers are available for places to hang your coat, file important papers or store personal items. Whether you need to create an impression, save space or encourage collaboration, Metropolis does it all.

Metropolis Conference can be formal or casual, a place for working meetings, video-conferencing or large presentations. It customizes to your needs through a wide selection of sizes and mix-and-match table shapes and base styles. Cabinetry has been made larger to match the proportions of the conference room. Accessory items such as audiovisual cabinets, mobile media centers, lecterns, whiteboards and serving cabinets round out the line.

Metropolis Executive and Conference feature 1.5"-thick worksurfaces, hutch and freestanding storage tops. These items also have a choice of Straight, Gothic or Wave trim styles. Metropolis Professional has 1"-thick worksurfaces, hutch tops, filing and storage tops with a straight 3-mm vinyl edge.

desks, returns, bridges and credenzas

Desks are available with a choice of recessed or flush modesties. Metropolis desks, end gables and modesties are made with 45 lb./cubic foot density industrial-grade composite wood core, finished on both sides. Many pieces are available with partial or full modesties. Partial modesties (12"H) should be ordered only for pieces located next to a wall. Otherwise, full modesties should be used.

pedestals

All pedestal drawers are outfitted with full extension slides. Drawers can be easily removed by releasing the small catches on either side of the slide. Pedestals come standard with locks. One lock will lock both file drawers in a file/file pedestal and one box drawer and the file drawer in the box/box/file pedestal. File drawers will accommodate legal- or letter-size documents.

freestanding storage and combo cabinets

Various combination filing and storage units provide a place to hang a coat, store personal items and documents to suit any individual's needs.

reception units

Everything you need in a reception unit is sold as a single item complete with worksurface, counter and storage.

intermediate gable supports

Some configurations require the use of an intermediate gable support. This support must be ordered separately. The situations requiring an intermediate gable support are:

- > For use under surfaces 60" wide or greater where there is no filing or storage to support the worksurface (see picture 1). This applies to Metropolis Professional only. The intermediate support is not necessary for Metropolis Executive configurations, unless a hutch is placed over a bridge or return surface (see picture 2).

- > Under return surfaces where the return meets the primary desk or Peninsula table. This applies to Metropolis Professional only.

The 12" wide intermediary gable is for 21"- and 24"-deep surfaces and the 18"-wide intermediate gable is used with 30"- and 36"-deep worksurfaces.

tayco | product overview

lectern

The Metropolis lectern is mobile, height-adjustable and constructed of laminate to match the conference room furniture. It glides easily to center stage and can be moved aside when not in use on friction locking wheels. An acrylic lip holds documents in place during presentations.

accessories

Computer accessories include flat-screen monitor arms, articulating keyboard trays and CPU holders.

Heavy-duty flat-screen monitor arms adjust to the user while storing wires within the arm. The monitor mounting plate meets VESA standards to accommodate most monitors. Monitor arms can be grommet- or clamp-mounted to the worksurface. Articulating and retractable keyboard trays and mobile or underdesk-mounted CPU holders complete the workstation.

Hutch-mounted tackboards can be finished in any Tayco standard fabric to match the office decor. The conference room whiteboard comes standard with a dry erase board and two fabric-wrapped tackboards. Standard task lights are available in two sizes and come with vertical wire management. An optional task light is available with a dimmer switch. A grommet-mounting swing arm task light is also available.

hutches and cabinets

Hutch and cabinet doors come in a choice of classic laminate or aluminum-framed frosted acrylic glazing. Hutches with laminate doors always come standard with locking doors (except for the Conference line). Hutches come open or closed, with or without pigeonholes and a flexible apron for wire management. Optional hutch mounted tackboards finished in any of Tayco fabrics can be ordered to complete the look.

coffee and end tables

Metropolis coffee and end tables coordinate with reception units and are available with or without a fixed shelf.

bookcases

Straight and radius bookcases have height-adjustable shelves with the exception of any desk-height shelves. They are fixed to add structural stability to the bookcase.

handle details

Six handle options are available in choice of colors. Melbourne is the standard handle option unless otherwise specified on your Purchase Order. All Conference handles are 7½" long. All Executive and Professional handles are 5" long.

default vinyl color selections

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for details.

edge profiles

Metropolis Executive and Conference are available with a selection of three edge profiles.

