

## vycom lecture halls

### solid surface

Nevens offers solutions for upscale facilities which bring together exquisite solid surface tops, rich veneer bases, and modesty panels. These beautiful surfaces, with intricate design details and clever options, are sure to make a statement in any setting.

Face Mount Modesty/End Panel extends above work surface for added privacy

Full Modesty/End Panel also includes Metal Inlay and Trim Molding

## laminate

Nevins offers durable and cost-effective choices for its Vycom Laminate Lecture Halls. These tables provide sturdy everyday solutions that increase productivity without impacting your project budget.

## laminate inlay & veneer

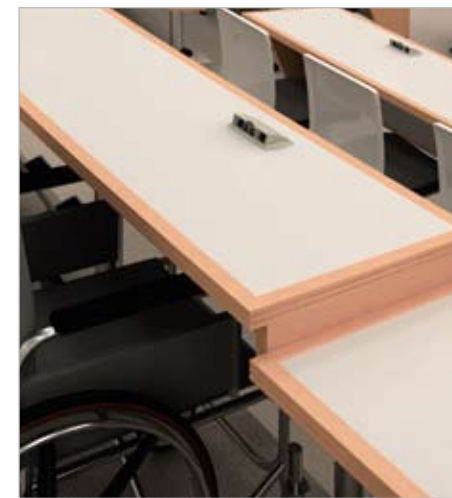

Vycom Laminate Inlay Lecture Halls, featuring durable laminates with refined wood edges, provide the flexibility to blend into casual and formal settings alike. With the addition of Nevins veneer table tops, a standard lecture hall can be transformed into an intimate, yet charming learning center.

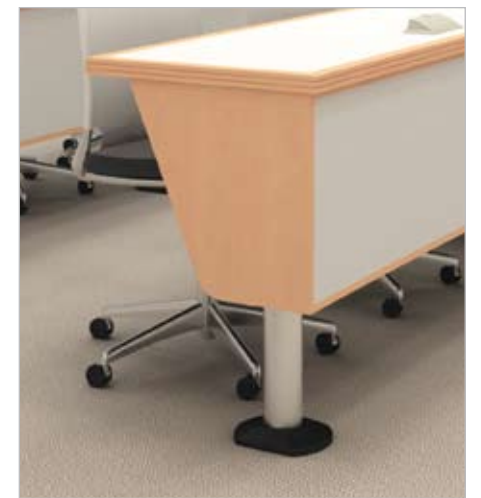

Elf Power and Data units provide connectivity

Permanent bases allow for expansive legroom

ADA compliant tops allow wheelchair access

End Panel features a stylish tapered design
