Classic style that is as timeless as it is beautiful.

Classic details are intertwined with modern conveniences to create a new breed of traditional office suites. Exquisite in details, Yorkshire combines wood veneer construction, a 1 1/2" thick traditional beveled edge design, a choice of eight warm woodgrain finishes and a diverse array of technological innovations. Modern conveniences include articulating keyboard drawers, retractable power bars and electrical power/data boxes.

All drawers feature a choice of two handle options — Oxide Brass or Antique Brass designs. Cabinet and hutch doors coordinate with a matching round knob handle design. Versatile and stylish storage units include hutches, bookcases and personal towers, to name a few. Center Storage Tower Hutches are as stylish as they are functional, featuring open storage shelves perfect for important documents or personal items.