Straight profile is available in:

- > Executive
- > Professional
- > Conference

Wave profile is available in:

- > Executive
- > Conference

Gothic profile is available in:

- > Executive
- > Conference

tayco | product overview

decorative trim placement

Generally the decorative trim is placed on the exposed surface edge.

Straight trim is applied to surface edges that are placed next to a wall or another surface.

legend:

- 3 mm shaped
- 3 mm straight

tayco | product overview

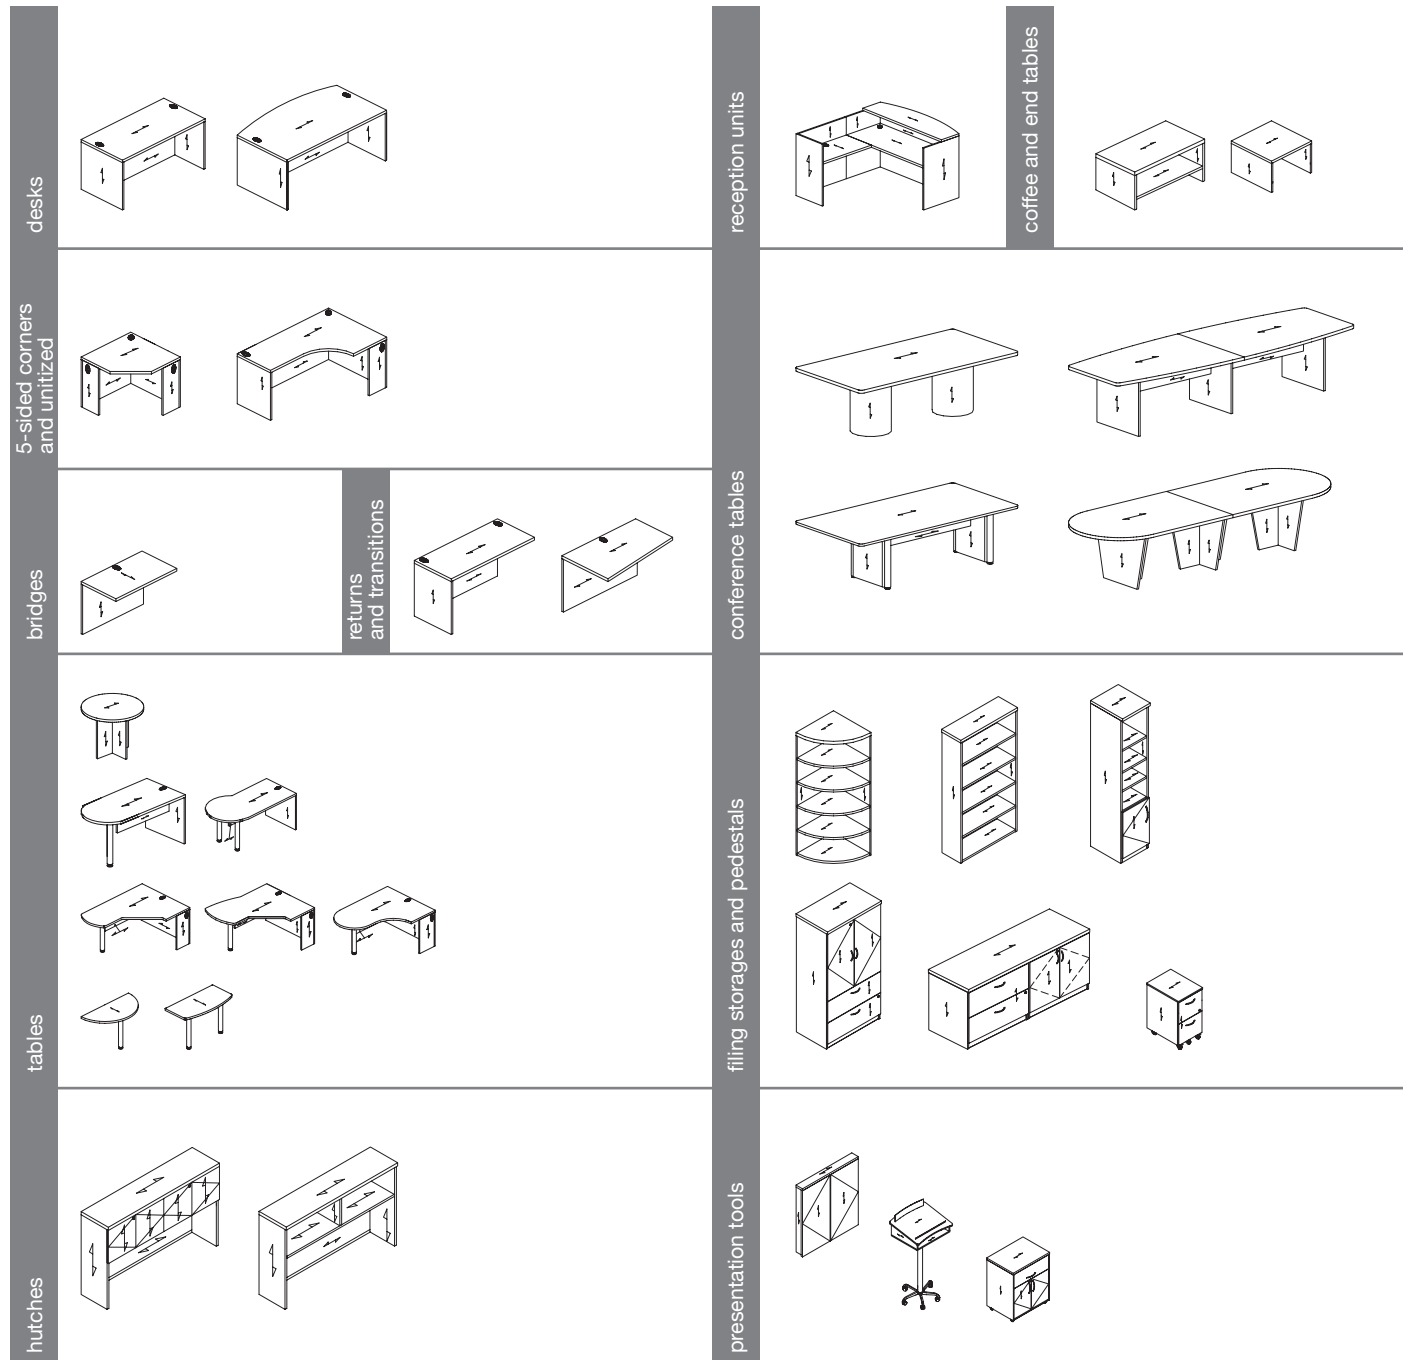

grain direction

Horizontal Surfaces

When ordering a directional laminate, the grain will run the direction of the width of the worksurface (excluding bridge surfaces), hutch or storage top. Grain on bridge modesty run vertically so the grain will run the same direction on the entire suite.

Vertical Surfaces

Directional laminates run vertically on vertical surfaces such as cabinet doors, pedestal drawer fronts and gables, as well as all cabinet, lateral file and pedestal kick-plates. The grain runs horizontally across the width of modesty panels.

tayco | product overview

filing options

Pedestal file drawers can accommodate letter- or legal-size documents.

Letter-size papers can be filed either front to back or side to side.

