

Wascomat 90 G-Force Compass Control Washers

Dial-in to profitability with reliable Wascomat washers with Compass Control.

Wascomat's 90 G-Force frequency-controlled washers with Compass Control provide greater reliability by reducing mechanical stress on belts, motors, and bearings. This precision-engineering reduces downtime and increases machine availability resulting in greater profits. Customers appreciate the operating simplicity and superior wash results synonymous with the Wascomat brand.

Available in 20, 25, 30, 40, 55 and 75 lb. capacities. Stainless or white front panels.

Wascomat's 90 G-force washers with **Compass Control** continue our tradition of excellence in technology, design, and quality:

- Lowest water consumption in the industry. Control important functions such as exact water levels, wash times and number of rinses—with a simple turn of a dial.
- Create fully customized programs for your specific market using Wash Program Manager.
- Single phase simplicity with 3-phase reliability and lower installation costs.
- Inverter driven motor for smooth and quiet operation, and high efficiency.
- Soft-grip, slip-lock door handle for trouble-free operation. Durable in any environment.
- Door unlocks immediately at the end of final cycle. Wascomat washers are the only machines that have instant start and stop. No delays.
- Unique 4-compartment supply dispenser lets the customer (or attendant) conveniently load all laundry supplies before starting the wash.
- Riveted steel construction eliminates welds for strength and durability.
- Interchangeable parts from one machine size to another.

Features and benefits:

Wascomat's Compass Control puts you in the driver's seat and provides the ultimate in flexibility:

- Customize wash programs to raise efficiency, lower costs, and meet customer demands.
- Five built-in programs and the capability to easily add or delete programs.
- Heavy Soil and Extra Rinse options increase store revenue and customer satisfaction.
- Display wash program information in two languages simultaneously. 13 languages available.
- Value pricing. Set different prices for different wash programs and option keys.
- Use optional X-10 promotion-pricing system to set discounts for different days and hours each week on specific machines.
- Outstanding coin vault security.

Compass Control puts you in control of your laundry operations. One knob does it all!

Dramatically different.

It's time to talk to Wascomat. With more than 100 years of experience behind every washer and dryer, we are renowned for superior products and exceptional service; our dealers are experts in their field and know how to make your laundry a success; and parts and technical support are available for virtually every machine ever sold in the United States and Canada. When you buy Wascomat, you are truly investing in the future of your business.

Refer installation and servicing to qualified, licensed personnel. Always read installation and operating manuals and consult local codes before installation. Protect machines with properly rated, common-trip, circuit breakers ONLY. Warranty void if not properly installed. Solid-mount machines require a custom concrete foundation, and are not suitable for upper-floor or above-basement installations. Contact Wascomat for more information and for availability of machines for electric services not listed. Specifications subject to change without notice. Wascomat assumes no responsibility for errors or omissions in this information.

SUPERIOR WASH CYCLE CONTROL

With our Wash Program Manager software you can easily create custom wash programs on your PC.

Compass Control

With Compass Control you choose the program set-up that best suits your needs. Modify standard wash programs to find the perfect balance between low water and energy consumption—or create your own programs to meet the specific needs of your market. Multilingual with 13 display languages. Easily program a higher price for hot washes, extra rinse and heavy soil. Program in discount prices for slow periods of the day or week with Wascomat's X-10 option.

Call today for information on the full line of Wascomat washers, dryers, flatwork ironers and low-cost financing and leasing.
