

VERIDIAN

VENEER COLLECTION

TAYCO

Contemporary design and clean lines complement the understated elegance of the Veridian veneer collection. The natural beauty and distinguished appearance of Cherry and Maple wood veneer introduce an unparalleled sophistication into any environment. The flexibility and function of great configurations, unique accessories and a variety of pull styles make the Veridian veneer collection a natural addition to any office.

ELEGANT

Subtle design cues deliver an image of elegance placing Veridian above traditional casegoods. The brilliance of the wood veneer and solid wood trim showcase the distinction and unique qualities of Veridian suites. Set your standards high.

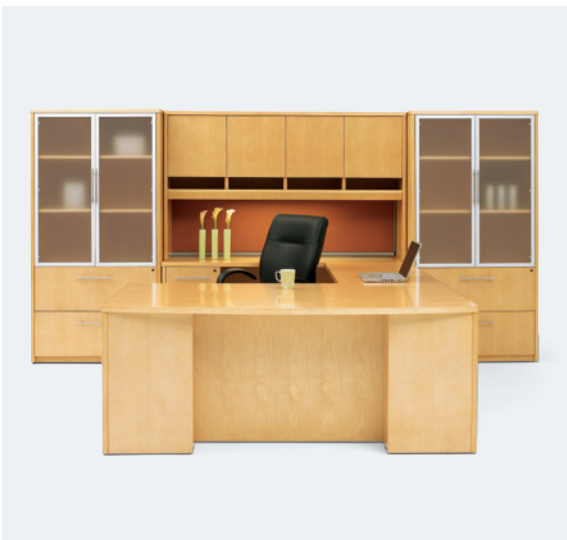

MODERN DETAILS

Frosted tempered glass doors provide a sleek and fresh look while silver aluminum frames accent clean lines.

MAKE AN IMPRESSION

Wall-to-wall designs add a rich quality and bold character without compromising function. Cherry and Maple wood veneers communicate prestige and diversity that inspire success.

COMPLEMENTING STORAGE

Storage solutions blend into your suite and add visual appeal. Storage cabinets and towers are available with matching veneer or frosted tempered glass doors.

STUNNING ADDITIONS

A contoured solid wood profile flows through the entire product offering.

UNDERSTATED FEATURES

Breakfront modesty design is offered on both arc and straight desks.

FUNCTIONAL

Great looking furniture is even better when it works with you. Veridian is the ultimate in function, offering infinite configurations, numerous storage possibilities and optional accessories to ensure you have everything you need to perform.

ELIMINATE CLUTTER

Simple and useful. The optional Veridian document sorter keeps your desktop clean and free of clutter.

WITHIN REACH

Access to important files and documents are always within reach. Underdesk box/box/file pedestals, file/file pedestals and stand-alone combination storage cabinets offer maximum storage.

REMOVE OBSTACLES

An alternative to the standard desk, the D-Top table allows free movement in and around your suite.

SPACE SAVER

Combine the convenience of vertical storage with lateral filing. Veridian presents a multitude of cabinet combinations to utilize office space efficiently.

WIRE IT UP!

Wire management made simple – all hutches come with a flexible silver apron to conceal unsightly wires and keep your working area clear. Bridges come standard with a silver grommet for laptops, phone or any other electronic device.

PRACTICAL

The prestige of wood finishes on a modest budget – Veridian is scalable to your needs. From a clever ensemble to a contemporary suite, practicality is maintained.

KEEP IT SIMPLE

Expand a freestanding desk into an "L" or "U" shaped configuration.

SOLUTIONS THAT WORK

Freestanding pieces allow maneuverability around the workstation and within the office environment. Modular designs allow you to position the desk and credenza/hutch unit independently of each other.

MULTI-PURPOSE CREDENZAS

Personalize your functional space. Interchange filing units and spacious drawers to create the ultimate in storage capability.

USABLE SPACE

Hutches provide usable space beneath the overhead storage. Optional task light and tackboard create a presentation area.

BRIDGE WITH GROMMET

All Veridian bridges come standard with a silver grommet, offering a functional workspace without messy wires.

MEETING SPACES

Make your meeting space a collaborative effort. Bring style, practicality and function to your next meeting. Integrate the essential elements of the Veridian collection: Cherry and Maple veneer, solid wood trim, six pull options and countless storage solutions.

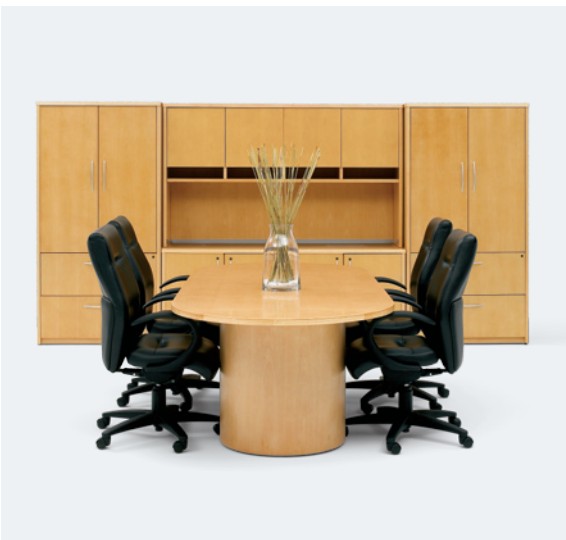

THE WARMTH OF CHERRY

Refine the look and feel of your meeting space. Deep Cherry veneer conveys an understated elegance and confidence that speaks to your clients and colleagues.

THE CONTRAST OF MAPLE

Create an open-air quality to the conference room with a classic-contemporary twist. Maple veneer highlights the contours and edges of custom designed elements.

SLEEK CONTOURS

Beautiful curves flow from the table surface into the veneer half-drum bases.

MAKE AN APPEARANCE

Cabinets can make an appearance anywhere, including the boardroom.

MEETING PLACES

Quintessential components give your meeting space substance. O Tables provide a place for impromptu brainstorm sessions or intimate discussions. Whatever the occasion, the Veridian collection creates the perfect place. All of these components are available in Cherry or Maple veneer.

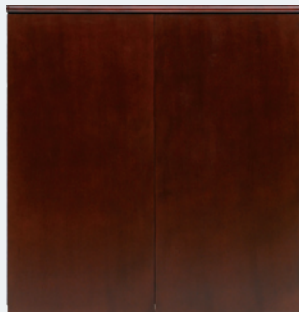

IN THE ROUND

Veneer O Tables create meeting spaces for boardrooms or private offices. Available in 36" or 48" diameters.

THE RIGHT FIT

96", 120" and 144". Select the boardroom table that is right for you. Veridian offers different table sizes to accommodate your space.

SEEING CLEARLY

The wall-mounted visual board is spacious and low maintenance. Simple. Just write and wipe clean. Fabric tack boards make presentations easy and effective. Your notes can be concealed by closing the veneer doors.

A CIRCULAR APPROACH

A full drum veneer base provides style and function. The circular element is visually pleasing while the large base provides stability.

PICTURE PERFECT

Veridian meeting tables, independent of other furniture, accentuate any room. The beauty of veneer and the elegance of solid wood trim speak for themselves.
