GEA FAMILY

Marivi Calvo

GEA is a family of lights made up of suspension, GEA and SUPER GEA; floor, GEA and COSMOS; and wall lamps, G and SEMIG, in the shape of a half moon.

Its hand made shade is made of exclusively selected natural veneer, which after treating permits for easy cleaning.

Because of its shape it is easily applicable to many different spaces. Switched off it presents a simple linear esthetical while, illuminated, the lamp creates a unique and delicate atmosphere.
