

Stranur suspension

Ernesto Gismondi 2005

Cable suspended luminaire for direct and diffused halogen lighting.

- diffuser in handblown white opal glass
- a blue dichroic filter creates a subtle gradation of color from pink to violet on the diffuser, while still providing direct white lighting downward
- structure in dark grey metallic finish, support cables in stainless steel
- ceiling canopy in steel with dark grey metallic thermoplastic cover
- mounting to a standard electrical junction boxes
