

Planar recessed wall

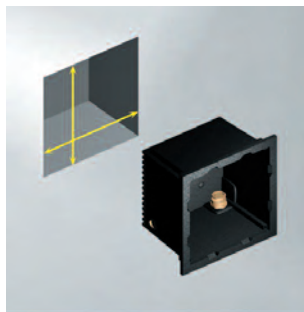

Eric Solè

Recessed wall mounted luminaires for direct and diffused incandescent or fluorescent lighting, suitable for outdoor wet locations.

- body and recessed housing in die-cast aluminum with special corrosion resistant electrostatic powder coated finish in black
- diffuser in molded ribbed clear polycarbonate with symmetrical reflector in specular aluminum
- fully gasketed with hardware in stainless steel
- fluorescent versions standardly equipped with thermally protected, class P, high power factor 120V electronic ballast (277V optional)
- suitable for concrete/masonry wall applications
- U.L. listed for wet locations
