IMAGINE...

A system that works in virtually any area of the office, is adaptable, flexible and beautiful.
Introducing Planna – for ***the way you imagine.***

IMAGINE PLANNA AT RECEPTION

Make an impactful first impression. Let the reception area reflect the brand, set the tone and make a statement about the company. Planna's unique aesthetic, versatility and limitless palette can help achieve it.

1" Nuform Tapered Edge floating over 1/2" Planna Top

IMAGINE PLANNA IN A TOUCH DOWN AREA

In a workspace or simply on its own – Planna’s possibilities are virtually endless. Its multi-purpose cases double as storage or seating – ideal for waiting areas, casual meeting spaces or libraries.

1/2" Planna Top and 1 1/4" Cushion Top

Q-Pull on Frosted Hinge Doors

IMAGINE PLANNA IN A SHARED SPACE

Planna's off-module tops float above its low profile, high purpose storage, providing users with ample space for filing and personal items. A small kit of parts means reconfiguration is simple, making the shared space highly adaptable.

IMAGINE PLANNA AS A BENCH

Not your average benching solution – teaming Planna with powered panels makes for a smart benching solution that supports interaction and communication. Multi-purpose storage with cushion tops provides additional seating while back painted glass adds a custom look to the space.

IMAGINE PLANNA IN A COLLABORATIVE AREA

Many workers today need collaboration to thrive and what better place to do it than in a Planna standing height collaboration area? Semi-enclosed with Interval Post + Beam and decorative acrylic screens, this space provides a versatile area suitable for impromptu meetings, brainstorming sessions or taking a break.