Lateral drawers can accommodate front to back or side to side filing of legal- or letter-size documents.

lateral file drawers					
	Lateral File Drawer (36W & 42W) Legal filing – front to back Underdesk: 15" Freestanding: 15"	Lateral File Drawer (36W & 42W) Legal filing – side to side Letter filing – front to back Underdesk: 15" Freestanding: 15"	Lateral File Drawer (30W, 36W & 42W) Letter filing – front to back Underdesk: 15" Freestanding: 15"	Lateral File Drawer (36W & 42W) Letter & legal filing – front to back Underdesk: 15" Freestanding: 15"	Lateral File Drawer (30W, 36W & 42W) Legal filing – side to side Underdesk: 30W–25½" 36W–31½" 42W–37½" Freestanding: 30W–25½" 36W–31½" 42W–37½"

grommets

Grommets are available in black or silver to coordinate with furniture.

Black is the standard grommet option unless otherwise specified on your Purchase Order.

Components Including Grommets

- > Peninsula tables
- > Arc desks with pedestals
- > Straight desks with recessed modesties and pedestals
- > Straight desks with flush modesties and without pedestals
- > Returns without pedestals
- > 24" deep returns with pedestal
- > 30" deep returns with pedestal
- > 24" deep desks with flush modesties and pedestals
- > 30" deep desks with flush modesties and pedestals
- > 36" deep desks with flush modesties and pedestals
- > Bridges
- > Straight transition worksurfaces
- > 5-sided corner worksurfaces
- > Unitized desks
- > Reception units

Components Available With or Without Grommets

- > Arc desks without pedestals
- > Straight desks with recessed modesties and without pedestals

Components Without Grommets

- > Credenzas
- > 21" deep desks with pedestal
- > 21" deep returns with pedestal
- > "U" and "C" Tables

Grommet Placement

Surfaces up to and including 48" wide have one grommet located at back center of the surface. Surfaces 54" wide and wider have two grommets at either side of the back of the surface.

tayco | step-by-step order placement

1. purchase order number
2. quantity
3. product codes and descriptions
4. finishes
5. options
6. provide a drawing or Tayco quotation number
7. shipping address, on-site contact name and phone number
8. shipping instructions
9. confirm access to elevators, loading dock, etc.
10. requested ship date/installation date
11. submit a completed Tayco installation checklist if Tayco is installing the furniture
12. discount, net price and freight charges
13. keep Tayco order numbers on file for reference when placing additional orders

tayco | terms and conditions

prices

Prices listed herein are for the Metropolis product line. Prices are subject to change without notice. Not included in the list prices are special packaging, freight, unloading, unpacking and installation. Possession of this price list does not constitute an offer to sell. Only orders received from authorized Tayco dealers will be processed.

payment

Terms of payment are net 30 days from date of invoice, upon credit approval.

In Canada remit payment to:

630 Kipling Avenue, Toronto, Ontario, Canada M8Z 5G1

Outside of Canada remit payment to:

P.O. Box 8500-53858, Philadelphia, PA 19178-3858

order placement and confirmation

Tayco requires that all orders be in writing and accompanied by an Order Cover Sheet to avoid errors. When placing orders, please refer to products by their product code and Tayco quotation number, if applicable. Specify all applicable finishes and clearly indicate the total net value of the order on the Purchase Order. Also note the "ship to" address if it is different from the "bill to" address.

In Canada orders should be faxed or emailed to:

(416) 252-4467, purchaseorders@tayco.com

In the United States orders should be faxed to:

(888) 291-0127

order acknowledgement

Upon receiving a Purchase Order, Tayco will fax an Order Acknowledgement indicating the shipping schedule and a description of the goods ordered. It is the responsibility of the Purchaser to verify the Order Acknowledgement for accuracy.

order changes

All changes to a Purchase Order must be made in writing and are subject to approval by Tayco. Please note: changes may affect the lead-time and may be subject to additional charges. Once production has begun, no changes will be accepted.

order cancellation

All cancellations must be made in writing and are subject to approval by Tayco. Orders in production will incur a minimum charge of 50% (of net) for cancellation. Once production has begun, cancellations will not be accepted.

