

far away, but not so

long ago

THE CONTEMPORARY INTERPRETATION OF THE AGE OLD TRADITION OF TINKERY IS ALIVE AGAIN. THE INTRICATE WORKING OF FINE IRON HANDCRAFTED PIECES OF ADORNMENT, THOUGHT TO BE EXTINCT, IS EXPRESSING ITSELF AGAIN IN OUR NICKEL PLATED STEEL WIRE. THIS SEDUCTIVE SHINY MATERIAL IS MALLEABLE YET STRONG AND IN THE HANDS OF THESE SKILLED AND SEASONED TINKERS, THE ORDINARY BECOMES EXTRAORDINARY.
