FASHIONABLE BEVELED MOLDING

FREEPORT™

Introducing Freeport — stylish, fashionable office furniture, ideal for the executive office

When planning your executive offices, consider Freeport, Global's distinctive offering of tasteful desking solutions. Freeport offers a wide variety of finely detailed components, including lateral files, storage cabinets, personal towers, wardrobe and audio visual cabinets, visual boards, boardroom tables and bookcases.

Top surfaces are surrounded by a 1½" thick beveled edge detail. Select your finish to create either a contemporary or transitional office environment.

Adjacent units are discretely accentuated with vertical elements that create a soft yet elegant contrast.

Freeport is designed with solid 1½" thick tops encased in matching beveled moldings. Select the perfect layout for your office from Freeport's versatile components and exciting color combinations.

FREEPORT™

Clean and crisp, warm and elegant, Freeport enhances your sense of style

Make a powerful statement with Freeport hutch storage, available in two configurations. These attractive pieces feature a built-in organizer and arched valence that complement the arched modesty panel on Freeport desks.

Select from the tower-based hutch with spanning storage (shown) or a traditional surface-supported hutch.

Doors for Freeport's storage components are available in a broad array of options. Select from your choice of matching finishes, or specify aluminum doors in matte Black or Silver, with either ribbed or frosted glazed inserts.

Personalize your Freeport office with a selection of door options. For a soft, warm look, specify finish-matched doors.

For a crisp bold look, specify Silver or Black finished door frames with a choice of frosted or ribbed glazed inserts.

Or specify a mix of each — the choices are yours! Freeport lets you define your office.

Freeport doors and drawers feature substantial handles in your choice of Silver or matte Black.