specifications

Detailed specifications are available upon request. Tayco reserves the right to make changes in materials, dimensions, style or specifications if the changes will improve an item's quality or appearance.

storage

In the event that the Purchaser requests postponement of delivery beyond the acknowledged shipping date (after the goods have become a "work in progress", or at a time when Tayco is about to make shipment), the Purchaser must exercise one of two options:

- > Immediately transfer the goods to a storage facility of the Purchaser's choice at the risk and expense of the Purchaser. Such transfer to storage shall be deemed as delivery to the Purchaser for all purposes, including invoicing and payment.
- > Store the product at Tayco for up to 30 days. Storage fees will be incurred five days after the order is ready for shipment. The storage rate is \$25 per day up to a maximum of \$100 per week. On the 31st day after manufacturing completion, the order must be shipped or the Purchaser must make arrangements for the storage of goods.

All goods are payable from the date Tayco has finished manufacturing.

order delays

Tayco's Order Acknowledgement will state a shipping date, which is Tayco's best estimate at the time the order is acknowledged. However, Tayco shall not incur any obligation or liability to the Purchaser for failure to ship by the specified date unless Tayco has agreed to an unequivocal, firm shipping date in a separately signed written document, executed by authorized personnel at Head Office. Tayco holds no liability for any failure to deliver or any delay in delivering or performing any obligation due to any cause outside the reasonable control of Tayco, including but not limited to, fire, flood, bad weather, war, terrorism, civil disturbance, riot, act of government, government regulation, governmental restriction on export or import, currency restriction, labor dispute, strike, plant shutdown, unavailability of materials, equipment failure or failure of supplier, carrier or subcontractor to deliver on time or otherwise perform.

back charges

Tayco will not accept charges for expenses incurred by the Purchaser in expediting shipments, for the repair of damage caused by others or for delay of any shipment. Deductions from invoice payments are not permitted unless authorized in writing by Tayco.

assembly

Some assembly is required. Desks that include filing or storage, as well as hutches, ship assembled. Desk shells (without filing or storage), bridge desks and tables require assembly.

freight terms

All goods are sold F.O.B. Tayco, Toronto, Canada, unless otherwise quoted. All shipments are LTL (less than truckload) dock-to-dock, Monday through Friday, 8 a.m. to 5 p.m. The following services may be arranged for an extra charge: delivery after hours on Canadian or U.S. holidays or weekends, residential or inside delivery, delivery to government buildings or schools, use of special equipment (tailgate, pump-truck), delivery to an end user, delivery by appointment or within specific time requirements. Special requests must be noted on the Purchase Order. Tayco will provide customers with an anticipated date of delivery. Every effort is made to adhere to the prescribed delivery date;

tayco | terms and conditions

however, neither Tayco nor the carrier will guarantee or be held responsible in any manner for delays or deviation from the planned delivery date. Drivers are not responsible or permitted to assist in the off-load of product. Tayco is not responsible for any costs incurred for late deliveries, including labor or other charges resulting from unforeseen delays.

freight claims

Tayco is not responsible for damage that occurs in transit or in storage. The carrier signs for all goods received in good order from Tayco. It is the Purchaser's responsibility to examine goods upon receipt and file any claims with Tayco. Any damages or shortages must be noted on the bill of lading prior to signing for the delivery. Any claims against Tayco for apparent defects, errors or shortages must be made by the Purchaser, in writing, within five (5) working days after delivery. Failure by the Purchaser to make any claim against Tayco within five days shall constitute acceptance of the goods and waive the right to claim any apparent defects, errors or shortages.

termination

If at any time Tayco is reasonably led to believe that its interests are imperiled, Tayco may, without prejudice, terminate any order immediately or may defer shipment until the situation is remedied to Tayco's satisfaction. Reasons for order termination include, but are not limited to, the following: default in payment of any sum due to Tayco, breach of any of the terms and conditions of an order or other contract with Tayco, a material change in ownership or form of the purchasing organization or if at any time the Purchaser's financial condition becomes unsatisfactory to Tayco.

packaged cubic footage

The cubic footage listed in this price book is calculated for single item orders and should be used only as a guide in estimating shipping costs. When shipping multiple items, the cubic footage per item will be reduced, as Tayco packs orders to reduce space and freight costs. Please consult with Customer Service if more accurate (order-specific) information is required.

return merchandise

It is not Tayco's policy to accept returned product. In extenuating circumstances the return of product may be approved by Tayco. The Purchaser must request a Return Authorization Form from Tayco. All such returns must be shipped freight prepaid including duty and brokerage fees unless otherwise indicated by Tayco. Standard items are subject to a minimum restocking charge of 50% of the net value of the returned items. COD (cash on delivery) returns will not be accepted.

repairs

Liability for the repair of items will be limited to repair or replacement. Tayco will not issue credit allowances for any repairs without Tayco's prior written consent.

replacement parts

Replacement parts will be processed as a priority. Please consult with Customer Service for prices and include product codes and descriptions with your Purchase Order.

tayco | warranty

Tayco products included in our standard offering are covered by a limited lifetime warranty to the original customer. Tayco warrants that its products are defect-free in design, materials and workmanship under normal use and care. Upon inspection, Tayco reserves the right to repair, correct or exchange at our option any product that is defective in material or workmanship. Value of exchanged products will be of equal value or better of the original item.

limitations to the warranty include:

- > Keyboard trays and mechanisms are warranted for three years from the date of delivery.
- > Moving parts, which include slides, glides and casters, are warranted for five years from the date of delivery.
- > Seating upholstery and fabrics are warranted for five years from the date of delivery.
- > Flat-screen monitor arms are warranted for three years from the date of delivery.
- > Electrical components are warranted for 10 years from the date of delivery.

this warranty does not include:

- > Ballast and light bulbs;
- > Customer's own material of any kind;
- > Product damage caused by improper installation, accident, negligence, natural disaster, insufficient or excessive electrical supply, environmental conditions or any unauthorized repair or modification;
- > Product damage caused by a carrier or transportation of the product from one location to another;

tayco | care and maintenance

fabrics

To remove dust particles, lightly vacuum the fabric surface. Spills and fluid should be immediately blotted. For minor fabric stains and marks use water-based fabric solvent, applying light pressure, to lift the dirt and stain. Any use of water and soaps may harm the fabric, causing water stains and damage to the fabric's contents. Do not scrub the fabric with bristle or vacuum brushes as the fabric may pill or tear and the appearance may be permanently affected. Professional steam cleaning is recommended.

laminates

Dust laminated surfaces for regular maintenance. Clean any dirt or stain with a damp cloth. Do not use an excessive amount of water, abrasive cleaners, acids or alkalis and do not scratch or scrape surfaces. For persistent stains and marks use a commercial cleaner, such as Cabinet Magic® or Countertop Magic®, both manufactured by Magic American Corporation.

acrylic glazing (frosted)

Dust regularly to keep surfaces free of dust particles. Clean any dirt or stain with a damp cloth. Dry the area using a dry paper cloth. The use of fiber cloths or rags is not recommended as loose particles and debris remaining on the cloth may scratch or harm the acrylic surface. Do not use other chemical cleaners or window cleaners as their chemical compositions may alter and/or permanently affect the surface appearance.

painted metals

Tayco's painted metal products are powder-paint-coated. To clean these products, use a damp cloth, using only a small amount of lukewarm water if necessary. Dry with a clean, dry cloth. To avoid scratching and damaging the painted surface, do not use hard bristled brushes or abrasives.

THE USE OF HARSH CLEANERS AND CHEMICALS MAY PERMANENTLY ALTER THE PRODUCT FINISH APPEARANCE AND WILL VOID ANY WARRANTY.
